AMERICAN BIBLE SOCIETY

The American Bible Society, founded 165 years ago in 1816, continues to pursue the only purpose for which it was established: the translation, production and distribution of God's Word without doctrinal note or comment, and without profit.

On behalf of the millions of people who learned about our Lord Jesus Christ through the pages of Scripture in 1980, the ABS would like to express its sincere thanks to the churches and agencies of the Southern Baptist Convention for their share in these successful programs of Scripture evangelism. The denomination's support for each of the past four years has averaged about two cents per member, or a total of $293,000.

Of particular significance to the Southern Baptist Convention is the Bible work being carried out in the country of Brazil, one of your largest and oldest fields of service.

During the 1980 the Bible Society of Brazil produced for the first time the Illustrated New Testament in Today's Portuguese. This new translation is receiving a tremendous response from church leaders and individuals. This translation is expected to attain the same popularity in Brazil as the Spanish Version Popular Bible received throughout Latin America.

At the Advisory Council meeting, several important resolutions were adopted. Of special significance is the resolution encouraging "...greater financial support from churches and the total Christian community, especially when viewed in light of U.S. and world inflation..." and urging "...the churches to set a goal of at least ten per cent annual growth in financial support to the work of the ABS."

ANNUITY BOARD

One of our most exciting and far reaching aspects of our work for 1980 has been the printing of and response to the study guide, "Planning The Rest of Your Life." This booklet is available from our office for church staff members, small study groups and church families who wish to have help in planning their retirement years.

Key statistical highlights in 1980 include:

1. A 13th check amounting to 10% of a year's benefit was mailed to annuitants who retired before 1980.
2. A total of $21,059,479 in retirement benefits was paid.
3. Insurance benefits through the Board's church, agency and seminary programs amounted to $15,955,965.
4. Total assets held in trust at the close of the year equaled $806,518,757. This figure represented a growth of $139,043,770 over 1979's total.
5. Premium income totaled $87,938,590, including contributions and relief receipts.
6. At the close of 1980, the Board counted 20,527 churches and agency member accounts in Plan A, 47,701 in the Fixed Fund, 6,033 in the Balanced Fund and 5,376 in the Variable Fund.

The church's response to upgrading the staff member's retirement program is most encouraging. Ten (10%) percent of his/her annual compensation should be the minimun.

In North Carolina as of March 31, 1981, 3,114 staff members of 2,353 churches and associations are participating in the Southern Baptist Retirement Program.

In the Brunswick Baptist Association, 21 churches and 22 staff members are participating in the retirement program. Of this number, eight are still participating on the minimum of $33.34 per month. There is a great need to upgrade this to 10% of total salary for staff members.

AUDITING

The Audit Committee met with the Associational Treasurer, Miss Ruth Galloway, on October 19, 1981, and examined the financial records of the Association and of the Jennifer Brown Emergency Care Home, for the fiscal year 1980-1981.

We verified the receipts with the deposits made in the bank, checked all disbursements and arrived at the balance shown on the bank statements and on the Treasurer's financial report.

It is our opinion that the financial records of the Brunswick Baptist Association have been and are kept in a neat, detailed and orderly manner.

We are indeed appreciative and grateful for the excellent job Miss Galloway is doing.

BROTHERHOOD

If we are to meet the challenges of the eighties our men and boys must get involved. Pray for missions. Learn about missions and volunteer for mission activities. The God of all creation, the God who keeps us everyday is depending on you. Let Him speak to your life. He can and will use you. The Brotherhood's recently adopted statement of objective, "Helping churches

involve men and boys in missions," is an exciting challenge.

We express our thanks to the fine people at Peace Memorial Baptist Church for the hospitality and fellowship at the World Mission Prayer Breakfast in April. Our churches were represented by 55 men and boys. Archie Jones from the State office was the guest speaker.

On May 11-13, we attended the annual State Key Leadership Conference at Ridgecrest. This conference was a spiritual blessing and a great challenge.

On July 27, I conducted the associational Key Leadership Conference held at Jennie's Branch Baptist Church.

Lindsay F. Miller, III, pastor of Goshen Baptist Church, is the new associational R.A. Director. He attended on May 29-30, the associational Royal Ambassador Director's workshop held in Raleigh.

We want each of our churches to feel free to call on the associational Brotherhood workers if there is anything that we can do to be of service.

CHRISTIAN ACTION LEAGUE OF NORTH CAROLINA, INC.

We are praising the Lord for some victories that He has shared with us this year, as well as other developments in total perspective of our work.

1. On January 1, 1981, Coy C. Privette began as our Executive Director upon the retirement of D.P. McFarland who had served for 20 years in this capacity.

2. The League was involved in its most extensive legislative program in its entire history. There were some victories; some defeats; and some delays.

3. The League is now involved in Project—1000, an effort to enlist 1000 churches or individuals that will become a prayer partner and to make financial contributions in the League's ministry. The League's extensive legislative program has placed a heavy demand on its financial resources, and this is why you are needed to become a part of Project 1000.

The League seeks to help us to be that salt and light that the Lord has commissioned us to be so that we might preserve the moral and spiritual principles upon which our nation was established.

Thomas W. Freeman, President

CHRISTIAN HIGHER EDUCATION

The Council on Christian Higher Education has published a small book, designed for study in the churches. The title of the book is *"On Missions: The Church/College Aliance."* By means of a complementary copy to pastors, mailed on September 1, 1981, the colleges hope to create interest among the churches for studing the book.

Copies of the book will be sent, free of charge, to those who request it. A study guide is also available.

The 1981-82 school year is filled with financial uncertainties across the nation. North Carolina Baptist colleges, where a total of 19,751 students were enrolled last year, are grateful for the generous and growing support through Cooperative Program and the North Carolina Missions Offering. In addition to dollars, the enrollment of more Baptist young people from the churches is a major emphasis of our colleges and universities. Thank you for your faithfulness in the development of college-related churches.

CHRISTIAN LITERATURE

Again this year, the *Biblical Recorder* has reminded us all of the value of good church-pastor relations. This is just one of many subjects the *Recorder* seeks to cover for North Carolina Baptist.

The editor believes strongly in the local church as well as the ministry work of the pastor. As all of us know, nothing can take the place of a good church and a good pastor.

The *Recorder* reported that there was a net gain of only 21 new churches in our convention in the past 10 years. This shocked many people, especially in view of the number of new churches organized in the past 50 years and in the population growth of our state in the last decade.

The *Recorder* was happy to report that the Southern Baptist Convention in Los Angeles was a good one. Those unable to attend were given an accurate and complete picture of what happened there--a front row seat, as it were, for only 7¢ (cost of one *Recorder*).

Mrs. Gwen Clemmons

CHURCH MEDIA-LIBRARY CENTER

The Brunswick Baptist Association Media Center (BAMCO) has had a full year. Your president attended the Ridgecrest Key Leadership Conference.

Shallotte FBC met with BAMCO. The result was a new Church Media-Library Center started.

The first BAMCO banquet for all pastors and wives was held during July at Supply Baptist Church. It is planned to make this an annual affair. Make your plans now for the third Tuesday of July in 1982.

BAMCO is now collecting books for the Jennifer Brown Emergency Care Center. It anyone has children's books for ages 3 to 18 years please contact me at 253-6849. We will get the books to the Brown Home.

There are only four BAMCO meetings scheduled each year. Please have someone from your church to attend. All meetings are held at Supply Baptist Church.

We are anxious for each church in the association to have an updated Church Media-Library Center.

Contact me for help - Rt. 1, Box 7, Bolivia, or 253-6849.

Mrs. Margaret J. Clemmons

CHURCH TRAINING

The Associational Church Training "M" Night was held this past year at Sabbath Home Baptist Church. Even though the weather was bad, there was 140 individuals in attendance. We had a very good program which included a skit to promote Church Training. The evening message was by Cleve Wilkie, West Virginia Coordinator, Missions Department, Baptist State Convention.

We awarded two banners at this meeting, both going to the host church.

The first banner was awarded for the largest number of Church Training enrollment present. The second for the highest percent of Church Training enrollment present. Their pastor, Leo Cannon, was recognized for the many years of Church Training promotion within the churches that he has served.

During the month of May, Mrs. Billy L. Buchanan attended the Key Leadership Conference in Ridgecrest, as our associational Church Training representative. In July, she lead the two associational conferences on Key Leadership. We commend Mrs. Buchanan for a job well done.

There were no request last year for help with the work in the association. However, let me continue to encourage and challenge our pastor's and churches to prayerfully consider the need of Church Training in your church.

CREDENTIALS

The Credentials Committee of the Brunswick Baptist Association met with a delegation from the Fellowship Baptist Church, Winnabow, N.C., on September 10, 1981.

Their application for admission into the association was read and approved by the committee.

Therefore, it is the recommendation of the Credentials Committee that the Fellowship Baptist Church be receive under the watch care of the Brunswick Baptist Association for a period of one year, after which the committee shall make further recommendations.

Tom L. Ballard, Chairman

APPLICATION - FELLOWSHIP BAPTIST CHURCH

The Fellowship Baptist Church voted in church conference on the 14th day of June, 1981, to request admission into, and become a member church of the Brunswick Baptist Association.

Our desire is to meet all requirements as a member church, supporting the association with our financial assistance, our attendance at its meetings, personal and group participation when called upon.

If admitted, we shall cooperate to the best of our ability in all phases of the associational work.

Furthermore, we shall send a quarterly progress report to the Director of Missions office.

L.V. Walton, Church Clerk

DIRECTOR OF MISSIONS

God has given us another wonderful year in our Association. We have experienced growth numerically, financially, and I am sure spiritually. Our churches have continued to expand and to erect new facilities.

Faith Baptist Church is enjoying a beautiful new sanctuary, adequate Sunday School space, and a fellowship hall. Soldier Bay Baptist Church paved their parking lot and installed new carpet in the sanctuary. Peace Memorial Baptist Church has added a new Sunday School plant. This has been a dream for a long time with the Peace Memorial congregation. The Town Creek Baptist Church replaced the roof on the sanctuary and did other improvements to the church. Mount Olive Baptist Church occupied their beautiful new sanctuary and educational plant in a new location. Leland Baptist Church purchased a church bus, which will be used to accommodate children and elderly people to church.

New pastors coming to our association during the year 1980-81 are: V.C. Potter, Jr., to Town Creek; Kenneth D. Benton, to Mount Pisgah; J.D. Hewett, to Friendship; Dale T. Holden, to Ocean View; James A. Whitworth, to Supply; Bruce R. Cole, to Soldier Bay; Everett J. Pierce, to Sabbath Home; Hartwell E. Condrey, to Elah; Clarence Richardson, to Oak Grove; James O. Flowers, to Farmer's Chapel; and Nelson King, to Prospect Baptist Church. We thank God for these fine ministers and their families. Although, we regret the loss of our former pastors, our Lord sent these men to lead our people. We trust that each one shall experience a long and happy ministry in the Brunswick Baptist Association.

The Jennifer Brown Emergency Care Home has been a great asset to our association during this year. Rev. John R. Small and Mrs. Small have been busy people with full capacity all but a few days.

Last December the Brunswick Baptist Association was presented a facility, known as the Achuck Home.

As we have stated on other occasions, the Baptist State Convention has asked all 3500 Baptist Churches in the State to join hands in March 1982 in a simultaneous revival effort. We encourage our churches to plan your Spring Revival March 14-21 or March 21-28, 1982. If you plan to join us in this Evangelistic Crusade, please give us your date and name of your Evangelist. The State Convention plans state-wide publicity for each association. In the past, we have had wonderful cooperation from our

churches when a joint effort was needed. It is our hope that this will be no exception.

The Key Leadership Conferences will continue through the Year 1985. Our association will continue to participate and hopefully it will bring forth fruit in our association.

Your Director of Missions has experienced a very busy year. We have preached almost every Sunday, if not preaching, we visited one of our churches. We taught a six-week study in World Missions for Seminary Extension. Attended a multitude of conferences and committee meetings. I have counseled with many groups, committees and individuals. Assist a number of churches in locating pastors. There is no limit to the amount of correspondence and planning meetings.

In addition of typing all Associational Finance Reports, list of officers, news letters, Calendar of Activities, programs for Annual Meetings, Advance Book of Reports, and on and on we could go.

It is a great joy to work with such wonderful people as you, who make up the Brunswick Baptist Association.

We are indebted to God and all Organizational Officers and Committees for your assistance during the year. May God bless you is my prayer.

Arthur R. Waisner

EVANGELISM

Our program of evangelism has taken on new interest as we approach our joint Statewide Evangelism Crusade, scheduled for March 1982. This effort of outreach is co-sponsored by the North Carolina Baptist State Convention and the General Baptist State Convention, Inc. "Here's Hope," is the theme. The three primary objectives are : 1. To present the gospel of Christ to every person in North Carolina by 1982.; 2. To demonstrate oneness in the body of Christ through joint evangelistic effort; 3. To recruit, train and mobilize members of our churches in personal evangelism, follow-up, and discipleship. The fact that North Carolina Baptists are in a "growth crisis" should challenge us to set our priority upon evangelism.

On September 15, 1981, Dr. Victor Cole, Director of Evangelism Development for our state convention, conducted a workshop at Supply Baptist Church for 14 of our area pastors. Again at Supply Baptist Church on October 29, 1981, Richard Everett, Director of the Department of Personal Evangelism, will teach a course, for the pastors, on the Lay Evangelism School.

It is requested that as soon as our churches schedule their spring revival that the Chairman of Evangelism be notified of the date and the name of the speaker.

It is our prayer that all Brunswick Baptist will make the commission of our Lord as recorded in Matthew 28:18-20 and Acts 1:8, "Priority One" in the year ahead. Let us pray that every unsaved person in our state will soon hear of the gospel of Jesus Christ!

V.C. Potter, Jr.

GENERAL BOARD

The General Board of the North Carolina Baptist State Convention parallels in work assignments the Executive Committee of the Brunswick Baptist Association. As an association, we meet only one time each year. Yet the work continues year around. The state convention meets in November each year for only three days. Yet hundreds of employees and a lot of detailed oversight and planning involves year around supervision and decision making. Therefore, the convention each year elects members to serve on the General Board from each association and region of North Carolina. In other words, I am elected by the convention to represent the board staff to my home association as well as carry concerns and praises from my association to the staff members.

The board met four times this year including a special called session at Camp Caraway to consider the sale of the Baptist Building. It would be an impossible task to even attempt to share with you in detail the work of the convention this past year. It includes music and ministry, Caswell and Camp Caraway Assemblies, social concern and evangelism.

Mountain State 200 - The project to begin new work and strengthen existing churches in our sister state of West Virginia. Reports show that our people are not only talking about, but are going to serve the Lord in this mission involvement.

Here's Hope North Carolina - The cooperative effort between our convention and the General Baptist Convention to reach every person in North Carolina with the gospel of Jesus Christ.

Sale of the Baptist Building - The proposal to be discussed at the convention's annual session will include a recommendation to sell the present building and re-locate in the Raleigh area.

HISTORIAN

The report of the Historian is incomplete when the church fails to send any historical information. This year none of the churches responded to my request in the associational newsletter, for updated information. Our history is moving on whether it is recorded or not.

Bolivia Baptist Church has a current history in the files. The sanctuary was carpeted. Douglas Hayes Hawes was elected to serve as a deacon.

Faith Baptist Church is the only church of the Brunswick Baptist Association without a church history on file. All other churches have their church history on file but need to be up dated.

Efforts are still being made to publish the existing Brunswick Baptist Association history.

JENNIFER BROWN EMERGENCY CARE HOME

Families in American are under stress. In order to help meet the needs of these families, the Baptist Children's Homes of North Carolina, Inc., offer a

wide variety of services. The Brown Home is a part of this program. A part that you have a personal hand in. Through your prayers and help, as of October 17th, we have been open 288 days. During this time, we have given 1,004 days of child care for an average of 3.5 children per day. We have been full (5) for 86 of these days, and have had over 137 inquiries for both services and information.

The Brown Home has admitted 28 children this year, and has placed 23 of them either back in their own homes or in another Child Care institution. Over 3,000 meals, 2,000 showers, and untold loads of clothes and dishes have marked these days.

You realize that these days would not have been possible if it were not for you who really care about the future of our children. Local churches, clubs and civic organizations, school, county Departments of Mental Health and Social Services, and many more that really care have all had a part. Many personal gifts of food, services, and other types of materials that go together to make a wonderful time together working with God in the service of His children. May God truly bless each and every one of you who thought enough to help.

As time goes on, the Brown Home will be visiting with the local churches on Sunday Mornings so you might get to know us better. Through Sunday, we have already visited 14 of our churches in the association.

John R. and Mary Small, the Children

JENNIFER BROWN EMERGENCY CARE HOME COMMITTEE

The year has flown by with much accomplished and great support from our association. God has again shown His bountiful blessings upon the ministry of the Brown Home. Your committee has met four times with numerous other contacts by phone. A special word of thanks is given to Arthur R. Waisner and A.G. Ferris, who have both contributed greatly to the work of the committee and the Brown Home.

As you can tell from the financial report given by Miss Ruth Galloway, Associational Treasurer, a new well was dug and became operational.

The limitations of the home have become increasing apparant during the often long rainy days when outdoors activities becomes a rarity. A concern for privacy and what to do with five noisy, slightly bored children continues to plague the Smalls and their relief parents. Several suggestions have been offered for both short term and long range solutions, but nothing has been done yet.

On the positive side, we have paid $40,000 on the mortgage note. This includes accumlated interest of around $4,000 and principal of $36,000 on the orginal price of $42,000.00. Translated into need, we still owe $6,000.00.

Looking to the future, I want to set any unclear information straight for the record. Our agreement with the North Carolina Baptist Chilren's Homes has not been altered in any way from the first. We agreed to provide and maintain the facility and offer it to the Children's Homes for their program, staff, and management. We further agreed to do everything in our power to provide half of the annual operating budget for the Brown Home. This is above and beyond the specific maintance of the facility.

Now, we must regroup and continue our support at a much greater level than we have. No further grants from the state or anywhere else has been

sought by your committee on behalf of the association. Therefore, it falls our responsibility through regular church channels of giving to provide around $20,000 annually for the Brown Home in order to keep our commitments.

I suggest that each church in the association consider placing the Brown Home in their budget as a separate line item. If each of our 39 churches did this, our total commitment would be met easily.

Each of our churches has an ongoing Sunday School and annually give on their church letter the average weekly attendance. If each church could give monthly an amount equal to their weekly average attendance, the Brown Home would have no financial worries at all.

I wish at this time to recognize three of the committee who have served you well and who will be rotating off this year. They are Mr. Dewey Sellers and Mrs. Genrette Brown of Mount Pisgah Baptist Church and A. Roland Dauphinais, former pastor of Community Chapel Baptist Church.

I also want to take a moment to thank Samuel D. Smith, pastor of Boone's Neck Baptist Church. He organized and publicized the Walk-A-Thon that netted a total of $2,041.14 for the Brown Home. To all those who put the details together and then got together on that hot Saturday and walked, my deepest appreciation on behalf of hurting kids who turn to us for help.

John W. Elder, Jr.

MISSIONS

The primary task of the church is evangelism - soul winning. Missions and evangelism are inseparable because missions is evangelism. Every time one goes witnessing they are on a mission. The church of Jesus Christ has no choice to be or not to be a missionary church. If a church is found not mission minded, it is not a church of Jesus Christ.

May God lead all of our churches to be stronger in missions by being more missionary in our communities. We will not extend to the ends of the earth if we don't begin at home.

Your Missions Committee ask that you be alert to the mission needs in your area and if the committee can assist you please let us know. We are all in missions as we are one in Christ working together to the glory of God.

Jesse Bentley, Chairman

MUSIC

Once again this years Key Leadership Conference at Ridgecrest was our greatest challenge. We have contacted several key music personnel in the association and hope there by to bring the spirit of Ridgecrest to the churches.

Comments and suggestions from our people are welcomed. We would like to make 1982 the best year musically the association has ever know.

God has never let us down but we confess that we are somewhat chagrined by our lack of vision. We are grateful for the limited musical blessings of this past year, but we hope to further magnify his name and to multiply our effectiveness in the year to come.

By working together, praying together, planning together, and singing together, we shall make our hopes a reality.

NORTH CAROLINA BAPTIST FOUNDATION, INC.

During the past year, twenty-three new trust funds valued at $385,016. were established with the Foundation. Coupled with the additions to existing trusts, total new assets held for the various missions and institutions increased the value of trust assets by $453,877.

— Foreign Missions trust funds increased by approximately $26,000.
— Home Missions trusts increased by $8,000.
— Baptist Children's Homes of North Carolina trusts increased by approximately $19,000.
— Southern Seminary by $12,250.
— Fruitland Bible Institute by $33,000.
— N.C. Baptist Homes by $1,500.
— Local church trust funds, including cemetery, scholarship and mission funds by $5,000.
— Cooperative Program by $7,000.
— Statewide Student loan fund by $115,000.

The Directors of the Foundation made an investment decision in 1978 to increase the yield to the charitable beneficiaries of trust income. Over a two year period investments moved toward high quality selective bonds to accomplish this goal.

Thirty-eight percent of the market value of all assets held by the Foundation were made as gifts by persons desiring to receive income for the remainder of their lifetime and at death have the trust funds pay income to missions or Baptist institutions.

More families are utilizing the memorial gifts as a means of providing mission support on a continuing basis.

Private and confidential conferences are scheduled by Foundation staff members with individuals desiring to seek direction in estate planning and giving.

Edwin S. Coates, Executive Secretary

NORTH CAROLINA BAPTIST HOMES, INC.

As we look back over the past thirty years of ministry in our Baptist Homes, it is a real inspiration to see where we have been and to meditate on the many blessings that God has so richly bestowed upon us. He has brought us from one Home in 1951 to a total of six Homes, an apartment complex, and a skilled nursing unit: from one resident to a capacity for 300 persons in 1981. Where we go from here is certainly, as always, in the hands of the Lord, but depends largely on where North Carolina Baptists want to go.

Through 1980 gifts through our Cooperative Program and the North Carolina Missions Offering are a little more than $550.000.00 (18% of all

income), these gifts are not commensurate with our current population growth and the ministry support needs of the Homes.

Two things are apparent. One, Baptist must be informed of our needs and do all possible to increase their gifts through the regular channels--the Cooperative Program and the North Carolina Baptist Offering. Two, North Carolina Baptist must help us find ways of raising money for development and expansion to meet the needs of current residents and the needs of growing numbers of older adults.

The General Board of the Baptist State Convention has joined us in our concerns and has appointed a special study committee to take a serious and close look at the financial needs of our Baptist Homes.

We will continue to trust our Heavenly Father for His blessings upon the Homes' vital ministry to older adults.

W.A. Poole

NORTH CAROLINA BAPTIST HOSPITAL, INC.

During the past year, the hospital has expended more than $3 million on technological equipment, including the installation of an 18 MEV linear accelerator for the improved treatment of patients with certain type of cancer. A new cardiac-catherterization laboratory increases the capability of identifying and locating heart problems.

The hospital's ministry has been aided by completion and occupation of the Focus Building. Other hospital space is undergoing renovation for more effective use.

Several staff members from the Medical Center have participated in short-term mission assignments during the past year. Many of these were in overseas areas.

The Department of Pastoral Care continues to provide a pastoral ministry to hospital patients and their families, individual and group counseling in crisis situations, clinical pastoral education in both crisis ministry and pastoral counseling.

During the year, the hospital's charter revision has been brought to successful and satisfactory conclusion.

In 1980, our churches contributed $457,459.56 to the hospital through the Cooperative Program, and $353,398 through the North Carolina Missions Offering and designated gifts.

ORDAINING

The Ordaining Council met with Clarence Richardson on May 28, 1981, at the Brunswick Baptist Associational office, Shallotte, N.C., to examine Mr. Richardson for the gospel ministry. Longwood Baptist Church had requested the examination.

Upon satisfactory examination of the candidate in the doctrines of our faith, the council recommended that Longwood Baptist Church proceed with the ordination. Clarence Richardson was ordained and is now serving as pastor of Oak Grove Baptist Church, Brunswick Baptist Association.

RESOLUTIONS

We, the people of the Brunswick Baptist Association in session on October 22-23, 1981, submit the following resolutions:

We commend the pastor and members of Supply Baptist Church for the generous manner and spirit with which they allowed us the liberal use of their facilities for the many activities of the Brunswick Baptist Association.

We commend the energetic and effective work of Hartwell E. Condrey and V.C. Potter, Jr., in the recent defeat of the wine and beer referdum in Brunswick County. After many disheartening setbacks in this area, it was most gratifitying to see the enemy routed on this occassion.

We commend the people of both Town Creek and New Life Baptist Churches for their spirit and generous hospitality on this the occasion of our Eighty-Third Annual Session.

We commend the Jennifer Brown Emergency Care Home Committee and its Chairman, John W. Elder, Jr., for the excellent job accomplished in the past year. We have come infinitily farther than we dared hope; again God has done far above all that we could ask or think possible.

We commend E.J. Prevatte and the other members of the Constitution Committee for their fine work and arduous effort, in the rewriting of our associational constitution.

Finally, we as a committee would like to Praise God for the fine spirit of cooperation and love which has pervaded all the sessions of this annual meeting.

William B. Greer

SENIOR CITIZEN

Praise the Lord for the slow but sure progress that the Senior Citizens work in the Brunswick Baptist Association is showing.

We now have coordinators in five of our churches to aid the Senior Citizens in whatever they wish to do for and with themselves.

We indeed had a great year---traveling with the Senior Citizens from Manteo to Pembroke, Kennanville, Myrtle Beach, Nashville, Tenn., and some of them even went to New York and Canada. The fun and fellowship

was just great. The sharing with one another, the fine singing that went on, we will always cherish.

It seems that they enjoy the traveling more than anything. We learned about our heritage at the Lost Coloney, Liberty Cart, Strike at the Wind, Okracoke Island. We shared these precious moments of our history along the way.

In February, Shallotte FBC, Missions Department, entertained the Senior Citizens with a Sweet Heart Banquet. Then in the early fall, "Old Timers" Day was held in their honor. Also, Shell Point Baptist Church honored their Senior Citizens with a luncheon.

Let us challenge the churches of the Brunswick Baptist Association to pray that God will lend each church to have a strong Senior Citizen work. Let's have all of our churches reporting Senior Citizens work under way.

STEWARDSHIP

Cooperative Program:

A dream is only a dream until someone makes it come true. Bold Mission Thrust began as a dream for Southern Baptist in 1976-77. In order for Bold Missions Thrust to succeed, many more people must adopt this commitment for the dream to become a reality.

Two important questions must be asked and answered:

1. Do we still have the will and commitment to persist in achieving what we have voted as Bold Mission Thrust goals?
2. Can we learn to live with our commitments?

Involved in this demonstration are several realities to be considered:

1. Churches need to be faithful in fulfilling their goals of mission giving and church growth.
2. Some churches may need to discover "special roles" in the bold endeavors that they have adopted.
3. Church leaders must lead the people to adjust lifestyles and values in order to achieve Bold Mission Thrust.
4. We need a strong zeal and spirit of cooperation to attain the goal of our 1982 associational missions program.
5. We need a strong commitment in order to reach the goal for our 1982 North Carolina Cooperative Program budget.
6. We need a greater concern for people in order to bring about a new "turn around" in attitudes and records in church growth and church member development.

Commitment to Bold Mission Thrust calls for specific action on our part as individuals and churches. Every church is challenged to:

1. Give through the Cooperative Program for Bold Mission Thrust support.
2. Increase the percentage of its total budget income through the Cooperative Program.
3. Increase the percentage of total budget income for the support of Associational Missions.

Let every church of the Brunswick Baptist Association demonstrate its genuine concern for and commitment to world mission support through bold living and bold giving.

Stewardship Development:

Developing Christian stewards is imperative in light of biblical teaching and the Bold Mission Thrust objective to give every person in the world an opportunity to hear and to respond to the gospel of Jesus Christ by the year 2000. This calls for faithful stewardship and growth in Christian giving.

The Stewardship Commission of the Southern Baptist Convention provides leadership, practical aids, and biblically-based materials for assisting churches in developing individual Christian stewards.

Providing year-round stewardship development activities will help members grow spiritually. Tracts, activity guides, study course books, visual aids, budget programs, and money management materials are available to help churches in planning and conducting these activities.

We Recommend:

1.That every church encourage its members to grow in the grace of giving.

2. That every church accept the responsibility of teaching its members the principles of biblical stewardship.

3. That every church seek to increase its budget income during the year by at least 15 percent.

4. That every church develop a unified budget.

5. That every church elect and train a stewardship committee to assist the church in developing Christian stewards.

6. That the association assist the churches in accomplishing their task of developing Christian stewards.

Endowment and Capital Giving Promotion:

A. Wills, Trusts, and Estate Planning-

The work of your North Carolina Baptist Foundation continues to serve the churches and their agencies by promoting eternal stewardship responsibilities and by acting as managers of funds that benefit every facet of the Kingdom.

B. Church Fund Raising-

The need to build buildings in an expanding local ministry causes the congregation to be faced with the securing of funds. Many congregations are torn between local ministry needs and world mission needs. The Stewardship Commission offers assistance to the congregation by one - Building for today's challenge as a "do-it-yourself" program; two - Using "Together We Build" a consultant-led program with a tailor-made emphasis designed for each church. This assistance is designed to help congregations raise as much capital as possible and to reduce long-term financing. To assist in capital funding we recommend:

1. That every church anticipating a building program, contact the Stewardship Commission for assistance in financial planning.

2. That every church raise as much money as possible to reduce long-term financing.

SUNDAY SCHOOL

This year again, the Brunswick Baptist Association sent several of the associational leaders to Ridgecrest for Key Leadership Conference. I was fortunate in being one of this fine group.

While there, we attended each conference in an attempt to better enable me to lead in the association, but we also made arrangements for our State Sunday School Leadership to come to our county for a conference. Thanks to Mr. Robert Stewart and members of our county associational Sunday School leadership, this trip was made.

In the midst of this the greatest year of Baptist history, I felt the need to resign as the associational Sunday School Director, being the pastor of a full time, new, growing church, a full time student in the evening program of Southeastern Community College. There was not time to devote to such a great thrilling and challenging responsibility in our Lord's Kingdom work.

My successor has graciously caught the "mantle" and will carry on the great work of the "assist" team in this association.

Be much in prayer for him as he "prepares" to be "prepared" to help you in the coming years.

Hilton Willetts, Director

VACATION BIBLE SCHOOL

Vacation Bible School is an unparalleled opportunity. It affords the church an occasion to minister to the home and the child. It provides a training ground for workers. It uncovers new talent and leadership. It discovers the lost and unreached and unloved. It gives the Christian an outlet for his love and concern. The time your church spends in V.B.S. is probably the most important week in her life in any given year.

I am concerned that all of our churches provide this special summer ministry. Some cannot. Others do not. But all should. To fail to do so is to fail the opportunity to touch the life of a child with the love of Jesus Christ. The Sunday School Table in the Book of Associational Minutes contains the V.B.S. figures. Check to see if your church is included. And determine to insure that they will be included in the future. And that they will continue to be included. The children of our communities await our response and participation.

Allow me to suggest the steps that can be taken now to prepare for your school next year:

1. Elect a V.B.S. Director. The ideal time to elect this person is when your church elects other officers and teachers.
2. Order sample literature kits. A special order form was included in the **1981 V.B.S. Plan Book.** Dig it out and use it!
3. Plan to attend the Associational Clinics. See the 1981 - 1982 Calendar of Activities for dates.
4. Keep the reports coming. Nine churches made no report for 1980. At this writing, 19 churches have made no report for 1981.

WOMAN'S MISSIONARY UNION

As our church year began, WMU members were invited, in early October, to Winter Park church in Wilmington to hear our National President, Mrs.

Christine Gregory, speak.

A few nights later, our Workshop was held at Supply. Seventy-two women, representing nineteen churches, came for training. The results of that training have been exhibited throughout the year in the quality of work done.

Several Council members had a delightful experience on October 27 as Lorene Buchanan, Gretchen Hegler and the Director went to Beulah Church and helped in the revitalization of the Baptist Women organization there.

In November our Acteens Council scheduled a "happening" called "Getting in the Know" at Town Creek. The enthusiasm of the Acteens and their co-directors was so high that it caused all of us to want to get in on the event, so Baptist Women and Baptist Young Women arranged to have a book study there on the same evening. Three of the required books were taught and a large number of awards earned. The affair was so successful that it will probably be repeated. Our Acteens Co-Director, Jackie Smith, was asked to help with other such "happenings" in several areas of the State.

Just before Thanksgiving, all our organizations joined in bringing gifts of hosiery for Christmas gifts to the inmates of Women's Prison in Raleigh.

In February, two Council members, Muriel Lennon and Mildred Hewett, attended a Personal Witnessing Clinic at Caraway Conference Center. They will later lead such a clinic in our Association.

February 20 was the occasion for the Missions Dinner for Pastors and wives and Directors and husbands. Held at Antioch, this was quite a special event. Our State Executive Secretary, Nancy Curtis, was the featured speaker.

The next few weeks were taken up with Home Mission study classes and Week of Prayer for Home Missions. The Associational Director had the privilege of teaching *Mission Possible,* adult book of the graded series, at Mill Creek, Leland and Boiling Spring Lakes FBC.

In March our Baptist Women Director, Lorene Buchanan, and several other women from the association, attended the annual State Meeting and also a Baptist Women Seminar.

On the afternoon of May 16 one of the highlights of the year took place as Baptist Women and Baptist Young Women sponsored a Missions Fair at Supply. Nine churches took part, setting up eleven booths representing countries where Southern Baptists have missions work. Ninety-three visitors signed the register and "took the tour", learning about customs and missions as they sampled national foods, listened to music, and viewed slides and posters showing Southern Baptist missionaries at work. Muriel Lennon, Patsy Elliott and Lorene Buchanan coordinated all plans and activities.

On the last Saturday in May the Acteens held their Annual Banquet at Supply. As usual, the Acteens Co-Directors, Jackie and Orbie Smith, had done an outstanding job in planning and putting on the banquet.

In late June the WMU Director enjoyed teaching *The History of WMU* at Goshen. The Baptist Women there had as their guests several members of Hoopers Chapel, a nearby black church, as well as a number of women from Southside Baptist in Wilmington. It was a special experience as the three groups shared in fellowship.

In July, WMU joined with all other church organizations in the Key Leadership Conferences. Attendance was low, but the meetings helped renew our enthusiasm for the missions task. Mrs. Patsy Elliott, Assistant

Baptist Young Women Director, led the conference in a very fine way.

July also found the newly chosen WMU Council members preparing themselves to lead in 1981-82.

August brought another highlight - G.A. Day Camp at Town Creek on the 29th. This was planned by Emma Young and Jessie Best, Co-Directors of G.A. More than 130 girls, leaders, and visitors were in attendance. They enjoyed mission study, crafts, music, games and food. Mr. Waisner and "Luke" seemed to enjoy being there in the bevy of girls, as did Rev. Vic Potter, Camp Pastor.

Each year we feel that Annual Meeting is the best every and the 79th Session was no exception. The meeting was held at Shallotte First and was well attended. Dr. Timothy Pennell from Bowman Gray School of Medicine and Baptist Hospital was guest speaker. Dr. Pennell was introduced by his friend, E.J. Prevatte of our Association, who is a trustee at the Hospital and serves on the Medical Center Board.

All quarterly meetings of the WMU Council were held as planned during the year and were well attended. By the end of the year we attained Distinguished rating on the Achievement Guide. It is the highest award made by WMU of the Southern Baptist Convention. Several Council members have attained individual recognition with WMU and Associational Leadership Diplomas.

The Mission Action Chairman and Director were happy to work out an arrangement with the Boiling Spring Homemakers Club for a handcrafts program for the children in the Jennifer Brown Emergency Care Home.

Vernice Hughes, Mission Friends Director, faced many difficulties during the year with several churches reluctant to start a missions organization for their children birth through five.

Missions awareness is quite evident in the churches that have an active WMU. However, there are now at least fourteen of our churches without any age level of WMU. A plan, called Starteam, has been devised to encourage pastors and church leaders to start WMU in churches where there is none. I, as Director have spent much of my time this past year in efforts to began work in churches where there is no program. I have worked in the past several weeks with Mrs. Lynn Talley of Barnesville who is the Starteam member assigned to our association to assist in this effort. We definitely need the cooperation and prayers of the pastors and men and women of the association as we undertake this task. Everyone of you can help. The task is not an easy one. We often meet with opposition and face many barriers. But we believe it is a task that is ordained of God and that every church needs WMU to help in carrying out its marching orders issued by Jesus himself.

CALVARY BAPTIST CHURCH — 1961

On the 10th of February, 1961, a group of nineteen concerned individuals met in the home of Mr. and Mrs. C.S. Hewett to discuss the organization of a church. Business meetings were continued in various homes.

Sunday School was held at the Shallottee American Legion Hut from March 5 through June 4, 1961. Then, until April 8, 1962, our services were continued in a dwelling owned by Mr. Starling Hewett. We were organized as Shallotte Mission, and at its annual session of 1961, were taken under the watchcare of the Brunswick Baptist Association.

At a meeting on December 13, 1961, with Mark Owens and Mrs. Margaret McRacken as guests, Calvary Baptist Church was formally organized by the granting of its charter and the opening of the door of the church for the acceptance of members. It was voted by the church to leave the charter open until June of 1962. By this date church membership numbered 35 persons. The church constitution, wrote by Mr. Wilbur Holden, Mrs. Cora Frink, and Mrs. Ethel Evans, was voted upon by the members and was accepted.

Mrs. Margaret McRacken, Associational Missionary, Mark Owen, Associational Moderator, and E.J. Prevatte, Southport Baptist Church, were most helpful to us in these early days; along with Mr. Palmer Bellamy who drew up our building plans and contributed his time and materials.

A site was purchased on June 21, 1961, by the Trustees, Mr. Starling Hewett, Mr. W.D. Evans, and Mr. J.D. Lewis. The Naming Committee, Mrs. Ida Holden, Mrs. Bessie Hewett and Mrs. Cora Frink, presented to the body the name, "Calvary Baptist Church."

Ground breaking ceremonies were held on the 15th of October, 1961. The first service was observed in the new sanctuary on the following 15th of April. Mark Owens preached the dedicatory service. Also on the program was Mrs. Margaret McRacken and Joseph L. Lassiter, our first pastor. Other firsts were deacons: Mr. Woodrow Russ, Mr. C.S. Hewett, and Mr. Wilbur Holden. The Clerk was Mrs. Ottice Russ and the treasurer was Mrs. Ethel Evans.

List of Pastors are:

Joseph L. Lassiter 1962-64
G. Scott Turner 1964-66
Mark Owens..... 1966-72
Jim D. Jones 1972-75
William B. Greer.....1976-

Charter members are:

Mr. and Mrs. Woodrow Russ
Mr. and Mrs. C.S. Hewett
Mr. and Mrs. S.H. Hewett
Mr. and Mrs. C.L. Holden

At present, October 30, 1981, seven of our charter members have gone home to be with the Lord. It is our prayer that Calvary Baptist Church will forever be completely His and that God will evermore direct our every move.

FARMER'S CHAPEL BAPTIST CHURCH - 1908

About three and one half miles from the present site of Farmer's Chapel Baptist church was located the first Baptist Church to be established in the Maco (Farmer's Turnout) Community, Little Zora. Organized ca. 1888 with Daniel P. Robins as pastor, a portion of the membership left the church about 1907-08. Farmer's Chapel Baptist Church was constitutioned in 1908 by this group and was received into the Brunswick Baptist Association the same year. The church's delegates present at the session were B. Whit Cumby (Cumbee) and George T. Hickman, pastor.

The church building, a one-room frame structure, was constructed on land obtained from Hugh McRae, Sr.. This site located on the East side of N.C. 87, a fourth of a mile from the old ACL railroad crossing at Maco, was used until 1930. The present building, just across the highway, is a frame, T-shaped structure with plain-glass windows, three Sunday School rooms, and a seating capacity of 225: dedicated in 1930, remodeled in 1930 and 1938. Prior to 1930, the building had been used as a school house.

In 1962, the educational building was added and shingles were placed on the outside of the church. Then, in 1968, HAC was installed. The heirs of Dr. W.C. Mebane donated lots, adjoining the church property, which are used for the church cemetery. The property today totals three and a fourth acres.

Farmer's Chapel Baptist Church has reported a Sunday School since the year of constitution. Church membership in 1908, 16; 1938, 49; and in 1981, 51.

From 1912-25, the church was not a member of the Brunswick Baptist Association. At the 1926 annual session of the association held at Lebanon Baptist Church, the church asked to be restated to membership in the association. The motion was granted to reinstate Farmer's Chapel Baptist Church and delegates were enrolled as follows: Martin B. Skipper, G.B. Skipper, Ramon W. Potter, and Frank P. Potter, pastor.

REPORTS

ANNUITY BOARD

"Despite the economic problems in the nation, 1981 was a year of solid growth and expanding achievements with record numbers in assets, benefits paid, and member accounts," said Darold H. Morgan, president of the Annuity Board of the Southern Baptist Convention.

Key statistical highlights in 1981 include:

1. A 10% 13th check was sent to annuitants who retired before 1980.
2. A total of $24,298,521 was paid in retirement benefits.
3. Total assets administered by the board as of December 31, 1981 were $896,535,999.
4. Relief funds from the Cooperative Program totaled $357,200.
5. Membership records indicated that 19,299 persons were enrolled in Plan A; 58,930 in Plan B; and 4,194 in Plan C.
6. Premium income reached $72,854,632.

As of March 31, 1982, 3,288 staff members of 2,316 churches and associations are participating in the Southern Baptist Retirement Program.

The church's response to upgrade the staff member's retirement program continues to be encouraging.

In the Brunswick Baptist Association 19 churches and 22 staff members are participating in the retirement program. Of this number 9 are still participating on the minimum of $33.34 per month. There is a great need to upgrade this to 10% of total salary for staff members.

BROTHERHOOD

This has been a great year for our Brotherhood work in the Brunswick Baptist Association. Three of our Baptist Churches have requested help — Beulah in November — Lebanon in February — Soldier Bay in October. Each of the churches had a group of men present as we talked about their part in the total church program and what the Brotherhood work can contribute to the program.

Our mission involvement for the year was repairs made to the home of the widow of W.R. Moorehead, one of our former Associational Missionaries.

I would like to thank each person that gave of their time and money to make life a little more comfortable for one who was in need. It's good to know that when the need arises, God's people care and are willing to help in this area of Christian living.

Thanks go out to the Baptist men at Shell Point Baptist Church for an outstanding breakfast on April 17th World Missions Prayer Breakfast. There were four churches, with eight men present, at our Key Leadership Conference.

On September 10, we conducted a training conference at the Bolivia Baptist Church. Brother Hal Langley, Wilmington Baptist Association, was present to serve as leader. Our thanks to the good ladies there for the wonderful refreshments.

Let each thank God for that which has been accomplished and pray that He will bless us even more in this coming year.

Respectfully submitted, J. Tyler Potter, Jr.

CHRISTIAN ACTION LEAGUE

I. PRESIDENTIAL COMMISSION ON DRUNK DRIVING: The League was involved in the initial request to President Ronald Reagan concerning the naming of a Presidential Commission to study ways to reduce the needless slaughter of 26,000 people annually upon our highways due to drinking drivers.

II. GOVERNOR'S TASK FORCE ON DRUNKEN DRIVERS: When the idea of a Presidential Commission on Drunk Drivers became certain, the League called upon Governor James B. Hunt, Jr. to name a N.C. Task Force on Drunken Drivers in order to study this growing problem from our state's perspective and explore ways to remove that irresponsible element from our highways who insist on drinking and driving.

The Task Force will submit its recommendations to the governor. These will be compiled into the Governor's Crime Commission's legislative program for the 1983 session of the General Assembly.

III. STATE-WIDE CONFERENCE ON OBSCENITY: This historic event was held in Greensboro on March 30, 1982, when foremost national authorities were brought to our state to explore ways that we can rid North Carolina of the reputation of being the nation's "smut" capital.

The conference attracted some 500 participants and about 100 were law enforcement personnel.

IV. SUCCESSFUL REFERENDUMS: Pro-liquor-beer-wine forces were defeated in some 13 campaigns across the state during the past year.

The Christian Action League is also grateful for prayer and financial support of the churches of the Brunswick Baptist Association. Through the North Carolina Mission Offering, the League will receive $22,000 this year which is 19% of our budget. The remainder of our operating expense comes from churches that have us in their budgets or through personal contributions.

CHRISTIAN HIGHER EDUCATION

CALLING THE ROLL:

North Carolina Baptists have founded and continue to support seven colleges and universities. They are: Mars Hill, in the mountains 18 miles North of Asheville; Gardner-Webb, in the town of Boiling Springs, nine miles from Shelby; Wingate, 30 miles East of Charlotte; Wake Forest, in the centrally located city of Winston-Salem; Meredith, in the capital city of Raleigh; Campbell, 30 miles South of Raleigh in the town of Buies Creek; and Chowan, in the Northeast town of Murfreesboro.

LOOKING INSIDE:

During the past school year, there were 15,798 students and 1,768 faculty and staff members comprising the human side of the seven schools. Approximately 9,700 of the students received financial aid. The seven colleges have practiced the ministry of Christian education for a cumulative total of 757 years. These colleges are proud of their Baptist heritage.

SERVING THE CHURCHES:

The business of Baptist colleges is the education of young people. Often there are Baptist youth who would prefer a Baptist college, but who fail to apply out of the belief that they cannot afford the cost. It is often the case that a person can attend a Baptist school as inexpensively—sometimes more inexpensively, depending upon the aid available—as he or she can attend a state institution.

GRATITUDE:

For students, for generous support through the Cooperative Program and for a meaningful place in the great mission to the world, your Baptist colleges are grateful.

CHRISTIAN LIFE and PUBLIC AFFAIRS

During the current church year the North Carolina Christian Life Commission has focused on legislation that was considered by the North Carolina General Assembly.

Legislation passed included:

H 1298 — To study the impact of beverage container legislation (the bottle bill) which would require all bottle beverages to be put in returnable containers.

H 1315 — To study the role of North Carolina regarding migrant farm workers.

S 724 — To study the necessity, equity, and efficiency of the Coastal Area Management Act.

Another legislative study not defeated is one to study the feasibility of allowing privately owned liquor stores in the state.

Legislation defeated included:

H 723 — To study the teaching in North Carolina of evolution and of scientific creationism.

H 1264 — To study raising the age that a person can purchase beer from 18 to 21 years of age.

Baptists need to educate themselves on all issues being considered during legislative sessions both in Washington and in Raleigh. Also, they need to contact those representing them and to inform them of their viewpoint.

Christian Life and Public Affairs in Brunswick County needs to be expanded so that each church has a contact person that information concerning legislation can be sent to while it is current.

CHRISTIAN LITERATURE

"Workers change but the work goes on." This is the simple message from the *Biblical Recorder* this year.

J. Marse Grant, editor for nearly 23 years, retired September 13, his 62nd birthday. Succeeding him will be R.G. (Gene) Puckett who has served as editor of two other Baptist state papers and associate editor of a third one.

He came to the *Recorder* from the position of executive director of Americans United for the Separation of Church and State where he was also publisher of the magazine, *Church and State*.

Editorials and letters have praised his ability. In addition to his 20 years of editorial work on Baptist papers, he has been pastor of churches in Kentucky, Ohio and Florida. He was interim pastor of the largest Southern Baptist Church in Maryland, the Middle River Church near Baltimore. He will carry on the

tradition of our Baptist state paper as it looks forward to its 150th anniversary next January 17.

It has not been an easy year for the *Biblical Recorder,* primarily because mailing costs increased 160 per cent, from $2,500 a week to $6,500 a week. Another increase may come this fall. The *Recorder* has been through hard times before and will make it this time, thanks to the continuing support of North Carolina Baptists.

Please remember the new *Recorder* editor and his family. As his schedule permits, he will be speaking in churches and in associational meetings. He wants to know more about our state and these appearances will help him. Remember him in your prayers as he undertakes this difficult and demanding job.

CHURCH MEDIA-LIBRARY CENTER

This was a good year in the work. We visited Goshen Baptist Church in order to explain Church Media-Library work as the first step toward their establishment of a unit.

In January the study course on the work, "How to Administer and Promote a Church Media-Library," was taught.

The Church Media-Library State Convention held in Raleigh was attended by six of the ladies from our churches. After the Pastors and Wives Banquet held in July at Supply Baptist Church, it was decided to change the date to the month of April.

The Shell Point Baptist Church asked for information on library work and Lebanon Baptist Church states that they are ready to organize.

CHURCH TRAINING

The well attended Associational Church Training "M" Night, held at Mount Olive Baptist Church, was the springboard for a great year in Church Training. "M" Night awards went to Shallotte FBC, receiving the banner awarded for the largest number of Church Training enrollment present; and to Soldier Bay Baptist Church, receiving the banner awarded for the highest percentage of Church Training enrollment present. For the first time in Brunswick Baptist Association history there was an "M" Night Queen contest. Miss Susan Muckenfuss (Soldier Bay Baptist Church) was crowned as the first Associational "M" Night Queen.

The past year in Church Training has been busy, successful, and rewarding. We attended two Church Training conferences at Caraway Conference in Ashboro; a New Church Member Follow-up Conference, and a Bold Growth in Discipleship Enabler Conference. We also attended the state Key Leadership Conference at Ridgecrest during May.

Because of these training opportunities, we were able to lead in two associational Key Leadership Conferences, two New Member Follow-up Conferences at Antioch Baptist Church, and a Bold Growth in Discipleship Conference at Mount Olive Baptist Church. We answered five requests for information concerning Church Training and were privileged to present the program in two of the churches.

This year we have seen Community Chapel Baptist Church begin a program

and a renewed interest appearing in Church Training within the association.

Let me encourage both pastor and church to prayerfully consider our Lord's commission to us to evangelize and to train disciples (Matthew 28:19-20), and the need of Church Training in your church. The associational Church Training Staff is available to help churches in any way we possibly can.

Bruce R. Cole, Associational Church Training Director

CREDENTIALS

The Credentials Committee of the Brunswick Baptist Association met at the associational office on September 16, 1982. We bring this report for information only.

The Fellowship Baptist Church was received under the watchcare of the association at the annual meeting of October last. The church met all the requirements of the association for membership into its ranks. However, due to unforeseen circumstances and to our regret have disbanded, and requests that the name Fellowship Baptist Church be removed from the roll of churches in the Brunswick Baptist Association.

This action was taken in love and unity by the congregation.

Tom L. Ballard, Chairman

DIRECTOR OF MISSIONS

The Bible in I Samuel asks a very important question: "What have I done?" What have I done to improve life spiritually? What have I done to advance the Kingdom of God? What have I done to share God's word with the lost multitudes? What have I done to help my church in its outreach? What have I done as an associational leader?

We have come together to evaluate our progress for the year 1981-82. As we hear the many reports given, our hearts rejoice for what has been accomplished. At the same time, we shall realize that our task is unfinished. As long as there is one person in need of a Saviour, our task is unfinished.

One thing that has been of concern to me is the poor attendance at many of the church and associational meetings. Until God's people place more importance upon Christianity, the community around us will never improve and the lost, blind, stumbling, wondering souls shall continue their march down the road to eternal damnation.

I am grateful to report that we have not had the number of vacant pulpits this year that we did last year. Only four new pastors have been called to our association this year; Reverend Thomas H. Lambert to Mill Creek Baptist Church, Reverend Dan E. Bennett to Old Shallotte Baptist Church, Reverend S.L. Doty, Jr. to Woodburn FBC, and Reverend Giles W. Butler to Community Chapel Baptist Church. However, we have three churches without pastors at the present time.

This year, we have dedicated a new Educational Building at Peace Memorial and Community Chapel Baptist Churches. Oak Island FBC has a beautiful Sanctuary dried in. Calvary Baptist Church has constructed a nice large Educational Building. Soldier Bay Baptist Church is nearing completion of their Educational Building. Elah Baptist Church has added a porch to the front of their Sanctuary. Leland Baptist Church has added a balcony to their Sanctuary and purchased a new organ. Boone's Neck Baptist Church has new carpet and

pews in their Sanctuary. Other churches have made improvements too numerous to mention.

During these 14 years, all of our 39 churches have built a new Sanctuary, Educational Building or added to their facilities. We thank God for every nail and board that has been added. However, we regret the disbandment of the Fellowship Baptist Church that was under the watchcare of the association.

Three of the highlights during the year were our Simultaneous Revivals, the final payment on the Jennifer Brown Home and the Key Leadership Conferences. We thank you for making this possible. Much more has been accomplished by the organizations of the association, which you shall hear from the individual directors reports.

We are aware of the fact that the past will not suffice for the future. The Apostle Paul has reminded us of this in Philippians 3:13. Our denomination has set a goal to enlist and enroll five mission people for Christ and for church membership by the year 1985. I challenge every church in our association to dedicate our lives anew to our Lord and focus our attention upon the lost multitudes. If we Christians fail to win those who are lost in our association, they may never be won to the Lord.

Many of our churches have reported an increase in Sunday School attendance for the third quarter for which we are pleased to hear.

Your Director of Missions has had another full year, attending conferences, seminars, and various committee meetings both in the association and state level. Making preparations for the new associational year is the most demanding time of the year. I thank God for His abounding presence and the prayers of our people during this past associational year.

Arthur R. Waisner, Director of Missions

EVANGELISM

Evangelism among the churches of the Brunswick Baptist Association is imperative if we are to be obedient to the Great Commission of our Lord.

On October 29, 1982, Richard Everett, Director of the Department of Personal Evangelism in Raleigh, taught a course for our pastors entitled, "The Lay Evangelism School."

During March of 1982, 27 of our churches participated in our state's Joint Evangelism Crusade, "Here's Hope." The following statistics were recorded: 43 professions of faith in Christ; 25 additions to our churches by letter; and with 175 church members re-committing their lives to Christ.

During the coming church year, our state evangelism team will blanket North Carolina with three basic programs designed to strengthen our witness in the local church. The three programs are: Prayer Seminars for Spiritual Awakening, Partnership Revival Meetings and Growing Evangelistic Churches. A spring date has been set in the association for the seminar — Growing Evangelistic Churches.

In I Corinthians 3:7-9, we read: The one who plants and the one who waters really do not matter. It is God who matter, for he makes the plants grow. There is no difference between the man who plants and the man who waters; God will reward each one according to the work he has done. For we are partners working together for God.

Vic C. Potter, Jr., Chairman

GENERAL BOARD

The General Board serves the Baptist State Convention as a "general supervisor" of the institutions and agencies, and directs the work of the General Board staff and programs. The Board as organized does much of its work through the Executive Committee and the 10 program sub-committees:

Church Programs, Missions, Evangelism, Stewardship, Business, Christian Life and Public Affairs, Christian Social Services, Christian Higher Education, Youth and Campus Ministries and Communications.

The Executive Committee is the convention's personnel, budget, and plans and policies committee.

During the year the General Board functioned for the convention on the following program features and decisions:

1. The "Here's Hope Crusade" was the program highlight of the year. The joint-evangelism campaign was sponsored by the Baptist State Convention and the General Baptist State Convention and involved some 2,500 churches.

2. The New Baptist Building — The new four story 53,000 square foot office building was approved by the 1981 messengers and is now under construction and scheduled for occupancy before January 1, 1983.

3. Fruitland Baptist Bible Institute now has a new dormitory and dining hall. Both units have been completed, dedicated, and opened for use.

4. North Carolina Baptist Assembly at Caswell has experienced its best year. Attendance during the summer has been at maximum capacity with attendance at the summer weeks exceeding 6,317. Plans are now being made to begin the second stage of a property improvement plan. North Carolina Baptist Men have agreed to work with the Assemblies Committees in building remodeling and new building constructions.

5. Caraway Conference Center — The Executive Committee authorized the development of plans for an addition to the center. The plan is to authorize construction of the new addition as funds are available.

6. The Cooperative Program — Gifts of the churches have been encouraging in spite of the economic recession. At the end of the first three quarters of the year gifts were ahead of the previous year by 7%.

7. Ministers' Care Team — The 1982 convention approved the recommendation of a Commission on the Ministry. As a follow-through a Minister Care Team has been created and is now in early stages of its work led by Burrel Lucas of the Church Program Division.

8. Sunday School Enlargement — "Reach People" is the convention's major Bold Mission emphasis for 1982-83. The planned follow up to the Joint Evangelism Crusade is a 1982-83 Sunday School Enlargement Campaign in each association.

9. Video Tape Service — North Carolina Baptists participate in the Southern Baptist Video Tape Service and as a result have added 52 video program tapes to the convention's library. The number of video tapes available for use by the churches is 204.

10. Board and staff members have worked with the *Biblical Recorder* directors and the new editor, R. Gene Puckett, in meeting the paper's financial crisis resulting from greatly increased postage rates. The staff will be housed in the new Baptist building.

11. Preparations have been made for the 1983 Seminar on the Ministry, an in depth Bible study is set for March 21-25 at the Caraway Conference Center.

12. Mountain State 200 — This has been the second year of the five year partnership. The partnership goal is to help the West Virginia Baptist State Convention start 100 new churches.

John W. Elder, Jr., General Board Member

I offer my services in helping to prepare these if you will contact me.

HOME MISSIONS - VOLUNTEER & INFORMATION CENTER, INC.

It is believed that a Home Missions Unit would benefit numerous families in Brunswick County; providing clothes, small appliances, blankets, food, etc., aiding "burn outs" and other dire needs of those of us that have tragic misfortunes in family life.

The Volunteer and Information Center (VIC), a United Way Agency, served over 300 families with clothes during 1979-81. Of these, 50 were for "burn outs" meaning from 4 to 12 in the family.

It is believed with the state of the economy, that the number of families with needs will more than double.

A building to house a Home Missions Unit has been obtained; Bolivia being centrally located for same.

Support from the communities is needed in the form of volunteer support, financial support and a desire to help our fellowman.

Proposal:

Building – Bolivia

Equipment – Donations from communities

Volunteers – Through-out the county

Operations – Volunteer & Information Center

For Senior Aid to work 4 hours daily, 5 days a week for the first 6 months; thereafter, 2 Senior Aids working 4 hours daily with Mission being open 8 hours daily.

Volunteers to be trained by VIC

All referrals to come through VIC office, church, DDS, Mental Health and private referrals taken under consideration with interviews and screening by the VIC office located in Room 110, County Courthouse, P.O. Box 71, Bolivia, North Carolina.

JENNIFER BROWN EMERGENCY CARE HOME

The move last January of John and Mary Small was a sad one for us. They opened up Emergency Care in Brunswick County in a splendid manner. But when God leads, we are to follow. So the Smalls went to the High Point Emergency Care Home.

Since then God has taught us patience in waiting for His people to be chosen. Just as things seem to be right, a door would close in the discussion. We have continued to pray that the right ones would be sent as houseparents to reopen the Brown Home. God has led the Children's Homes to the Goodman family who anticipate opening the facility on December 1.

It has been great seeing how our churches have continued financial support during these months. You will remember we have committed ourselves to providing half of the total costs of the Brown Home annually, or about $20,000 a year. With God's leading and our following, we can easily accomplish this task.

Please consider suggesting to your church a monthly amount equal to your Sunday School average attendance. This is a fair and equitable way of allowing our churches to all have a continuing part in the work of the Jennifer Brown Emergency Care Home. As was announced in January, we are debt free and able to really project good work in the future.

I want to thank you for allowing Mrs. Lucy Lumsden and I to serve on this committee. As we rotate off, we offer our prayers and continued support to the association in the work of our Brown Home.

MUSIC

This year was a trying one for your Music Director and as a result the music work in the association suffered. Hopefully this next year will be one in which we can recoup some of the loss.

We look forward once again to the challenge of the Key Leadership Conference at Ridgecrest. The talent is available within our association, and if we are willing to take the time, we can do some significant things.

Lets firmly resolve to do for God the best we can, in a cooperative and inspirational manner.

William B. Greer, Director

NORTH CAROLINA BAPTIST ASSEMBLY

The North Carolina Baptist Assembly hosted approximately 6,317 persons during the summer of 1982. The conferences focused on various aspects of Christian life including evangelism, music training, and world missions.

As in the last five years, the Assembly has continued to increase its year-round services. Spring-fall visitors to the Assembly enjoy recreational and spiritual retreats for pastors, deacons, choirs, associations, and youth groups.

During 1982, the Assembly adopted a revised staffing plan which combined the General Services Coordinator position with the Public Relations Coordinator to create the new position of Public Services Coordinator. Also, during the spring of 1982, the Executive Committee authorized the North Carolina Baptist Assembly to conduct a capital fund raising program.

In February of 1982, the Assembly adopted a new statement of philosophy around which we have built a new, better sense of service:

"The North Carolina Baptist Assembly at Fort Caswell is a statewide retreat and conference center provided as a ministry of the Baptist State Convention of North Carolina. The Assembly's purpose is to provide the facilities for the lodging, dining, classroom and recreational needs of the guests with the challenge to blend the historical and environmental appeal of Fort Caswell with cheerful Christian service to create an environment that fastens spiritual enrichment. Through fulfilling this purpose, we express our ministry: 'Labor in service of men for the glory of God.' "

COASTAL AREA FAMILY SERVICES

The Coastal Area Family Services Center was established in April of 1981, and provides all services of our statewide institution to: New Hanover, Pender, Onslow, Cartaret, Pamlico and Brunswick Counties. Social work, counsel and referral are offered by Burnie Collins, Area Director, from his Jacksonville office in the New River Baptist Association office building.

Emergency care can now be provided within the Coastal Area Family Services Center at the Jennifer Brown Home, Supply, North Carolina.

The Baptist Children's Homes has affected the lives of more than 5,000 people during the past 12 months. With more than a dozen programs of care and services being offered from 25 locations across the state.

The quality of life for our children has been enhanced this year by the addition of a therapeutic team, Mr. and Mrs. Jim Martin. They work out of Thomasville.

A new 16mm, 30 minute film was released in July called, "You Needed Me," and is available for use in our churches. Contact the Children's Homes to schedule this inspiring film.

We are grateful for the continuing support of our fellow Baptists through the Cooperative Program, the North Carolina Missions Offering and designated gifts.

NORTH CAROLINA BAPTIST FOUNDATION, INC.

When it was chartered in 1920, the North Carolina Baptist Foundation was charged with the responsibility of promoting the making of gifts, receiving and managing the gifts, and distributing the income earned from the investment of those gifts to the objects and causes specified by their donors. The charter further provided that those designated causes should be any and all objects and causes of the "Missionary Baptist denomination."

During 1981, new trusts were created and old trusts had additions which together totaled $855,991.00 bringing the assets in all trusts to almost five million dollars. (Real estate is stated in the assets at the value when given, which is on the books at approximately 2.4 million dollars less than the current market value.)

Through the trusts created prior to 1981, investments earned $418,530 during 1981 for distribution to beneficiaries named by the trust donors.

The objective and future plans of the Foundation are summarized in a brief phrase — promoting mission support through estate stewardship.

Edwin S. Coates, Executive Secretary

NORTH CAROLINA BAPTIST HOMES, INC.

The past year in our North Carolina Baptist Homes has been a good one. We have had 45 persons admitted to the ministry of our Homes and apartments. This represents 98,065 days of special care for an average daily population of 269 persons.

The Trustees made a decision of far-reaching significance at their May meeting in approving a Capital Funds Campaign. The existing needs at the Hayes Home and the Nursing Unit in Winston-Salem present a primary challenge of this campaign. We will also be able to provide much needed upgraded services in relation to our present Nursing Unit, and also construct a desperately needed Administration Building.

Our major concern presently in our Home's ministry is in regard to our benevolent care, assisting those who need supplementing financially. Gifts through the Cooperative Program and the North Carolina Baptist Missions Offering, totalling $516,804.00, provided 57% of benevolent care. The many residents who will be looking to the Baptist Homes' ministry for their care and the 43% short fall in mission gifts will place increasing demands on the already over taxed benevolent funds. Also, many persons on the Home's waiting list who cannot pay the full cost of care may have a longer period to wait because of limited benevolent funds.

We believe, therefore, that if you know the need, you will respond to it by the increasing support that you will give through the Cooperative Program through the North Carolina Missions Offering.

W.A. Poole, Executive Secretary

NORTH CAROLINA BAPTIST HOSPITAL

With 673 beds in use, the Baptist Hospital admitted 23,350 patients during the past year and provided a total of 210,000 days of patient care. There were 65,381 additional visits to the hospital's outpatient clinics and the emergency room.

Many of these patients received traditional types of hospital and medical care, but others benefited from new procedures: (1) A new method of delivering anti-cancer drugs by means of an "infusion pump," which is implanted in the patient somewhat like a pacemaker for heart patients. (2) A new type of X-ray called "digital radiography," used principally for examination of blood vessals, which virtually eliminates expensive and cumbersome X-ray film. (3) A new type of dialysis for patients with kidney disease called "continuous ambulatory peritoneal dialysis," which involves leaving a special fluid within the peritoneal cavity for several hours while impurities (normally removed by the kidney) are taken from the blood. This type of dialysis not only frees the patient from dependence on a machine but it is also less expensive than the more conventional forms of dialysis.

During the past year, chaplains made a total of 48,209 visits with patients. They provided 923 "oncall ministries" and led 262 worship services in Davis Chapel. The Pastoral Counseling Division provided 8,684 hours of counseling for 855 persons. A total of 63 students were enrolled in various levels of clinical-pastoral education.

During the year, our hospital again received a two-year approval by the Joint Commission on Accreditation of Hospitals.

The Baptist Hospital has recently adopted a budget for the new fiscal year which for the first time exceeds $100,000,000. Gifts from the churches during the past year through the Cooperative Program amounted to $479,997 and through the North Carolina Missions Offering and designated gifts totalled $345,765.

ORDAINING COUNCIL

The Ordaining Council of the Brunswick Baptist Association was requested by the Sabbath Home Baptist Church to examine Norman C. Bellamy for the Gospel Ministry.

We met on September 25, 1982, at the associational office with the candidate and his pastor, Everette J. Pierce.

The council recommended that Sabbath Home Baptist Church proceed with the ordination. Norman C. Bellamy is now serving as the pastor of Boone's Neck Baptist Church.

RESOLUTIONS

We, the Resolutions Committee, recommend:

2. That we express our thanks also to Moderator, A.G. Ferris; Vice Moderator, Jesse Bentley; Clerk, John W. Butler; Treasurer, Miss Ruth Galloway; and Parliamentarian, E.J. 3. That the minutes of this session record our special thanks to Shell Point Baptist Church and Boiling Spring Lakes FBC for the marvelous hospitality shown us on the two days of this Annual Session.

4. That we express to the Rev. Robert L. Goode, pastor of the Florida Street Baptist Church of Greensboro, North Carolina, our gratitude for the heart-searching message on Jesus' Commission to us his people; and to the Rev. Astor L. McGee of Wilmington for his splendid doctrinal message, "Your Life and His Return."

5. That we also acknowledge with gratitude the services of those who helped plan and prepare for the program which we have enjoyed the past two days.

6. A special resolution:

WHEREAS, the Jennifer Brown Emergency Care Home was translated from a vision of Brunswick Baptists to a cooperative reality with the North Carolina Baptist Children's Homes under their leadership; and

WHEREAS, from January 3, 1981 through March 5, 1982, the Brown Home ministered in love and understanding to forty-one boys and girls by admission and handled 153 requests for services or information; and

WHEREAS, the same God who led this couple to Brunswick County has now moved them to further service with the High Point Emergency Care Home, leaving behind thirty-nine churches full of loving, supporting Christian friends:

THEREFORE, BE IT RESOLVED, that the Brunswick Baptist Association, meeting in its 84th Annual Session this October 22, 1982, at Boiling Spring Lakes First Baptist Church, does hereby acknowledge the work of the Lord in the excellent services of John R. and Mary Small, and express deep and abiding appreciation to these co-labourers for proclaiming the gospel of Jesus Christ through special ministry to our children.

AND BE IT FURTHER RESOLVED that we commit ourselves to prayer that God would continue to use John R. and Mary Small in His service for many more productive years.

That a copy of this resolution be sent to the Rev. and Mrs. Small and that a copy of it be placed in the minutes of the Annual Session.

Respectfully submitted, Roy D. Cable, L.D. Smith and Susan S. Carson, Chairman

SENIOR CITIZEN

This year has been very exciting with traveling trips and tours from Charleston, South Carolina to Lynchburg, Virginia.

In Lynchburg, we visited Holy Land USA, near Bedford, Virginia, Natural Bridge, which is one of the seven wonders of the New World and attended Thomas Road Baptist Church services. In Charleston, we attended the Spoleto festivities along with touring the Magnolia Plantation, Nathanial Russel House, Old Market, tour of the old homes and enjoyed every minute of it. The outdoor dramas—Lost Colony at Manteo, Liberty Kart at Kenansville, Strike at the Wind at Pembroke and Black Beard at Bath—were well attended by our Brunswick folks. We toured the oldest church in the United States at Bath, while enjoying the trip.

The Battle at Moore's Creek, The Sound and Light Production at our great Battleship North Carolina, and the World's Fair were also enjoyed by folks. Shopping at Waccamaw Pottery, dining at the Dry Dock and a Christmas tour of the Tryon Palace also highlighted activities.

A workshop sponored by the Associational Senior Citizens was well attended. We had Home Missions, crafts, Family Services and Travelers Aid that were well attended during the month of January.

Senior Citizens were recognized throughout the county on the first Sunday of May and other special occasions in our churches.

Coordinators for Elah, Mount Olive, Oak Grove, Old Shallotte, Shallotte FBC, Prospect, New Life, Mill Creek, Shell Point and Sabbath Home Baptist churches along with other church folks were very cooperative this year. We hope to add at least ten more church coordinators to this year.

Senior Citizens at Old Shallotte Baptist Church quilted two quilts for the Jennifer Brown Emergency Care Home. Mill Creek Baptist Church quilted one for them. All the squares were cut by a senior citizen from New Life Baptist Church. Dolls were dressed for needy children also along with many other community projects being taken on by our wonderful Senior Citizens. Craft classes were held, many meals shared, all being enjoyed by our Senior Citizens.

You may have hot meals at the Leland, Shallotte and Southport sites. Volunteer to take a Senior Citizen with you and enjoy the meal and fellowship there.

We have many thinks planned for you during the coming year. Be sure to ready your Associational Calendar and call me if you would like for me to help your church in any way with Senior Citizens or Senior Adults.

Respectfully submitted, Mrs. Ouida H. Hewett

VACATION BIBLE SCHOOL

I am preparing this report from incomplete information because 12 of our churches have failed to submit a record of their 1982 Vacation Bible School.

However, I am encouraged by the information thus far received. Enrollment, as compared to last year, appears to be significantly larger. Many of the churches are providing VBS activities for youth groups. Daytime schools continue to predominate. Mission Offering to the Cooperative Program have increased. Attendance at the associational clinics was much larger this year. Everything I hear causes me to believe that there is a sense of joy and excitement and hope in this summer's Bible teaching ministry.

All the churches should conduct Vacation Bible Schools. Above all, we should prepare earlier and more thoroughly. Reports must be submitted more faithfully and follow-up work with the 428 unchurched prospects discovered in 1982 must be given priority.

I wish to remind you of three actions that will ensure a successful school next summer: (1) Elect the best possible person in your church to be the Vacation Bible School Director. (2) Order the VBS Advance Planning Kit for 1983 now. An order form was included in the 1982 VBS Plan Kit. (3) Bring the workers from your church to the associational clinics in 1983. Consult the Calendar of Activities for information.

I thank God for the Vacation Bible School team from the association. This group is a source of joy to me.

I thank God that you have chosen me for this task. I do not know of any other way to touch the lives of so many children so deeply in so short a time as in Vacation Bible School. I am profoundly grateful.

Avery Lumsden, Associational Vacation Bible School Director

WOMEN'S MISSIONARY UNION

The church year just passed has been a wonderful one for Women's Missionary Union in the Brunswick Baptist Association. God has greatly blessed us in so many ways and it is with praise to him that we make this report.

On October 29, 1981, the annual WMU Workshop, or Leadership Training, was held at Southport Baptist Church. Seventy-two women from nineteen churches took advantage of the excellent age-level conferences. The following week a second workshop was held at Elah Baptist Church. In this one there were fourteen women from four churches.

Several churches observed the Baptist Women World Day of Prayer on November 2nd.

November 14 was a joyous occasion as GAs and their leaders and mothers gathered at Antioch Baptist Church for the annual Mother-Daughter Banquet.

More than one hundred and sixty persons in eleven churches were reached for the Foreign Mission Study with Mrs. Rebecca Chapman and Mrs. Jackie Smith doing the teaching. Several churches held individual classes but I do not have the figures on this.

Early in January, our Mission Action Chairman, Mrs. Mildred Hewett, led a Mission Action/Personal Witnessing Clinic at Antioch Baptist Church. On Saturday, January 31, there were forty-six women from fourteen churches who attended a study of the new manuals at Calvary Baptist Church.

During Focus Week in January, Miss Nancy Curtis, State WMU Executive Secretary, was a guest of the Southport Baptist Church and women from the

association invited if they could get away from their regular Sunday duties at their own churches. A prayer breakfast was a part of the Focus Week observance there.

The Missions Banquet on February 19, honored WMU Directors and Pastors. It was held at Friendship Baptist Church with Mrs. Lynn Talley of Barnesville, North Carolina (our Starteam leader) as guest speaker. More than one hundred people from fourteen churches attended.

The Home Mission book for adult study was taught by Mrs. Chapman and Mrs. Smith in at least eleven churches. This time, ninety-six people attended. Again, several churches held individual classes and we have no figures for these.

On the first Saturday in May, we had a Missions May Fair at Supply Baptist Church sponsored jointly by the Baptist Women and the Baptist Young Women. This was one of the most interesting and well attended events of the year.

Acteens were busy during the year studying, praying, helping with the Missions Fair (they had their own Brunswick County booth) and holding their banquet in May. Special reports were heard from Oak Island FBC and Old Shallotte Baptist Church Acteens.

In June, the Baptist Young Women held their first Associational Banquet. This was held at Southport Baptist Church and a group of people from the Riegelwood Baptist Church gave a program on their envolvement in West Virginia as a part of the "Mountain State 200" project of the North Carolina Baptist State Convention.

July brought Key Leadership Conferences in which many of us took part and also in July the Associational Council members received training in a state workshop in Whiteville, North Carolina.

G.A. Day Camp was held in mid-September as an overnight camp and banquet at the Caswell Baptist Assembly.

It is a special joy to me to be able to report that during the year Baptist Women groups were either re-activated or organized in Old Shallotte, Longwood, Ocean View, Oak Grove, Peace Memorial, and Woodburn FBC churches. Baptist Young Women were organized at Town Creek and Lebanon Baptist churches; G.A.s at Peace Memorial, Old Shallotte and Woodburn FBC churches. Mission Friends were organized at Old Shallotte and Faith Baptist churches, thus making a total of thirteen organizations in 1981-82 for all age levels.

Your Director visited twenty-two churches during the year; she taught W.M.U. History and A Church on Missions; a monthly newsletter—WMU News and Views—was published each month, either as a part of the Associational Newsletter or mailed directly to WMU Directors; and hundreds of letters were written and scores of telephone calls made by her. The Baptist Women Director visited many of the churches with me. She also taught the Baptist Manual on two occasions.

Every year we report that our annual meeting was the best ever held. We must say this again for the one held on September 23rd at Jennie's Branch Baptist Church in celebration of our 80th Anniversary. Many women and some of the men dressed in costumes of 1902 and a pageant prepared by Mrs. Jackie Smith and performed by the WMU Council and others reminded us of the events of the 80 years of our history as an Associational Women's Missionary Union.

We give thanks and praise for the wonderful, busy and happy year which God has given us in His service.

Mrs. Susan S. Carson, Associational Director

Resolution pertaining to the possible sale of the North Carolina Baptist

Assembly at Caswell.

Whereas: The North Carolina Baptist Assembly at Caswell is a very valuable piece of ocean-side property and its valuation will only increase in time as ocean front property becomes more scarce.

Whereas: North Carolina Baptists will most likely never again have the opportunity or be able to afford such a Baptist Assembly in the light of soaring coastal property values.

Whereas: Countless North Carolina Baptists have found over the years a place of spiritual refreshment at the Assembly, and many have given their lives to Christ and deepened their faith there.

Whereas: The Caswell Complex has never been utilized to its maximum potential and presents us with unique opportunities which we have yet to explore.

Be it resolved that the Brunswick Baptist Association encourage our fellow Baptists across the state to reject any ideas about selling our North Carolina Baptist Assembly and that we examine how we might accelerate its development to the end that it might be used to the fullest potential as a ministerial arm of the North Carolina Baptist Convention.

And that the above resolution be submitted to the *Biblical Recorder* for publication. The motion was seconded by Mrs. Ouida H. Hewett and passed.

7. Motion made to adjourn. The closing prayer by James O. Flowers, pastor of Farmer's Chapel Baptist Church. Everyone invited to stay for refreshments in the fellowship hall.

38. The moderator called for the adoption of the proposed 1983-84 associational budget. During the discussion after a second, Roy D. Cable raised the question as to whether the new social security increases had been incorporated in the salary of the Director and the Secretary? Budget Committee Chairman, Miss Ruth Galloway replied that she was not certain but would bring the correct information to the January executive committee meeting. The proposed budget was adopted by voice vote.

39. The report of Committee on Committees, William B. Greer, Chairman, as printed; Seminary Extension, Billy L. Buchanan, Chairman, read as written; and Nominating Committee, Leo Cannon, Chairman, read as printed, were adopted.

40. All the Associational Officers for the 1983-84 associational year were recognized at this time by Arthur R. Waisner.

41. The following individuals were guests of the Brunswick Baptist Association during the Eighty-Fifth Annual Session: Rev. Latt Beshears and Mrs. Rose Beshears, Valdese, N.C.; Burnie Collins, Area Supervisor, Baptist Children's Homes; Rebecca Estep, Baptist Children's Homes; M.M. Goss, Northwest Baptist Church, Winston-Salem; Richard D. Smith and Mrs. Smith, Forest Hills Baptist Church, Raleigh; Henry B. Stokes, Wake Forest University; Nell Warren, Burlington FBC, Mount Zion Baptist Association; and Mrs. Mary Waugh, Burlington FBC, Mount Zion Baptist Association.

42. The congregational hymn, "Onward Christian Soldiers," and the benediction closed the Eighty-Fifth Annual Session of the Brunswick Baptist Association.

Jesse Bentley, Moderator; John W. Butler, Clerk

REPORTS

AUDIT

The Audit Committee met with the Associational Treasurer, Miss Ruth Galloway, on October 15, 1983, and examined the financial records of the association and of the Jennifer Brown Emergency Care Home, for the fiscal year 1982-1983.

We verified the receipts with the deposits made in the bank, checked all disbursements and arrived at the balance shown on the bank statements and on the treasurer's financial report.

It is our opinion that the financial records of the Brunswick Baptist Association have been and are kept in a neat, detailed and orderly manner.

We are indeed appreciative and grateful for the excellent job Miss Galloway is doing.

Douglas H. Hawes, Sr., Chairman

BROTHERHOOD

The Brotherhood work in the Brunswick Baptist Association is slowly growing, with 22 of our churches reporting work during 1982. I believe that even more of the churches have men and boys engaged in some kind of mission work, but to fail to report this fact in their church letter.

Our R.A. Director, Jimmy Bordeaux, and myself had the privilege of meeting with the pastor, S.L. Doty, Jr., and the fine men of Woodburn FBC in December, to encourage them in starting a new Brotherhood work.

He also conducted a Tract Meet at Leland Baptist Church on April 23. If there is any interest shown, we hope to have another meet about the first week in April of 1984.

We would like to express our thanks to the pastor, Weston L. Varnum, and the ladies and men of Mount Olive Baptist Church for a delicious breakfast along with the great fellowship on April 16th at the World Mission Prayer Breakfast.

There were only four men in attendance at the Key Leadership Conferences this year. Let us keep on praying that God will stir the hearts of our men, that they will become more involved in the spiritual leadership among our churches and communities.

Charles Whitby, Arthur R. Waisner, and your director took the opportunity to attend the Brotherhood Leadership Conference held at Caraway on August 5-6.

The R.A. Director attended the regional Brotherhood Conference held at Clinton FBC on September 18, 1983.

CHRISTIAN ACTION LEAGUE

We are grateful to our Lord for what the Brunswick Baptist Association has meant to the cause of social and civic righteousness in our state in the past 12 months. You have assisted the efforts of the League with appropriate action along with your prayers and financial support.

We wish to list just a few of the strategic issues where your voice was so influential.

I. SAFE ROAD ACT OF 1983

The League called upon Governor James B. Hunt, Jr. to name a Task Force to study this problem and seek constructive recommendations to be presented to the 1983 General Assembly. He complied with this request, and the recommendations of the Task Force were compiled into the Safe Roads Act of 1983.

II. STATE LOTTERY

With the General Assembly seeking additional tax funds, it became apparent that an easy route for the politicians to take would be to put the state into the gambling business via a state-wide lottery.

The League organized the opposition to this issue. It was the Christian

Action League that presented the adverse effects that a lottery would have upon our state.

It was through your letters, resolutions, and other contacts to your legislators that generated the opposition to the lottery and resulted in its defeat. However, pro-lottery forces are seeking state tax funds for a Legislative Lottery Feasibility Study to prepare legislation for the 1984 mini-session of the General Assembly.

III. REFERENDUMS

In the past 12 months, you made it possible for the League to assist seven communities successfully in defeating various referendums. Other referendums are pending.

Tom M. Freeman, President

CHRISTIAN HIGHER EDUCATION

NEW COLLEGE PRESIDENTS:

Wingate College and Wake Forest University have elected new presidents. Dr. Paul R. Corts took office on July 1, 1983. Dr. Thomas K. Hearn, Jr. assumes the presidency of Wake Forest on October 1, 1983.

SEEKING THE BAPTIST STUDENT:

All of the seven North Carolina Baptist colleges want to serve more of the students from the churches. Pastors and lay leaders can help by recommending Baptist colleges to Baptist young people.

Information about the colleges may be obtained by writing or calling the Council on Christian Higher Education, P.O. Box 26508, Raleigh, N.C. 27611 or the Offices of Admissions of the individual schools.

CALLING THE ROLL IN GRATITUDE:

North Carolina has been a leader among Baptists in Christian higher education for 149 years. Moral and financial support from the churches has made possible the ministry of our colleges. The Cooperative Program continues to provide health for the colleges and opportunity for young people.

Council on Christian Higher Education

CHRISTIAN LIFE and PUBLIC AFFAIRS

This has been an extremely busy year for the Council on Christian Life and Public Affairs. Through its three departments, it has provided a variety of field service events and educational resources for North Carolina Baptists.

I. CHRISTIAN CITIZENSHIP EDUCATION

The Legislative Information Network has continued to provide reports on the work of the state's General Assembly to 800 contact persons in churches across North Carolina. Baptists were instrumental in securing passage of the Safe Roads Act, a tough and comprehensive package of legislation aimed at curbing drunk drivers in North Carolina. Baptists also played an important role in defeating a proposed state lottery bill. Other legislation covered by the L.I.N. included a package of bills to provide alternatives to prison as a form of punishment, a resolution supporting a freeze in nuclear weapons, proposals to protect the state's residents from hazardous wastes, and a bill to make it a crime to hold someone in slavery.

II. CHRISTIAN FAMILY LIFE

A wide variety of family events was sponsored this year. Included were

eight marriage enrichment retreats; one clergy couples' marriage enrichment retreat and for the first time, a pre-marital retreat; nine family enrichment conferences; six singles seminars and a single adult leadership conference, three parenting workshops and a Strengthening Christian Families leadership workshop.

III. AGING

The department continued to expand its ministry to senior adults through new events and services. Five leadership workshops were conducted across the state, in addition to four major conferences/retreats held at Caraway Conference Center. Additionally, two new retreats—one for singles and the other for retired couples, were added.

A new pamphlet, "Senior Adults and Families," was added to the Growing Christian Families series.

CHRISTIAN LITERATURE

The *Biblical Recorder* is celebrating 150 years of service to North Carolina Baptists. Founded by Thomas Meredith while he was pastor of the Edenton Baptist Church, the *Recorder* is the oldest among the 34 state Baptist papers in the Southern Baptist Convention.

The past twelve months have been a time of transition for the *Recorder.* R.G. Puckett became the editor upon the retirement of Marse Grant in September, 1982. Lawrence E. High came as managing editor from the editorship of *The Maryland Baptist.*

The cost of second-class postage threatened the very survival of the state Baptist papers in 1982, including the *Recorder.* However, with the faithful support of subscribers, assistance from state convention and tight management of finances, the paper is now stable.

The format of the paper was changed to tabloid from the magazine style which had served for approximately 40 of the 150 years of the *Recorder.* Economy of production and increased space by about 50 percent were the deciding factors.

In March, the directors of the *Biblical Recorder* approved a plan to make circulation the highest priority of 1983. Churches are urged to put the paper in the budget so that every resident family receives a copy. Club plans are available for interested persons and key leadership in the churches.

The editors and staff are grateful for the opportunity to have this ministry among North Carolina Baptists. We invite your news items, letters to the editor and items of general interest to all North Carolina Baptists.

Mrs. Gwen Clemmons, Representative

CHURCH MEDIA-LIBRARY CENTER

The new church year began with the Brunswick Association Media Library organization (BAMCO) meeting in October at Supply Baptist Church with five churches represented. Mrs. Susie S. Carson brought a program on the achievement guide for Media Libraries.

At the group meeting held in January, Mrs. Carson taught the study book "How to Process Media." In April, the Pastors & Wives Banquet was held at Supply Baptist Church with 45 persons in attendance.

I am anxious for more of the churches to participate in library work. How about starting a new library? Updating your present one? A church Media-Libary Center could be an important mission adventure for your church.

Mrs. Margaret J. Clemmons, Director

CHURCH TRAINING

Church Training is the organization assigned to the task of helping church members to grow in their Christian discipleship. It has the responsibility for teaching Christian Doctrine, Ethics, History, Church Policy and Organization, and Skill Development in performing the function of a New Testament Church. During the past year, the work in the Associational Church Training program has been aimed at helping local churches accomplish this task.

Again this year, the Associational Church Training "M" Night, held at Supply Baptist Church, was well attended with 33 churches represented and 300 persons in attendance. The banner for the highest actual total attendance was awarded to Supply Baptist Church with 53 members present. The banner for the highest percent in attendance was awarded to Mount Pisgah Baptist Church with 36 percent. Miss Lisa Anderson, Soldier Bay Baptist Church, was chosen as Associational "M" Night Queen. Miss Sonya Brown, Mount Pisgah Baptist Church, was the runner-up.

The staff attended four conferences this year: the Enabler Conference, Caraway Conference Center, Ashboro; a Masterlife Conference, also held at Ashboro; Key Leadership Conference, Ridgecrest; and an Understanding Conference, Trinity Baptist Church, Whiteville, Columbus Baptist Association.

We assisted in the associational Key Leadership Conference; an associational Enabler Conference, Shallotte FBC; and in cooperation with other organizational leaders a five hour conference at Supply Baptist Church, teaching the new Church Training study course books in the Understanding Series. Also, a group of pastors are presently going through the Masterlife Discipleship study.

Let me encourage both the pastors and churches of our association to take even more seriously the work that is before us; that of making disciples through Church Training.

The Associational Church Training Staff is available to assist the local churches in any possible way. Please, call on us!

Bruce R. Cole, Director

DIRECTOR OF MISSIONS

I come before you today with a deep sense of gratitude for the fifteen (15) rewarding years that I have served as your Director of Missions. You are a great people and wonderful to work with. All of our associational officers are to be commended for the fine job which they did during this past year. Without your help, my job would be an impossible task. Our churches are to be commended for the support given to the associational program physically, spiritually and financially.

The Lord sent us a wonderful couple to serve as houseparents at the Jennifer Brown Emergency Care Home, the Rev. Bobby and Clara Goodman. They are committed to the responsibility and doing a superb job.

I personally want to thank Bruce R. Cole for an outstanding work in leading our Church Training Program. If you missed one of the Church Training "M" Nights, you missed a blessing. I want to thank those who conducted conferences in the Understanding Series and the Key Leadership Conferences. I am thankful for J. Tyler Potter, Sr. for leading the Brotherhood work. Our WMU organizations are doing a wonderful job visiting and starting new groups. Many thanks are due to our committees who make up the association for their cooperation and labor.

New pastors coming to us this year are: Stephen E. Burrow, Bolivia; Cecil Carter, Mount Pisgah; Macon M. Wood, Ocean View; Jack Robinson, Mill Creek Baptist Churches and Leo Cannon, Sunset Harbor FBC.

At present there are four churches without pastors. Let us be continually in prayer for them that God will supply their needs.

I have attended a number of conferences outside the association at Ridgecrest, Caraway, Raleigh, preached from one to three times almost every Sunday and visited churches if not preaching. I have assisted churches in locating pastors and pastors in locating churches. Counselled with individuals and with church groups. We published a monthly newsletter which at times contained seven or eight pages and sent to over 700 homes. I have met with all committees, and all organizational directors during the year and planned for the new year, 1983-84. We have prepared the program for the annual meeting, the Book of Reports, and the Calendar of Activities. I attended the annual Director of Missions Conference held at Wingate College. I was appointed First Vice-President of this group.

God needs every Christian in the harvest field today. The grain of souls are ready for harvest. Statistics for the past year are staggering. Our association had an average of four baptisms per church. God help us to dedicate ourselves anew to the task that He has given us to do, and that is winning souls for His glory.

Looking at the new year, there are a number of things coming up that should be of interest to everyone. What I want us to do, is to place at the top of our prayer calendar, the World Mission Conference, which will be held April 29-May 6, 1984. There will be eighteen (18) churches participating. Each church will have five (5) services. Group one (1) will begin on Sunday morning and go through Wednesday night. Group two (2) will begin on Thursday night and go through Sunday night. At each service there will be a different speaker. We plan to hold a briefing meeting in the near future to answer any questions that may arise.

May God bless as we share the love of our Lord.

Arthur R. Waisner, Director of Missions

EVANGELISM

There were 4,914 revival meetings held in the North Carolina Baptist State Convention in 1982, an average of 1.6 per reporting church (3,069). The Southern Baptist Convention had 46,520 meetings in 29,251 churches.

God is still using the revival meetings as an effective tool of evangelism. Doubtless this instrument could be even more effective if thorough planning and preparation were emphasized and utilized.

During April of 1983, ten of our churches participated in a five hour seminar led by Dr. Victor G. Cole, Director, Evangelism Development, Evangelism Department, Baptist State Convention. This study was entitled, "Growing Evangelistic Churches," and was geared to helping pastors and laymen in planning and building an evangelistic church.

In the spring of 1984, a three session seminar is being planned for our churches. Topics to be discussed are: The Theology of Revival, Evangelistic Preaching, Revival Music, How to Give an Invitation, Counseling, and The Potential of Revival Meetings. It is hoped that each church in our association will be represented.

In March and April of 1986, there will be a Nation-Wide Revival effort with the theme, "Good News America – God Loves You."

Pray for evangelism – Christ's Imperative!

V.C. Potter, Jr., Chairman

GENERAL BOARD

This has been a busy year (1982) for the General Board, North Carolina Baptist State Convention. Two new college presidents have begun their work at Wingate College and Wake Forest University. Dr. Michael C. Blackwell has assumed the presidency of the Baptist Children's Homes on July 1.

The two most speculated decisions throughout the year were: 1) What to do at the North Carolina Baptist Assembly, Caswell? and 2) Will Dr. Cecil A. Ray resign? The assembly will be upgraded if a three year Capital Fund Raising Plan is successful. The assembly is not for sale, nor has it ever been. The state convention in November will be asked to approve this report. Dr. Cecil A. Ray has resigned effective January 1, 1984, to become the Southern Baptist Director of Planned Growth in Giving. A search committee has been named. In the meanwhile, Roy J. Smith, Associate General Secretary, will serve as acting head.

From all indications, Cooperative Program receipts for 1983 will be one of the largest ever. This allows strong funding for the various programs across North Carolina. As you hear and read reports from program of work of the state convention work, please remember that the Cooperative Program makes all this possible.

It may be of interest to you to know that there is planned for publication early in 1984, a book containing the history of all available individual churches in Brunswick County—from all denominations. Church histories coming in after that time will be published in a later volume.

You should be aware of a service that is free to our churches by our North Carolina Baptist Historical Collection: John Woodard, Director, Baptist Historical Collection, The Z. Smith Reynolds Library, Box 7777, Winston-Salem 27109. They will microfilm any and all church records which are brought to them. They will take good care of the records while in their possession and give the church a copy of the film. If desired, the can store without charge the original records for your church in their specially designed facilities.

If you think your church will be interested in this service, please contact the Historian or Mrs. Susan S. Carson, member of the Associational History Committee. As of August 1980, only six churches in the Brunswick Baptist Association had availed themselves of this service.

JENNIFER BROWN EMERGENCY CARE HOME COMMITTEE

When the new year began last October, the Brown Home was without houseparents and had been since March. The Baptist Children's Homes of North Carolina had been diligently searching for houseparents and finally, on November 12, 1982, we, as a committee, were delighted to welcome to Brunswick County, Bobby and Clara Goodman. The Goodmans have been all that we had hoped for, houseparents who care, who love boys, who disciple and who provide a family atmosphere for the boy who needs this security so very much.

This year we have paid to the Baptist Children's Homes $1,000.00 per month. The committee has voted to increase this to $1,500.00 per month beginning in October of 1983, with the probability of increasing the amount again in January to $1,750.00 so that we could pay our half of our contract to the Baptist Children's Homes.

The committee members have been most supportive of the five meetings we have held. The Director of Missions and Mrs. Waisner continue to be a great source of support for the Brown Home. Burnie Collins, Coastal Area, Director of Family Services, Baptist Children's Homes, has attended all our meetings.

Along with quite a few minor repairs to the Home, we have purchased a file cabinet and a vacuum cleaner. The Home has been given a calculator, a set of dishes, a hide-a-bed couch with two matching chairs for the den and a desk.

Also, a double size electric fry pan was given by a WMU group from Plymouth, North Carolina. We still need eight dining room chairs in light maple or oak and an electric typewriter.

Also, we need to be made aware that even though we have the Home and have come a long way, it still lacks the following: an area to counsel with a boy in private; a place for relief houseparents, other than the Goodman's quarters; an enclosed area for play in foul weather; and lastly, an area for study for each boy in private.

The highlights of our year came in July at a cook-out at the Home. Present were the committee members and spouses, the houseparents and the five boys who were residing there, the Waisner's, Miss Ruth Galloway, some friends of the Home, and as special guests, Dr. Mitchel C. Blackwell, new president of The Baptist Children's Homes of North Carolina, and Rick Stegall, News Director/Editor.

Mrs. Patsy L. Wood, Chairman

JENNIFER BROWN EMERGENCY CARE HOME

The Baptist Children's Homes of North Carolina, Inc. offers a wide variety of services. One is that of emergency care. You, the people of the Brunswick Baptist Association, have a part in one of eight homes across the state. Through your support and your prayers, you reopened the Brown Home on November 12, 1982.

We received our first boy on January 1, 1983. Since then we have served 17 boys, ages 12-15 years, from ten different counties across the state. An average stay has been 54.4 days. The Brown Home has discharged eight of these boys either back to their families or to another child care institution. During the year, we served 4,380 meals and had 908 days of child care.

Of the boys, five were with us all summer. The boys worked in the garden, helped can and put things into the freezer. Also, they worked in tobacco fields and shrimp houses and did private yard work, as well as a work list at home to do daily. With this money earned, several other individual friends and churches helped finance a trip to Carowinds and on to the mountains for three days. This year we visited the Kennedy Home, Mills Home, North Carolina Zoo and the North Carolina Baptist Assembly, Caswell.

You realize that these days would not have been possible if it were not for you who really care about the future of our children. Local churches, clubs, and civic organizations, schools, Brunswick County Department of Mental Health and of Social Services, and many more that really care have all had a part. Many personal gifts of food, services, and other types of materials that go together to make a wonderful time together working with God in the service of His children.

We have seen many of these boys lives changed during their stay with us, and many yet call to see how we are doing and to thank us for guidance, love and care. There have been three boys won to the Lord this year during their stay at the Jennifer Brown Emergency Care Home.

During the past year we have visited 20 of the churches in the Brunswick Baptist Association.

MUSIC

This church year has been a quiet one as far as cooperative music programs go. However, we hope to change this picture this year. In our "jaunts" around the association we have been thrilled with the talent that is available within the churches of the Brunswick Baptist Association. We would like to "pool" some of this skill and accomplish something special for our Lord. With the proper attitude and planning, we expect to make this potential a reality.

William B. Greer, Director

NORTH CAROLINA BAPTIST ASSEMBLY, CASWELL

Recommendations from the Assemblies' Committee:

1. That we proceed with the implementation of plans already approved for the development of the physical plant. These proposals are known to us as Phase I, Phase II and Phase III. Most of Phase I has already been completed.

2. That we aggressively promote a three year Capital Funds campaign, in the amount of $3,000,000.00, conducted within guidelines already established by the convention.

In securing these gifts of cash and pledges the Assemblies Committee is authorized to employ, for a two year period, a campaign director. Salary and expenses for this director will be paid out of fund generated through the campaign.

3. That we continue to enlist and to encourage volunteer groups in the giving of labor for special improvement projects.

4. That we express our abiding gratitude to the Baptist Men of North Carolina for their faithfully given and well-planned efforts thus far. . .urging them to continue in their labors.

These recommendations relate to our property at Fort Caswell . . . The North Carolina Baptist Assembly.

COASTAL AREA FAMILY SERVICES

The Coastal Area Family Services Center continues to grow in the number of families served. Through personal contacts, more people are coming to Baptist Children's Homes in an effort to find better ways to cope with family problems.

The Center was established in May 1981, and provides all services of our statewide institution to six counties: New Hanover, Pender, Onslow, Carteret, Pamlico and Brunswick. The Center's home office is located in Jacksonville, in the New River Baptist Association, with a satellite office located in Wilmington, in the Wilmington Baptist Association. Our staff consists of Mr. Burnie Collins as Director, a social worker, Ms. Rebecca Estep, and a secretary, Mrs. Sandy Kennedy.

Emergency care is offered in Brunswick County at the Jennifer Brown Emergency Facility under the direction of Mr. and Mrs. Bobby Goodman, Child Care Workers.

In an effort to help churches and church families be better able to reach the potential of relationships that God intends, programs such as Parenting, Parent-Teen Relationships, and Family Enrichment can be offered on a local base.

On July 1, 1983, the Baptist Children's Homes welcomed its new President, Dr. Michael C. Blackwell, a native of Gastonia. Dr. Blackwell becomes the eighth President of the Baptist Children's Homes of North Carolina.

Burnie Collins, Director

NORTH CAROLINA BAPTIST FOUNDATION, INC.

We of the foundation are indeed thankful for what Baptists of North Carolina are doing to guarantee support for the multitude of Christian missions and ministries carried on by Baptists.

During the past year increased interest has been shown by individuals attending estate planning seminars sponsored by the Foundation and through personal visits by Foundation staff. Greater numbers are committing a tithe of what they leave at death, when they no longer need it, to Christian causes.

The asset value of trusts held at the end of last fiscal year totalled $8,214,696.00. Designated new additions to trusts were $276,815.00. Income from investments of trust assets totalled $523,140.00. Investment asset market value gain during the year was $398,812.00.

We are thankful for the facilities in the new Baptist Building making it possible to have the staff in one suite of offices.

We welcome each visit or opportunity to discuss with individuals effective estate planning alternatives involving wills and trusts which could provide sustained support for Baptist cause(s) even beyond lifetime.

Edwin S. Coates, Executive Secretary

NORTH CAROLINA BAPTIST HOMES, INC.

One of the most significant blessings that we have received during the year has been a 31% increase in the percentage used for distribution of funds through the Cooperative Program.

For the first five months of 1983, undesignated support through the North Carolina Missions Offering provided $74,087.47 toward the Homes' benevolent care needs. Designated gifts of $42,274.58 brought the total NCMO support to $116,362.05.

Through these mission gifts of $252,009.44, we were able to provide care for over 50% of the residents in the five Homes and Nursing Care who have limited resources. Even with this mission support, benevolent care exceeded the resources by $132,975.00 for the five month period. This gap must be bridged, and we must continue to receive more through the Cooperative Program and the North Carolina Missions Offering if we are to meet the needs of residents in the Homes.

The Baptist Homes have been and continue to be a benevolent care ministry throughout the 22 years of caring. Because of the over-extended benevolent care ministry, the Trustees have had to put a hold on admissions of persons who cannot demonstrate the resources to pay the cost of care for their life expectancy. Let's change this picture as rapidly as possible. The only way that it can be changed is through a concerted effort of increased giving through the Cooperative Program and the North Carolina Missions Offering.

The needs of older persons in our nation and state become more and more acute with each passing day. It is imperative that we focus more on the needs and that we provide as wisely as we can for them in the family of our North

Carolina Baptist Homes, now and for the future.

William A. Poole, Executive Director

NORTH CAROLINA BAPTIST HOSPITAL, INC.

Baptist Hospital has celebrated its sixtieth anniversary during 1983 by continuing to expand and improve its services.

During the year the hospital has installed a nuclear magnetic resonance machine in the Department of Diagnostic Radiology. Also, Baptist Hospital is providing a new treatment aimed at finding and removing the cause of heart attacks. The procedure attempts to dissolve clots in the coronary arteries feeding blood to the heart muscle by injecting a clot dissolving drug through a catheter.

During the past year a survey team from the North Carolina Department of Human Resources designated the hospital's Emergency Department as a Level I trauma center which indicates that the department offers all major services for serious injuries twenty-four hours a day seven days a week.

Because of these and other services provided by the hospital, a total of 23,903 patients were admitted to its approximately 700 beds during the year for a total of 213,021 days of patient care. An additional 66,039 persons visited the emergency room and outpatient clinics.

The Department of Pastoral Care provided more than 14,000 hours of pastoral service to patients, families and staff.

In order to provide adequate care of its patients, Baptist Hospital employs approximately 3,500 people and has buildings and equipment valued at more than $100,000,000. The operating budget for 1983 was $101,000,000.

During the 1982 fiscal year, the hospital received from the churches of the Baptist State Convention a total of $497,019 through the Cooperative Program and $343,665 through the North Carolina Missions Offering.

MISSIONS

Your Associational Missions Committee has met on a regular basis this year. We have tried to look at some mission needs in the association.

We have had the privilege of helping the Ocean View Baptist Church to secure pastorial aid when the church stepped out on faith and went to full time services.

We have talked about two areas of our county that may need a mission established in the near future. Also, we are in the process of looking at some possible mission work with the seamen that move through the Sunny Point Military Terminal.

The committee would like to serve the churches of the association at anytime. Please, call on us.

RESOLUTIONS

We, the Resolutions Committee, recommend:

That we, as messengers of this Eighty-Fifth Annual Session of the Brunswick Baptist Association, express:

1. Praise and thanks to God for the outpouring of his blessings upon us throughout the past year, and especially for the joys of Christian fellowship experienced during the two days of this session.

2. Our thanks to Moderator, Jesse Bentley; Vice-Moderator, Hartwell E. Condrey; Clerk, John W. Butler; Treasurer, Miss Ruth Galloway; and Parliamentarian, E.J. Prevatte, who have served so faithfully and well as General Officers during the past year, and to all others who have served the association in any way.

3. Our deep appreciation to Shallotte FBC and Mount Pisgah Baptist Church for their unsurpassed hospitality during our meeting this year. We also give special thanks to the Supply Baptist Church for welcoming us for this Friday afternoon session, changed in location because of a funeral at Mount Pisgah.

4. Our gratitude to V.C. Potter, Jr. and James A. Whitworth for fine, soul-stirring messages they have brought to us.

5. Our gratitude to all those who planned and prepared for the Eighty-Fifth Annual Session, especially to the Director of Missions, his secretary and the Program Committee.

6. Our appreciation to A.G. Farris for his six and one-half years of service in the association and our heartfelt wish for many happy years in his retirement.

7. And last, but definitely not least, our deep appreciation to several who have served the Brunswick Baptist Association over many years: E.J. Prevatte, 44 years; Jesse Bentley, 18 years; Miss Ruth Galloway, 18 years; John W. Butler, 17 years; and our Director of Missions, Arthur R. Waisner, for 15 years.

SENIOR CITIZEN

Traveling with the Senior Citizens has been a thrill that we will never forget. Seeing the folks at the Hayes Home in Winston-Salem, talking to them and sharing the love and fellowship was the highlight of our summer travels.

We took in most all the Outdoor Dramas in North Carolina and those we missed this year have first priority for the summer of 1984.

Senior Adult Day, May 1, was observed by many of our churches. We had reports from quite a few, and I'm sure there were others that did not report.

And during Valentine Week, yes. . .the whole week, many churches honored their Senior Citizens and Adults in many ways. Some had dinners, banquets, recognition services, king and queen contests, and many other activities planned especially for our adults that have reached the Senior Adulthood. Many lovely and useful gifts were received by our Seniors from our young folks during this special week of activities throughout Brunswick County.

The Tryon Palace Tour before Christmas shared by many throughout the county was a grand event. The Garden Tour during the Azalea Parade was also well attended by our Seniors.

This came from Virginia Cannon of Supply Baptist Church and was used at their Senior Citizens Banquet. It is very appropriate for all our Seniors.

I challenge all our Senior Citizen Coordinators to remember the above lines as they work with our most prized possessions . . . our Seniors.

STEWARDSHIP

Christian Stewardship is first of all a commitment. Christians must commit themselves to the Lordship of Christ, recognizing his ownership of self and possessions. "For God so love that he gave his only son" and, "Ye are not your own, for ye are bought with a price" (I Cor. 6:19-20) gives clear evidence of the investment God has made in each of us.

A major test of the sincerity of a commitment is follow-through. After the commitment has been made, a person's life style reflects the disciplined effort in fulfilling the commitment. Lack of either commitment or discipline shows up very quickly in a Christian's giving through his church.

The giving principle of the tithe was established in the Old Testament. The New Testament provides other giving models which exceed 10 percent giving. Zacchaeus gave half of his possessions to the poor after his redeeming encounter with Jesus (Luke 19:8). The Widow gave all she had (Mark 12:44). In each case it was a personal decision growing out of commitment.

Christian Stewardship responsibilities may include giving more than a tithe. And the way one lives, as well as the way one gives, expresses the measure of Stewardship commitment.

Faithful Christian Stewardship may require Christians to do the impossible, no one stops trying to achieve a better record. Neither is it necessary for Christians to be satisfied with 10 percent giving. The deeper our commitment and the more determined our discipline becomes, the greater growth we will experience in our giving and in discovering the joy God gives to his people. This year our conference at Ridgecrest was very challenging, we were made aware of the urgency to share Christ with a lost world.

Our Associational Stewardship Conference for 1984 will be held at Shallotte First Baptist, February 13, 1984.

VACATION BIBLE SCHOOL

All indications point to this as being a splendid year in Vacation Bible School. Enrollment will exceed that of last year. Schools were held in more churches; in some cases, for the first time in many years. When reporting is complete, we will observe solid growth in several areas.

I would continue to urge you to prepare thoroughly and early for the school in your church next year. Lead your church to elect key leaders and budget money. Order material soon. Plan to promote attendance at the Associational Vacation Bible School Clinics.

I rejoice at what is being accomplished. I pay tribute to a capable and dedicated Associational Team. I thank God for your ministry of love in this Bible teaching activity. But our task will never end . . . not as long as there are persons in our communities whose lives need to be touched with the love of Jesus Christ.

Avery Lumsden, Director

WOMEN'S MISSIONARY UNION

A backward look at the 1982-83 WMU Calendar of Events shows a busy but fruitful year. Missions is exciting and we feel an ever-increasing urgency to train our women and children in every way possible. We must make the home base strong—we must "hold the ropes" so that the message of Jesus' reconciling love can be sent to everyone—beginning here in the Brunswick Baptist Association.

It has been such an encouragement to me to have received end-of-the-year reports from 25 of the 32 churches with WMU. This is the most that have ever reported to me. The reports show that many of the churches observed the Weeks of Prayer for Home and Foreign Missions and participated in the two offerings.

WMU Focus Week was observed by almost all of the reporting churches, as was World Hunger Day. Southport Baptist Church observed a World Hunger Month and the offering received was divided among the Foreign Mission Board, the Home Mission Board and the Brunswick Missions Center at Bolivia to help alleviate hunger. Many churches also reported that they sponsored "Christmas in August" events.

Goshen, Supply and Town Creek Baptist Churches were recognized as having Distinguished WMU; Ocean View Baptist Church reported a Distinguished Baptist Women; Mill Creek, Ocean View and Southport Baptist Churches reported Distinguished GA's; Longwood Baptist Church reported a Standard Baptist Women, as did Mill Creek, Southport and Soldier Bay Baptist Churches. I am sure there were others not reported.

A large number of reporting churches participated in gathering gifts for the Christmas ministry to the inmates of Women's Prison in Raleigh. At State Worship, we learned just how effective this ministry has become and the doors for witnessing that it has opened.

One or more of the churches had women attending a special Baptist Women Retreat at Mundo Vista, and eight women from the association attended the North Carolina State Annual WMU meeting held this past year at Ridgecrest Conference Center.

In the annual reports from the age level associational directors, you will note the fact that the Christmas Shopping Store opportunity for the residents at Ocean Trail Convalescent Center was an overwhelming success and truly a highlight of our year.

Another tremendous highlight of 1982-83 was the WMU Annual Meeting in mid-September at Leland Baptist Church. It was quite evident that the whole

program was inspired and that the Holy Spirit was at work among us. Dr. Alton Hood, missionary doctor to Bankla, Thailand, shared with us in a most meaningful way about his experiences on the field in what he considers "the Lord's work" and not his.

I take this as an opportunity to commend women and girls of this association on the work they do in their churches and communities, in Missions Action, individually and as groups, and in community service. The Acteens at Shell Point Baptist Church and two associational council workers were cited by Governor James B. Hunt, Jr. for their volunteer activities, and one council member received special recognition for outstanding performance in her secular job. One council member had an article published in a national magazine.

Your Director held regular council meetings, served on the Associational Missions Committee and executive committee, wrote hundreds of letters and made innumerable phone calls in the promotion of WMU. Visits were made by the Director and/or other council members in 20 of our churches. We should have reached all 39, but we did not. This is one of our goals for 1983-84.

The Director and several council members held mission study classes in the various churches and took part in some of the G.A. and Acteens Recognition Services. Four council members engaged in individual leadership training and five council members attended a regional state sponsored study in Whiteville of the "Understanding" series of books and then helped to present these books in a study held in the association later.

A highlight for the Director and several Baptist Women members in the association was helping to host a visit of Miss Carolyn Weatherford, Executive Director of WMU of the Southern Baptist Convention, to the Baptist Assembly at Caswell.

There were many, many meetings to attend and much work to be done in planning and preparation for the meeting.

We have truly been "sisters in Christ" as we served Women's Missionary Union in the Brunswick Baptist Association.

Mrs. Susan S. Carson, Director

BAPTIST WOMEN

During the past year Baptist Women have seen growth in so many of our churches. This would suggest that many more women are focusing on the need for missions in our churches.

I was delighted to have been able to visit with many of our Baptist Women on so many different occasions. It has been encouraging to see so many of them busy in the churches spreading the news of the "New WMU!"

The "How-To/How-Not-To" Clinic was helpful; and at times, hilarious. Attendance was low at the study, but those who came decided that we should have more clinics for Baptist Women.

I am grateful to all the local Baptist Women Organizations for their support, and especially to our Lord for His guidance in all we were able to accomplish for missions in His name.

Mrs. Gretchen R. Hegler, Director

BAPTIST YOUNG WOMEN

I began my work with the WMU Council on the mission project at the "Country Store" held for the inmates of the Ocean Trail Convalescent Center, Southport. It was a wonderful success. God revealed to me the real meaning of giving. This is one of the most heart felt experiences of my life. I believe everyone present had a similar experience.

In January, I assisted the Assistant WMU Director, Mrs. Rebecca Chapman, and the Baptist Women's Director, Mrs. Gretchen Hegler, in the "Training Teacher to Teach" workshop conducted at Bolivia Baptist Church.

In February, I attended a state workshop on "Understanding Today's Adults." Several of our council members were present for this study.

In March, I was able to attend our annual WMU session at Ridgecrest Baptist Assembly. This was a very growing experience in my spiritual life. I came to a much deeper knowledge of WMU work for our association.

In April, our council attended the annual WMU session in the Dock Baptist Association held at Palmyra Baptist Church. Several of you WMU members also attended and I'm sure your lives were enriched by our National Executive Secretary, Miss Carolyn Weatherford.

In May, the council held a new type training clinic, the first BW/BYW Leader/Member Training Clinic.

In June, we conducted our Mission Vocation Emphasis. This coming year, we will bring the May Fair event back, but don't fret, we'll have another Mission Emphasis program in the coming years.

I went to Ridgecrest in May and had a wonderful time of learning with the State WMU Council. They taught me so much in the short time I was there. God really does bless at Ridgecrest. In July-August, I held our Key Leadership Conference.

On the 13th of October, our WMU Director, Mrs. Susan S. Carson and I went to Jennie's Branch Baptist Church. I had been asked to attend a Sunday School class meeting for the purpose of introducing Baptist Young Women's work in the association. I'm not sure of the outcome of this visit, but I feel that whatever it is, God blessed each of us there that night. Please pray that each of these ladies will receive a special blessing from our Lord and that His will be done in each of their lives.

In closing, I want to thank each of you for your prayers and your faithfulness to the Women's Missionary Union Council.

Mrs. Monica W. Price, Director

ACTEENS

It is exciting to know that in the world in which we live today there are girls active in Christian work. With the organization of Acteens in the Southport Baptist Church this month, active organizations in the Brunswick Baptist Association now number 17.

During the past year we were privileged to participate in Recognition Services for girls who had achieved a level in Studiact. Completing a level of achievement in Acteens makes one aware that a girl has gone over and beyond the regular Acteens work. She has worked on her own with her group in carrying out the great commission of our Lord. A Studiact Workshop was held with the girls to discuss and to learn things they may do to complete a level of Studiact.

We began the church year with five Acteens leaders in an associational workshop to learn more about our roles as Acteens leaders. Mission study classes were held throughout the association in both Foreign and Home missions series.

Acteens helped with registration, made name tags, and helped with displaying posters for the G.A. poster contest held in connection with the Missions Career Fair sponsored by Baptist Women and Baptist Young Women in June. Acteens were also found assisting with the Christmas Shopping Store at the Ocean Trail Convalscent Center in early December.

"Beans and Jeans," which replaced our annual Mother-Daughter Banquet, was well attended. Jeans were predominant and food, fellowship and worship were shared as the girls and their leaders met at the Soldier Bay Baptist Church.

This is my last year as your Associational Acteens Director. I wish to thank all of you for your cooperation during the past five years. Your new Director is well trained in Acteens work. She was once an active Acteens herself. I ask you to love and to support her with your prayers and attendance at associational events in the coming year.

Mrs. Jackie B. Smith, Director

GIRLS IN ACTION

September 10-11, 1982: 109 Girls in Action and their leaders assembled for overnight camp at the North Carolina Baptist Assembly at Caswell. Mission study, singing, and Journeyman Ron and Diane Anderson, who had served in Africa, highlighted the weekend for everyone.

October 1982: We shared new materials and "How to Have a GA Meeting" with G.A. leaders at Shallotte FBC.

November 9: The G.A. leaders and their husbands met at Town Creek Baptist Church for a time of fellowship and sharing as we talked about the upcoming Foreign Mission study.

December 11: The Associational WMU Council coordinated the activities for our first "Country Store" at the Ocean Trail Convalscent Center.

January 20: Many G.A. leaders braved the cold weather to learn how to teach the Home Missions books as we participated in the Mission Study Institute conducted at Bolivia Baptist Church.

March 26: 92 G.A.'s and their leaders joined in a study of the principles of Mission Action as we gathered at Supply Baptist Church.

June 11: G.A.'s participated in the Missions Vocations poster contest and heard some our our WMU leaders share the requirements of a career in missions and for volunteer service in missions. Following the meeting, nine G.A. leaders viewed the video tape on Girls in Action.

September 16-17: 107 G.A.'s registered for overnight camp at Caswell Assembly. Dr. Alton Hood, missionary doctor to Thailand, was our missionary guest. At the banquet, as we closed our camp, we enjoyed good food and fellowship, music and a monologue by Mrs. Reva B. Cable, who impersoned Miss Fannie E.S. Heck, an early worker in WMU of North Carolina and the Southern Baptist Convention.

The G.A. work in many of the churches has been strengthened and a new work has begun at Sunset Harbor FBC and Ocean View Baptist Church.

We have strived to do everything the Lord would have us do. Our lives have been blessed as we have shared Christ with each one, and we covet your prayers

as we strive to reach our new prospects in the coming year.

MISSIONS FRIENDS

This year 26 churches in our association have reported Missions Friends organizations. There has been no growth in numbers; however, many of these Missions Friends groups have started placing more emphasis on "Missions" as their focus.

God has given us a great challenge to provide missions information for our preschoolers today. These children of today are the foundation of missions education in our churches; are the missionaries of tomorrow. Our churches are accepting their responsibility by actively providing missions information for our preschoolers.

IN MEMORIAM

OUR BELOVED DEAD

As "the Angels carried Lazarus into Abraham's bosom," so they have carried 57 of our comrades to be forever with our blessed Saviour.

In God's inerrant word we read, "They that feared the Lord spake often one to another; and the Lord harkened, and heard it, and a book of remembrance was written before Him for them that feared the Lord, and that thought upon His name." Malachi 3:16

How happy the thought! "They shall be mine saith the Lord of hosts, in that day when I make up my jewels; and I will spare them as a man spareth his own son that serveth him." Malachi 3:17

We stand in reverence before God to honor those whom He has now received in glory, knowing that for the Christian, "To die is gain."

MOUNT PISGAH BAPTIST CHURCH 1762–
(Lockwood's Folly Meeting House)

Some two years after a small group of fishermen from Cape May, New Jersey, settled at the mouth of Lockwood's Folly River in 1755, Nathaniel Powell from the Deep River Baptist Church, Sandy Creek Baptist Association, and James Turner came preaching the Gospel. In 1762, Ezekiel Hunter, pastor of the New River Baptist Church, Onslow County, began baptizing members at the settlement. This group of believers were considered a branch of his church.

Colonial Records, Vol. II, Page 730, June 15, 1762, John McDowell, Minister of Saint Philip's Parish, Brunswick County, states, "We have no dissenters of any sort, excepting a few poor families of fishermen, who came in from Cape May at the mouth of the river, Delewar, and are settled by the seaside between the mouth of the Rivers Lockwood's Folly and Shallotte; they call themselves a new light Anabaptist."

During this period, James Turner became a part of the group and served as pastor until both he and Hunter died in 1773. The New River Church continued its watchcare over the little band and occasionally would send Robert Nixon and Samuel Newton to minister to their spiritual needs. William Godwin arrived from Duplin County at the close of the Revolutionary War and served as pastor until his death in 1793.

Abram Baker of Pitt County moved into Brunswick County but due to the spiritual condition of the church would not serve as pastor until the church was reorganized in 1797. Lockwood's Folly Meeting House continued to grow and in March of 1800, it divided with the members on the West side of Waccamaw River forming Seven Creeks Baptist Church—now a member of the Dock Baptist Association. Also in 1800, Mill Creek Baptist Church was established from its membership. The Cedar Grove (colored) Church is another offshoot constituted in 1872. In 1904, a church was organized at Stanbury, but it was not successful and the members returned to Mount Pisgah Baptist Church.

The first church building was a log house built on the bank of the Lockwood's Folly River. Later in the 1700's, another building was constructed nearby. According to the April 25, 1818, church minutes, the congregation was meeting in a frame house on the "Old Stone Chimmy Road," two miles South of Supply.

A fire destroyed the church records from 1820 to November of 1888. On a Saturday, November 24, 1888, the membership were worshipping in a frame building located approximately two miles West of the old site. Built about 1876, the church was named Mount Pisgah Baptist Church.

Another wooden structure with Sunday School rooms was completed and dedicated in 1913. Plans were drawn to add additional Sunday School rooms. However, since the public road had been rerouted to the rear of the church, it was decided to relocate across the road. The addition of six classrooms was completed and dedicated on April 24, 1937, a Sunday.

In March of 1953, a vestibule for the sanctuary and two more classrooms were added. The previous year (1952), the parsonage was constructed. The new Educational Building was constructed and in use in 1963. Plans were underway in May of 1964 for a new sanctuary. The first service, at which eleven persons were baptized, was held in October of 1967.

The paved parking lot was finished in the latter part of 1973. In order to

make available enough land to expand the Educational Building, the church, in January of 1976, purchased a new parsonage. This debt has been liquidated as of 1983.

On July 10, 1983, Mount Pisgah Baptist Church called the Reverend Cecil Carter and his wife, Mary, to this field of service.

The church's first resident clergyman was James Turner, 1762-73. In October of 1916, preaching services were for the first time conducted twice a month under the leadership of Pastor J.I. Stone. Full time preaching services commenced in 1958. The church has ordained eight men into the ministry and has been instrumental in establishing eight churches drawn from the membership during its 221 year history; the oldest Missionary Baptist Church and the oldest active church in Brunswick County.

Mount Pisgah Baptist Church has reported a Sunday School since 1896. Church membership in 1839, 77; 1900, 200; 1950, 232; and in 1983, 270. In addition, the church maintains Church Training, WMU, Brotherhood, and a Media-Library Center.

A member of the Sandy Creek Baptist Association around 1773; received into the Kehukee Baptist Association, 1789; a member of the Cape Fear Baptist Association, 1838-98; of the Cape Fear-Columbus Baptist Association, 1899; Mount Pisgah Baptist Church has been a member of the Brunswick Baptist Association since its incipiency in 1899.

NEW LIFE BAPTIST CHURCH 1888–

Early church services in the Exum Community of Brunswick County were held at the Cannon House, located near the residence of Barney R. Bennett.

On October 28, 1888, Reverends R.J. Long and Nathan Milliken with Deacons H.S. Bennett, Samuel Evans and Nathaniel Little, members of the New Britton Baptist Church, met with this group. Adopting the Articles of Faith taken from Hiscox's, *New Directory for Baptist Churches,* New Life Missionary Baptist Church was constituted. The church at this time ordained as deacons, N.B. Bennett and B.B. Bennett.

Shortly thereafter, the original church building was constructed across from the present site of the old cemetery. Years later, in a March of 1908 business meeting, the motion was passed to offer for sale the present church building on May 9, 1908, at 10:00 a.m. N.B. Bennett, R.M. Edwards and J.L. Bennett were appointed to draw up plans for the new sanctuary.

Specifications of the new building were: length 40'; width 25'; height 12', with five (5) windows on each side, two (2) in the back and two (2) doors at the front. A barn type roof and a front porch with steps all around the three sides completed their plans.

Until about 1912, the church services were held in the "Old Schoolhouse" that was located near the present day church plant. By this date the structure had been hulled in. However, it was much later before it was completely finished.

On December 11, 1937, J.M. Bennett, H.G. Brady and D.B. Edwards were selected by the church to devise plans to remodel the present church building. A Building and Finance Committee consisting of B.R. Bennett, H.C. Bennett, Austin Phelps, Mary Phelps, Mildred Bennett and E.L. Vereen were appointed on March 19, 1938. The sanctuary was ceiled and Sunday School rooms were added.

Later during the pastorate of Fred Elwood Gore, the three deacons and the pastor were named to examine the present building and to make recommendations as to the feasibility of saving it. In conference on August 19, 1944, the membership decided to remove a portion and to completely rebuild the remaining structure. The Building Committee was composed of J.M. Bennett, Bill Bennett, E.L. Vereen, Austin Phelps and C.O. Bennett.

The classrooms were removed in 1962, and an Educational Building, consisting of four (4) classrooms, assembly room and restrooms was added. Then, during 1970-71, new pulpit furniture, pews and heating system were installed. The Sanctuary was carpeted and the entire structure was painted. In 1977, the adjacent Fellowship Hall was constructed.

Among the many improvements made during the 1980's were carpeting the Educational Building, new Sanctuary windows and the roof replaced, adding an entrance to the Fellowship Hall and a new piano given in the memory of James R. Bennett by his family.

Looking back into history, the present day membership can readily see and understand how faithful in the services of the church were God's people of yester year. As the church materially and spiritually grew, great care was taken to maintain church discipline. Often committees were appointed to this task of reconciliation to those who had departed from the faith.

Looking forward into the future, may we faithfully share God's blessing so abundantly poured out upon us with the lost of this sinful world. Also,

in a short while our Centennial Observance will become a reality to share with the community and our sister churches.

In 1893—Pastor's salary $20.25; 24 male and 23 female members; preaching on the fourth Sunday. REPORTS

AMERICAN BIBLE SOCIETY

Reports are now in from over 180 locations worldwide where the Bible Societies are at work. More than 700 translation projects were underway on all continents last year. For many of these, it is the first time any portion of Scripture has been translated into the language of the people. More than 497 million copies of Scripture were read by men and women in nearly every country on earth.

In Zaire, seven of the twelve current projects are for the first Bibles in the Zairean languages. The Turkana New Testament was completed in 1983, the first New Testament in the language spoken by nearly a quarter of a million people in Kenya. Here in the United States, distribution by the ABS in 1983 reached a total of 126 million Bibles, Testaments, Portions and Selections.

Despite worldwide advances in combatting illiteracy, more than 800 million of the world's people can neither read or write. In many parts of the world, New Reader Scriptures are the only reading materials available at this beginning reading level.

ABS is working diligently with Bible Societies around the world to bring God's Word to all men, women and children who are able to begin to read of His love.

ANNUITY BOARD

The Annuity Board sends a retirement benefit check to over 13,000 Southern Baptist annuitants each month. Unfortunately, most of these retired servants receive less than adequate retirement incomes for many churches did not provide sufficient funds needed to build a sound retirement benefit.

For the moment, try to imagine yourself living on less than $200 per month. This is hard to conceive in today's economy. The hard fact is that approximately 80% of the retired ministers or their widows in the Southern Baptist Convention try to live on this amount. But that's not all the facts. Approximately 50% of them get less than $100 per month. The Southern Baptist Convention average for all annuitants is $142 per month.

In North Carolina, there are some 1,321 annuitants. Out of this number, 681 receives $100 or less per month. Around 415 of this number receive from $101 to $200.

The Annuity Board and the Baptist State Convention work hand in hand trying to improve this situation. A new program will take effect on January 1, 1988. Whereas the Baptist State Convention contributes $200 per year to your $200 per year to your pastor's retirement program, beginning in January, 1988, the convention will contribute up to $420 per year. This will mean that $210 will be going into actually building a retirement income for our ministerial career church staff personnel. This will represent a vast improvement.

AUDIT

The Audit Committee met with the Associational Treasurer Miss Ruth Galloway, on October 22, 1984, and examined the financial records of the association and of the Jennifer Brown Emergency Care Home, for the fiscal year 1983-1984.

We verified the receipts with the deposits made in the bank, checked all disbursements and arrived at the balance shown on the bank statements and on the Treasurer's financial report.

It is our opinion that the financial records of the Brunswick Baptist Association have been and are kept in a neat, detailed and orderly manner.

We are indeed appreciative and grateful for the excellent job Miss Galloway is doing.

BROTHERHOOD

Our Brotherhood work is moving very slow. I am lead to believe our pastors are still not sure the Brotherhood will work in our churches. Pastor's, let me challenge you to be much in prayer as you challenge your men to become involved in the most important business in the world, reaching people for Christ. You cannot do this job alone, but need every man and woman involved in missions.

Charles Whitby, our Baptist Men's President and myself had the pleasure of meeting with Bruce R. Cole and several of the men from Soldier Bay Baptist Church to assist in the organizatin of a Baptist Men's group.

We met with Macon M. Wood and his men from Ocean View Baptist Church to review the toal Brotherhood program.

Our thanks go to James A. Whitworth and the men of Supply Baptist Church for the great food and friendly hospitality on April 14th, the occasion of the annual World Mission Prayer Breakfast.

A word of appreciation to Leland Baptist Church and the men who helped to make our Field Day on July 28th, a success. There were about 38 people in attendance.

CHRISTIAN ACTION LEAGUE

We rejoice in victories that God has given us in the past year and recognize our dependency upon Him for the challenges in the coming year.

I. UNIFORM DRINKING AGE OF 21: President Reagan has signed into law legislation that results in states losing federal highway funds if age 21 is not established as a minimum drinking age for all alcoholic beverages.

II. LOTTERY: Thanks to your help the General Assembly defeated by a narrow margin legislation that would have put the state into the gambling business.

III. PORNOGRAPHY: North Carolina has become the nation's "smut" capital with more sex outlets (x-rated theaters, etc.) per capita than any other state. Now, we are being told that only the states of New York and California exceed North Carolina in the availability and distribution of child pornography.

IV. BEER, WINE AND LIQUOR ELECTIONS: We consider it a privilege to have been able to assist several areas in defeating referendums in the past year. The alcohol industry was defeated in campaigns conducted in Nash, Edgecombe, Scotland and Chatham counties. The communities of White Lake, Clarkton and Mocksville were also victorious in similar votes. However, one of the key victories was in the Avery County town of Elk Park where beer sales were abolished.

V. ABORTION: North Carolina remains the only state in the Southeast to use state tax funds for medically unnecessary abortions. Federal funds are provided for those cases where the mother's life is endangered. However, we use state tax funds for those who use abortion as a matter of birth control or convenience.

CHRISTIAN HIGHER EDUCATION

WHY BAPTIST COLLEGES?

In a special study, adopted by the Council on Christian Higher Education, the Baptist college was described as a place for study; a place for growing in spiritual and intellectual maturity; and a place where life continues and futures are shaped. Baptist colleges are worth what they cost because they offer:

1. A good, comprehensive educational experience.
2. An atmosphere of Christian trust and loving concern.
3. The challenge to think and to distinguish among values.
4. An understanding of the place of faith, and the scope and limitations of reason.
5. Acceptance into a person-centered community where spiritual, personal and intellectual growth are encouraged.
6. The opportunity to become familiar with the great ideas and cultures of the past.
7. The motivation to develop a Christian world-view for facing the uncertainties of the future and for resisting the claims of rivals to Christian thought.

The choice of a college has a life-shaping impact. Baptist young people are encouraged to attend Baptist colleges. It will make a world of difference in their lives.

The ministry of our Baptist colleges has prospered in North Carolina because of the prayers and the gifts of churches, and because Baptist youth continue to attend. Please continue to favor us with your young people, your gifts and your prayers.

Council on Christian Higher Education

CHRISTIAN LIFE & PUBLIC AFFAIRS

The Council on Christian Life & Public Affairs, through its three departments, has provided a variety of field service events and educational resources for North Carolina Baptists.

In the area of Christian family life, the department director led associational or church wide Family Enrichment Conferences, marriage retreats, clergy retreats, single adult seminars, and conferences for pastor's wives.

The Department on Aging continued to expand its ministry with senior adults. Twelve senior adult leadership workshops were conducted with more than 500 in attendance. Five Conference/retreats were held at Caraway Conference Center. Several "You and Your Aging Parents" seminars were conducted.

The work of Christian Citizenship Education has centered on two types of activities: vote participation and legislative information. This Department has encouraged Baptists to register and vote by making available a bulletin insert.

World Hunger continued to be a matter of concern to many Baptists. North Carolina Baptist response took on two new forms this year. First, the North Carolina/Togo Partnership channeled some of our financial contributions to help some who are hungry in the small West African country of Togo. Second, the North Carolina Hunger Fund began to give assistance to churches combating hunger here at home by providing hot meals for the elderly and making food available to migrant workers.

CHRISTIAN LITERATURE

History was made last year when the *Biblical Recorder,* fourth oldest of the 35 state Baptist papers in the Southern Baptist Convention, celebrated 150 years of Baptist papers in North Carolina.

In February, 1912, the *Recorder* moved into its own building in the heart of Raleigh. In July, 1984, the paper moved into its own building in the middle of one of the fastest growing areas of the Capital City.

The business of the *Biblical Recorder* is the Lord's business! The purpose of the *Recorder* is to inform, indoctrinate, enlist, inspire and provide a forum for unity in the fellowship as we fulfill the Great Commission.

For the third consecutive year, subscription rates will not be raised. The paper will hold the line on subscription rates. We want to make it as easy as possible for churches to send the paper to every family.

There is so much misinformation, exploitation and manipulation in our time that Baptists need a source of news that can be trusted to present facts as they are available and apply them to the betterment, not the harm, of Baptists.

There are tensions in the Baptist family, partly produced by the world conditions in which we operate, and Baptists need a forum where differing views can be expressed. Many so-called Baptist papers provide only one point of view; they do not permit an exchange of ideas and perspectives. The *Biblical Recorder* does and must always serve all the Baptists of our fellowship.

"Every true Baptist believer a faithful *Recorder* reader" sounds like an impossible dream but we have set that as a goal for the ministry of the paper which from its beginning was designed to serve the cause of Christ by serving all of His people, not just a limited few.

CHURCH MEDIA-LIBRARY CENTER

TACMO is the new name of our associational Church Media-Library work. We met in October at Supply Baptist Church and formed an executive committee of four persons to handle organizational matters, thus allowing the regular meeting period to be used for study and training purposes.

In conjunction with the Columbus and the Wilmington Baptist Association, we met on November 10th at Southport Baptist Church for a Graphic Promotion workshop, led by Mancil Ezell, Nashville, Tenn.

We studied in January, also at Southport Baptist Church, the book, *A Church Media Library at Work.*

Mrs. Lee Z. Greer represented TACMO in the Key Leadership Conference held at Ridgecrest.

Calvary, Faith and Southport Baptist Churches attended a two day regional workshop held at Wake Forest Seminary in March.

Our banquet for Pastor's, their wives and other persons interested in media-library work was attended by 54 individuals. The banquet will now become an annual event.

Mill Creek Baptist Church requested help in organizing their church library. Another interested church is Mount Pisgah.

The TACMO Team is ready!

Mrs. Margaret J. Clemmons, Associational Director

CHURCH TRAINING

The task of Church Training is that of developing believers in the local church.

Held at Sabbath Home Baptist, "M" Night introduced thirteen churches to a variety of Church Training methods, from individual to specialized group training materials; and it encouraged everyone present through the inspirational message of Max Furr.

With 37 of the 192 present, Supply Baptist Church won the banner for attendance. Oak Grove Baptist Church with 87% of their total Church Training enrollment present, won the percentage banner.

As the result of the Church Training team involvement at the Caraway Conference Center, we conducted the "Developing Believers Conference" for the local church during March at Supply Baptist Church.

Although attendance was down at the Key Leadership conferences held at Calvary and Mill Creek Baptist Churches, emphasis on the "Scope of Church Training from Counseling to Christian Service" gave new insight into the possibilities existing for the training and the dedication needed to make Church Training count for Christ.

Another milestone came into the association last year: MASTERLIFE. Three of the pastors took advantage of the 26 weekly sessions conducted at Mount Olive Baptist Church.

I want to thank each church which has allowed us the use of its facilities for associational this church year and to remind all our churches that the Church Training Team is available whenever needed.

Bruce R. Cole, Associational Director

CONSTITUTION

Your Constitution Committee presented a completely rewritten and updated constitution at this year's annual session. It was accepted and so adopted. The constitution may be found printed in full under the Associational Section of this Minute Book.

John W. Butler, Chairman

CREDENTIALS

The Credentials Committee recommends that Grace Baptist Church, Rt. 3, Box 914, Shallotte, be admitted under the watchcare of the Brunswick Baptist Association and to submit quarterly reports as called for by the associational constitution for a period of one year before being admitted into the full fellowship of the Brunswick Baptist Association.

Tom L. Ballard, Chairman

DIRECTOR OF MISSIONS

The Southern Baptist theme this year has been, "Bold Mission Thrust: Reaching People, Develop Believers, and Strengthen Families." All of this simply means, God's people living the Christ-like life and sharing God's love with the lost multitudes.

The Southern Baptist Convention has scheduled Nationwide Simultaneous Revivals for the spring of 1986. The date for our area is March 9-16.

God has been so gracious to us and we have experienced a very fruitful year. The Southport Baptist Church is sponsoring a mission on the Long Beach Road and is in the soul-winning business. Boone's Neck Baptist Church has sponsored a preaching station at Holden Beach Camp Ground.

During our annual meeting last October, a sweet Christian spirit prevailed throughout each session. In November, Church Training "M" Night was well attended and enjoyed by everyone. In December, the Woman's Missionary Union opened the "Country Store" at the Ocean Trail Rest Home at Southport, which proved to be a blessing to the resident members. In January, an Associational Sunday School Rally was held at the Supply Baptist Church. We were challenged to become more active in witnessing for Christ. Our World Mission briefing meeting was held at Shallotte FBC.

Meanwhile in March, Vacation Bible School Clinics were well attended. The BAMCO Banquet for the pastors and wives was held at Supply Baptist Church. In May, we had the World Mission Conference with 18 churches participating. Also, 14 people attended the Key Leadership Conference at Ridgecrest. During July, two Associational Key Leadership Conferences were conducted. August and September are committee meeting months and time spent preparing for the annual meeting and the planning of the new year Calendar of Activities.

Many of our churches have improved their facilities. Shallotte FBC renovated their sanctuary, added new pews, carpet, windows, panelled class rooms, and plan to add a steeple. The Temple Baptist Church has been reorganized and the name changed to Grace Baptist Church. Oak Island FBC held Easter Sunday service in their new sanctuary although it was incomplete. Southport Baptist Church voted in July to build a new sanctuary. Mount Olive Baptist Church is building a fellowship hall and class rooms.

Town Creek Baptist Church has installed new pews, carpet, enlarged and paved the parking area. Goshen Baptist Church has renovated their sanctuary and added seating capacity. A new sanctuary is in the planning stages at Friendship Baptist Church. Jennie's Branch Baptist Church has purchased land and expanded their parking facilities.

New pastors coming to us during the year are as follows: Warren E. Booth, Shallotte FBC; Howard Carrigan, Grace; Franklin Myers, Sabbath Home; Ernest R. Oliver, Jr., Bethel; and Texas Dale Holden to Faith Baptist Churches.

May God continue to bless you and use you for His glory is my prayer.

Arthur R. Waisner, Director of Missions

EVANGELISM

We are told that only three percent of all lost people come to our churches on their own. The other 97 percent will die and go to hell unless we go to where they are and share Jesus with them. It is absolutely imperative that our church people come out of the beautiful church buildings into the market place and share with lost humanity the "Good News" of Jesus Christ.

All Baptists are urged to participate in the "Good News American God Loves You" revival in March and April of 1986. Every church is encouraged to plan a revival meeting during one of these suggested dates.

Churches are urged to have CWT or Lay Evangelism School training in preparation for the "Good News America" revivals. Bible distribution and a people search will be emphasized during October of 1985.

Many of our churches have already scheduled revival training seminars, Growing Evangelistic Churches in North Carolina seminars, and Spiritual Awaking seminars in 1985.

In February, in the midst of a snow storm, the Statewide Evangelism Conference was held at War Memorial Auditorium, Greensboro, with 2,500 in attendance. On February 4-5, 1985, the next or 35th conference will be held in Greensboro.

The Youth Evangelism Crusades were held in May this year at Chowan College, Winston-Salem, and Asheville with almost 4,000 young people in attendance.

The Evangelism Division sponsored 15 regional meetings in October designed for pastors and staff. This year the emphasis will be on the "Good News America" revivals.

Again, one of the hits of the year was the Single Adult Evangelism retreat. It, along with the vocational evangelists retreat are always well attended.

The first ever Mountain Pastors Evangelism Conference was held at Ridgecrest and was such a success the 1984 conference is already on the agenda.

V. C. Potter, Jr., Chairman

GENERAL BOARD

The General Board of the Baptist State Convention meets annually in January, May, and September to transact business and hear reports.

According to all indicators from throughout the work of North Carolina Baptists, 1983-84 has been very productive. Missions giving through the Cooperative Program and special offerings have increased. Teams of North Carolina Baptists have ministered in West Virginia, Togo, the European Baptist Convention, and in all the world.

The annual convention will be November 12-14 in Asheville, North Carolina this year. The main order of business will be to prayerfully select a new Executive Secretary-Treasurer. The Search Committee has nominated Dr. Roy J. Smith to this position. The General Board has unanimously agreed.

The most tedious item encountered this year has been the Christian Action League. You have probably heard that Coy Privette sold a copy of mailing labels to the Helms for Senate Campaign. The labels encompassed the entire convention's key leadership list. It is likely you received a copy of materials urging your support for Mr. Helms. The use of this list violated a trust relationship we have held with the league. Mr. Privette has publicly apologized for the error in judgement.

The Baptist Assembly at Fort Caswell was the center of attention for two reasons recently. First, Hurricane Diana caused people to fear for its safety, and with due cause. Second, Thomas W. McKay resigned as director to move

into private business in the Raleigh area. Mr. David Lloyd is acting director.

If I can ever assist in helping you understand more fully the way North Carolina Baptists function, please ask.

John W. Elder, Jr., General Board Representative

JENNIFER BROWN EMERGENCY CARE HOME

Families today face many problems and stresses. To meet these needs, the Baptist Children's Homes of North Carolina, Inc. offer a variety of services.

GROUP CARE: Where a larger family setting is more appropriate.

FOSTER CARE: Where a smaller family setting than Group Care is needed.

THERAPEUTIC CAMPING: Intense group process of behavior modification in a wildness camp setting.

MATERNITY CARE: Family situation for the never married pregnant girl.

FAMILY COUNSELING: To help eliminate the need for placement services or to follow-up services that have been used.

EMERGENCY CARE: Immediate placement for up to 90 days.

This year the Jennifer Brown Emergency Care Home has served 22 boys, age 5-16, from 17 counties, with an average stay of 51 days. There were a total of 1,132 child caring days along with 3,396 meals. From churches and friends there were 191 visits.

This has been a very busy and rewarding year. We producted a garden from which the boys helped to can and to store food in the freezers. Much was accomplished through hard work and play as they performed their daily house and yard chores.

With the help of friends and churches, the boys visited the North Carolina Zoo, Asheboro, and spent a long weekend in the McNeill Cottage, Indian Beach.

We want to thank each one who gave gifts of money, food, school supplies, home supplies, and etc. May God truly bless each and every one of you who cared enough to help these children.

Bobby R. and Clara Goodman, Houseparents

LONG RANGE PLANNING

The Long Range Planning Committee of the Brunswick Baptist Association has met several times during the past nine months. We have prayed over the work of our association. We have discussed present and future possibilities of its ministry. In July, we learned, along with the association, of the retirement of Brother Waisner at the end of 1985. With all this in the background, we present this preliminary report and ask for a continuation of our committee for one year.

We recommend that the association acquire five (5) or more acres of property in the Bolivia to Supply corridor. The location would need to be accessible from all areas of the county and preferably on US-17. The intended use of this property is to (1) build an Associational Office, (2) locate the Jennifer Brown Emergency Care Home in a new facility, (3) provide a recreational area for use by our association, and (4) build a Director of Missions parsonage. The consolidation of all our ministries in this centralized location would enhance all facets of future work. One option could be to retain the present Brown Care Home for use as a Director of Missions parsonage. Another option could be to sell that property and use the funds for the new structure. The funds from the Achuck property are also available.

We anticipate that in designing the office building, long range goals would be worked into physical realities such as associational Library-Media Center,

Music Library and Committee Room. Some have suggested an Activities Building that would also find use as an auditorium.

Once the appropriate property has been located and secured, then these other options would be set in priority and enacted as feasible.

Therefore, the Long Range Planning Committee asks permission from the association to begin searching for an appropriate parcel of property and to report back to the association when one is found. It is understood that this committee may make no final decisions. That is left up to the association in regular or special called session.

V. C. Potter, Jr., Chairman

MISSIONS

Your Associational Missions Committee has met during the year for its regular meetings to discuss associational needs in the missions area.

We had the opportunity in January to work with what is now Grace Baptist Church, Shallotte, to establish a congregation in the facilities of the old Temple Baptist Church building.

A few months ago the Southport Baptist Church began a mission on the Long Beach Road, Beach Road Baptist Mission. We had the privilege of sitting down with their leaders and discussing this new work.

We are still looking and hoping for some type of ministry to the seamen at the Sunny Point Military Terminal.

Hartwell E. Condrey, Chairman

MUSIC

Let me express my gratitude to the association for once again allowing me to serve as your Associational Music Director.

The highlight of this year certainly has to be our Music Conference held at Calvary Baptist Church on August 20, 21. We are indebted to Brother Charles Storry and his staff for a most wonderful and instructive evening.

The musical potential for our association is unlimited. It is hoped that we can "tap" some of it, and produce some "cooperative" blessings next year.

Already as a result of our music conference, some of our churches have been receiving help from our association and our state convention. By God's grace we're going to "tap" the tremendous musical resources of our fellowship and let God pour out blessings more than we can hold.

May God bless each of our sister churches, as we lift our hearts in praise and wonder in the coming year.

William B. Greer, Director

NORTH CAROLINA BAPTIST ASSEMBLY, CASWELL

The ministry of the North Carolina Baptist Assembly at Fort Caswell has been very exciting in dealing with the numerous challenges this year, and fruitful in the Christian impact to Baptist youth and adults throughout the state. Our attendance has been excellent with more and more churches using our facilities during the summer and during the spring/fall seasons. As of September, approximately 11,000 guests have been in attendance as the assembly.

The North Carolina Baptist Men and other volunteers have been very dedicated in their work ministry here at the assembly. Many contributions both in labor and materials have been made towards completing the several renovation projects under construction. We are very appreciative of their many hours of dedicated service.

In September, Hurricane Diana visited the assembly. Extensive damage was

caused to some of our buildings. Almost every building suffered roof damage, broken windows, water and structural damage. Much work has been done by volunteers in the repair of this damage.

With the continued involvement of the North Carolina Baptist Men and the beginning of our Capital Funds Campaign, we are hopeful that the classrooms, accommodations, and support facilities will be upgraded to the point where the full potential for Christian ministry at the North Carolina Baptist Assembly will be realized. Thank you for your involvement in this important endeavor.

David Lloyd, Acting Director

NORTH CAROLINA BAPTIST CHILDREN'S HOMES, INC.

COASTAL AREA FAMILY SERVICES

People continue to come to Baptist Children's Homes in an effort to find better ways of coping with family problems. More agencies are requesting help in working with families as well as help in working with children without families in an effort to help them better prepare for a better tomorrow. More and more groups, churches, and Sunday School classes are requesting programs on marriage, the family, and parenting.

The Coastal Area Family Services Center was established in May, 1981, and provides all services of our statewide institution to seven counties: Onslow, Pender, New Hanover, Brunswick, Carteret, Craven, and Pamlico. The Area's home office is located in Jacksonville in the New River Baptist Association, with a satellite office in Wilmington in the Wilmington Baptist Association. The Area staff consists of Mr. Burnie Collins as Area Director, Ms. Rebecca Estep as social worker, and Mrs. Sandy Kennedy as secretary.

Emergency care is offered in Brunswick County at the Jennifer Brown Emergency Care facility under the watchful eyes of Mr. and Mrs. Bobby R. Goodman, Child Care Workers.

In an effort to help churches and families be better prepared and better able to reach the potential of relationships that God intends for His families, programs such as Parenting, Parent-Teen Relationships, and Family Enrichment can be offered on a local basis.

We continue to praise the Lord for the faithfulness of the Baptists of North Carolina who have supported this child care ministry for almost one hundred years with their prayers, concern, understanding and financial resources.

Burnie F. Collins, Director of Coastal Family Services Area

NORTH CAROLINA BAPTIST FOUNDATION

For the North Carolina Baptist Foundation, the letters "E.T." have taken an especially significant meaning during the year 1983-84. This most exciting new idea was the creation of the Endowment Trust-Everybody's Trust.

The Endowment Trust you create may be started with as small a gift as $25.00. You may add a tax deductible gift to it as often as you wish, in whatever amount you wish. When the principal attains a minimum which you predetermine (usually $1,000), then the income earned is distributed to the Baptist cause which you have also predetermined. The income will be paid every year, after year, after year - forever!

The potential? If friends of just one-half the members of our churches who died each year should place their memorial gifts in Endowment Trusts to honor those persons, we could increase the support base of Baptist work by six millions dollars each year!

If 1,000 of us with vision should honor retiring pastors or faithful church leaders, or recognize the birthdays of venerable members with Endowment Trusts, that would place one million dollars in trust for Baptist causes!

If those of us who shop and search for a meaningful gift for parent or other loved one should give them, instead, a trust in their name, we would instantly make available millions of dollars for mission outreach!

The impact of the E.T. Trust, and the increasing awareness that we each have a responsibility for the eternal use of our material resources, has caused Baptists of North Carolina to give this past year through new trusts, designated additions to existing trusts, and through increased value of assets managed by the Foundation a total of $953,000. Income earned by trusts - income which is all paid out to Baptist causes or annuitants, was $534,000 last year.

Edwin S. Coates, Executive Secretary

NORTH CAROLINA BAPTIST HOSPITAL, INC.

During the past year Baptist Hospital admitted 24,577 patients for a total of 218,735 days of patient care. There were 211,547 outpatient clinic visits and 31,930 visits to the emergency room. Surgical procedures totaled 11,816 including 700 open heart operations and 20 kidney transplants. Several clinical advances during the past year serve as examples of the hospital's quality of care. (1) Neurosurgeons have developed a new procedure for treating head injuries. (2) Improvements in perinatal care with special emphasis on prevention of preterm labor. (3) A new treatment offers relief without surgery for many patients suffering from ruptured vertibral discs. (4) Many patients with kidney stones should benefit from the use of new equipment being acquired in the Section on Urology.

The School of Pastoral Care during the past year provided clinical pastoral education to 276 ministers. Chaplains in the Department of Pastoral Care made more than 33,000 visits to patients, families of patients, and hospital staff. The department also provided more than 20,000 hours of pastoral counseling at its various centers in Winston-Salem, Fayetteville, Raleigh, Morganton, and Charlotte. Dr. J. Dewey Hobbs began his work on March 15, as the new director of the Department of Pastoral Care.

The hospital received $351,801 through the North Carolina Missions Offering during the fiscal year. A total of 418 patients received financial assistance on their bills through this fund. These bills ranged in size from $20 to $21,000.

The trustees, staff and especially the patients at Baptist Hospital are deeply grateful to the Baptist churches for their continuing support.

John E. Lynch, President

NORTH CAROLINA BAPTIST RETIREMENT HOMES, INC.

From October, 1983-April, 1984, you gave 26.3% of the Homes total income through your Cooperative Program, North Carolina Missions Offering and special gifts. This support covered 77% of the Homes' benevolent care ministry. Benevolent care projections for the fiscal year ending September 30, 1984, are running at about $1,000,000. Mission gifts, it appears, will fall short of the need by some $250,000. During the 1983 fiscal year, mission support was $306,000 less than the need. Currently, approximately 40% of the residents in the five Homes are able to cover their full cost of care. Ten percent of the Nursing Care residents underwrite their full cost of care.

Operating expenses for the Homes' ministry increased approximately 3% during the 1983 fiscal year. Currently, expenses are running 3.6% ahead of the same period last year. The 220 Baptist Homes' employees are responsible for such a modest increase. They are truly a special part of the Homes' ministry with older persons. Faithful staff members and their dedication to the Homes' and the residents add an important plus as the Homes minister with older

persons.

For the first time in the Homes' history, a state-wide Capital Funds Campaign has been undertaken. Fred Lovette, retired President and Chairman of the Board for Holly Farms, has given unselfishly of his time to pull together key leaders across North Carolina to formulate an Advisory Team and leadership people to raise $2.5 million through the "A Call to Remember . . ." Campaign.

In closing, we must realize that long-term care of older persons means just that. Life expectancy figures indicate that the Homes can anticipate providing approximately 8 years of care for 80 year old residents. Also, the growing segment of our population is the 65 plus group. I feel that as Baptists we want to be on the cutting edge of an effective ministry with this growing group of individuals.

William A. Poole, President

RESOLUTIONS

We, the Resolutions Committee, recommend:

That we, as messengers of this Eighty-Sixth Annual Session of the Brunswick Baptist Association, express:

1. Our thanks unto God for this another opportunity of spiritual worship, inspiration and to meet again for these two days of the annual session.

2. Our appreciation to the pastors and the members of Calvary and Southport Baptist Churches for generously offering their facilities to the churches of the Brunswick Baptist Association and for providing the bountiful meals at each session.

3. Our sincerest thanks to the Director of Missions, Arthur R. Waisner and Mrs. Waisner, to each associational officer, to the speaker of the day, to each individual who shared in the most successful program of this the Eighty-Sixth Annual Session of the Brunswick Baptist Association.

4. Our collective prayers of thanksgiving to our Lord for the substance of His blessings this past year; that we every day call upon the Holy Spirit to guide each of us in both our spiritual and physical needs.

5. Our desire to call upon God daily to guide and protect us until we meet again.

John W. Butler for the Resolutions Committee

SEMINARY EXTENSION

"Learning: For Ministry, For Life" aptly describes Seminary Extension work in North Carolina. A new record of 87 Seminary Extension centers in our state last year helped equip individuals for more effective ministry through their churches. The department also operated a program through Shaw Divinity School, Raleigh, and established 23 centers in General Baptist churches and associations obtaining 907 registrations.

Another area involves an exciting Seminary Extension program for prison inmates. During the year 287 courses were provided for inmates through the state missions program.

Ministry education is not "a once for all" proposition. Anyone who seeks to serve the Lord, whether full-time, part-time, or volunteer, must be constantly learning and growing as a person. Seminary Extension helps introduce these ministers to new information and new insights, regardless of the level of formal education they may have had in the past.

The local character of the centers is reflected in the fact that most of them are sponsored by Baptist associations. Seminary trained pastors teach courses designed by seminary professors. A center director or committee within each community makes decisions about class schedules and specific courses to be offered.

SENIOR CITIZEN

Senior Citizens traveled to the Amish country, to Florida to view the Passion Play, to Niagra Falls, to Canada, and to Nashville, Tennessee. We did other trips locally throughout the year. Sharing, fellowship, loving one another and making new friends has indeed helped many of our Seniors this year.

Sabbath Home, Shallotte FBC, Shell Point, Antioch, Soldier Bay and Supply Baptist Churches held special activities for their Seniors.

Friendship Lines . . . Are you calling your shut-in neighbor to see how they are doing? Reading a letter to one that can not see so well anymore? Are you saying I love you to your mom, grandmom, pop, grandpop or any other Senior today?

I congratulate Mrs. Lucas Marie Simmons, Senior Citizen Volunteer winner for Brunswick County. She received county recognition and also the Governor's Award in Raleigh.

And I specially thank all our Coordinators throughout our Brunswick Baptist Association. Indeed, we could not do without your efforts and untiring love and concern for others.

I do especially thank all the young folks for their kindness to our Senior Citizens . . . their love and concern to make life here a better one for their loved ones.

My greatest wish is to see every church in our association have an active Senior Citizen organization.

Mrs. Ouida H. Hewett, Director

STEWARDSHIP

Stewardship is a word with many suggested avenues of thought. It has to do with what God has entrusted to us. "Money" seems to be in the forefront every way we turn. The Bible tells us in I Timothy 6:10, the love of money is the root of evil. Notice it did not say money is the root of all evil, but, the love of it. We are accountable to God how we use our money.

A faithful Steward will follow the Biblical plan by giving ten percent to support God's Kingdom work. The best way to do this is through the local

church and the Cooperative Program.

Every person has some God given talent and it is to be used for the glory of God. Ephesians 4:11, tells us that he gave some, Apostles; and some Prophets; and some, Evangelists; and some, Pastors and Teachers.

We are to utilize our time. Ephesians 5:15-16, tells us, "See then that ye walk circumspectly, not as fools, but as wise, redeeming the time, because the days are evil."

We walk this way once in a lifetime, so let us use our "money"; our "time"; and "talent" to lay up treasures in heaven.

Frank R. Hewett, Chairman

SUNDAY SCHOOL

In 1980, the concept of an Associational Sunday School Assisteam came into being. The team has an overall director with qualified workers for each department in the Sunday School to help train the teacher and to assist in developing an effective outreach program through the Sunday School in each local church.

Our Assisteam plans to attend several training sessions each year. After this training is completed, they will conduct an associational workshop in order to keep the churches abreast with the ways and means our convention are using to promote the Sunday School work.

This year, 1985, Southern Baptists are working to reach an all time high in Sunday School enrollment. The goal from 1980 to 1985 is 8.5 million people. We are to help reach this goal by conducting a Sunday School Enlargement Campaign, October 20-24, throughout the association. For the churches that are not participating, your Assisteam is encouraging each church to set a percentage or a number goal to help meet the convention goal of 8.5 in '85.

Pastors, Sunday School Directors and workers, sit down together and form realistic goals for your Sunday School, work hard to reach them and thereby see your school grow. Its not just a numerical goal that we are reaching for, but the lost and unchurched of Brunswick County.

Please help us to help you by calling on your Assisteam if the need arises.

Macon M. Wood, Associational Director

VACATION BIBLE SCHOOL

In the final report there were 31 Vacation Bible Schools held in the Brunswick Baptist Association. From this information several things can be determined:

(1) Attendance will be good as the churches seek to minister to persons in their communities.

(2) More unreached individuals are being discovered through Vacation Bible School.

(3) There is a growing number of young people being involved in these Vacation Bible Schools.

Some things are observable for which no statistics are available. It is my conviction that the churches are doing a more thorough job of conducting the schools than ever before. To that end, those of us who are responsible for the work in the association, will do our utmost to equip the churches.

Avery Lumsden, Associational Vacation Bible School Director

WOMAN'S MISSIONARY UNION

The 1984-85 WMU year opened with two workshop - one at Shallotte FBC and the other at Elah Baptist Church. We reached a total of sixteen churches and 98 women.

Enlistment and enlargement was the focus of our attention as the WMU and Baptist Women Directors went in mid-October to Calabash FBC to talk about beginning work there. The results - a Baptist Women's and a GA group organized. On October 24th an Enlistment/Enlargement Conference was held with Mrs. Bessie Cooke and Mrs. Yvonne Lewis of the Wilmington Baptist Association leading the conference. Attendance was 43 members from twelve churches. During the year there was a total of four new GA organizations, one Baptist Young Women, two Baptist Women, and some growth in the areas of Acteens and Mission Friends.

A study in the Foreign Mission series held at Lake Forest Baptist Church in Wilmington, was attended by two council members and one Baptist Women member from Antioch Baptist Church.

In November we were deeply saddened by the critical illness of our beloved Assistant GA Director, Mrs. Emma R. Young. Shortly after her death in December, your WMU Council established the Emma R. Young Memorial Fund to which many individuals and GA organizations and churches have contributed. The interest will be used in a way that will exemplify the deep and continuing interest that Emma felt for the Girls in Action program of the local churches and the Brunswick Baptist Association.

During the Fall and Spring Mrs. Reva Cable taught more than fifteen adult classes in the Home Missions series, with several council members sharing in the teaching of the Foreign Mission studies. The Mission Education Lab, sponsored by the state WMU, and held in Goldsboro, was attended by fifteen women.

In November, we sent out a call for packages of chewing gum to be placed in Christmas boxes for inmates of Women's Prison, a ministry sponsored by the state WMU. We filled our quota nd had many packages left over to share with the Jennifer Brown Emergency Care Home, the Brunswick Missions Center, Ocean Trail Rest Home and GA Overnight Camp.

December brought special emphasis on the Week of Prayer for Foreign Missions in the churches and the County Store at Christmas time at Ocean Trail Rest Home, Southport.

In February, we urged the observance of WMU Focus Week in the local church. WMU sponsored an associational-wide study of the How-to-Guide series for all church leaders. Study course credit was given for WMU, Sunday School and Church Training.

March was a busy month as we emphasized the Week of Prayer for Home Missions, Acteens held their "Reach Out and Touch" conference, and the Baptist Women/Baptist Young Women Clinic was held. Our attendance at the state annual session in Fayetteville was very good.

In April, the GA's held a picnic for GA's, parents, pastors and leaders at Boiling Spring Lakes FBC.

The WMU Council hosted a Missions Rally dinner for the visiting missionary team in preparation for the World Missions Conference.

The Acteens Banquet held at Old Shallotte Baptist Church was well planned and those who attended were loud in their praise of how meaningful it was to them.

May brought the state Key Leadership Conference at Ridgecrest. Later in the month, Baptist Young Women, under the leadership of Mrs. Jackie Smith, put on a World Missions Fair at Supply Baptist Church.

Only eighteen women from eight churches attended the two Associational Key Leadership Conferences. There was much discussion about the possibility of either cancelling these in the future or holding them after new officers and leaders are elected by the churches. WMU will, of course, be

guided by the wishes of the association in the matter.

In early August many WMU Council members were privileged to attend the State Workshop held at Caraway Conference Center. The GA's held their "biggest and best ever" Overnight Camp at Caswell Baptist Assembly with Dr. and Mrs. Jack Gentry, missionaries to Taiwan, as camp missionaries.

Mrs. Susan S. Carson, Associational Director

WMU ENLISTMENT/ENLARGEMENT

Enlistment plans of WMU have two important goals: (1) Numerical - WMU works to gain as many members as possible; and (2) Qualitative - WMU works to help each member attain her full potential for involvement in missions.

This approach urges the WMU member to lead the prospect or new member to realize the dynamic, life-changing role of WMU in her life.

In October a "Catch the Spirit" (enlistment/enlargement) Workshop was held at Bolivia Baptist Church with 43 women from twelve churches in attendance. This workshop was conducted by Mrs. Bessie Cooke and Mrs. Yvonne Lewis of the Wilmington Baptist Association.

As a result of our Enlistment/Enlargement emphasis this year, we have been able to re-organize Baptist Women in two churches and have added Baptist Young Women in one church and Girls in Action in five churches. The latest growth figures for Acteens and Mission Friends are not available at this time.

Mrs. Rebecca B. Chapman, Enlistment/Enlargement Director

ACTEENS

This year, eighteen churches in the Brunswick Baptist Association have Acteen organizations. There has been a growth spurt of five new groups since September of 1983.

I began my work this year with our WMU Leadership Training Workshops, held on October 3rd and 10th. The last of October, we shared Enlistment/Enlargement ideas at Bolivia Baptist Church. Attendance was small but the fellowship was fantastic.

In December, Acteens from the various churches were involved in helping with the "Country Store" at the Ocean Trail Rest Home, Southport. The following February, the council held the "How to Guide Youth" series for all age levels.

In March, I held a "Reach Out and Touch" ministry retreat for all Acteens and their leaders. The purpose of the retreat was to lead Acteens to understand responsibility for ministry in their world. The retreat was well attended.

"Partners in a Small, Small World," our annual banquet, was well attended. The Acteen groups represented different countries by: designing a native costume, preparing and serving typical foods, and cultural displays. Our guest speaker was "Missionary Kid" Sheryl K. Dennis and her husband, Jeffrey Dennis, presently living in Wilmore, Kentucky. Together, they gave a presentation on the missionary work in Africa, where Sheryl's parents are currently serving. Our evening ended with all the girls and leaders giving a fashion show, representing countries of the world.

Mrs. Orbie Smith, Director

GIRLS IN ACTION

In the year just passed, we have seen Girls in Action grow in the Brunswick Baptist Association with new organizations at Bolivia, Calabash FBC, Farmer's Chapel and Gospel Center Baptist Churches.

The GA leaders and directors had the choice of attending "How to Have a GA Meeting" or "Missions Adventures" at the annual leader training workshops.

On November 19th, seven GA leaders attended the "Missions Education Lab" in Goldsboro. Also, in November, our Assistant GA Director, Mrs. Emma R. Young, was hospitalized.

Miss Hattie Gardner, a retired missionary to Nigeria, met with 46 GA's during an autograph party for copies of her missionary biography held at Lake Forest Baptist Church, Wilmington.

Our dear "Miss Emma" died on December 26, leaving a great void in GA work in the Brunswick Baptist Association. As a permanent memorial to her, our associational council established the Emma R. Young Memorial GA Fund, with the interest from the fund to be used for associational GA activities.

In February, GA leaders met at Supply Baptist Church to study the book *How to Guide Children.* Study course credit was given as various leaders worked toward their WMU Leadership diplomas.

Just for fun, we had a picnic for Moms, Dads, GA's, Pastors and Leaders at Boiling Spring Lakes FBC in April. After eating lots of good food, playing games and singing, we enjoyed a slide show of GA activities.

GA's and leaders also participated in the Missions May Fair held at Supply Baptist Church in May under the sponsorship of Baptist Young Women.

At the GA Overnight Camp, Caswell Baptist Assembly, Dr. and Mrs. Jack Gentry, missionaries to Taiwan, thrilled 192 GA's and their leaders with slides and curios of Southern Baptist life and work in Taiwan.

Mrs. Carol Hardee, GA Director

MISSION FRIENDS

The year began with our annual Workshops which were the best attended in many years. Our Mission Friends leaders are really getting excited about the opportunity of providing missions education for preschoolers.

September 24th - Mission Friends leaders participated in the study of *Understanding Preschoolers,* a book in the convention's "Understanding" series.

December 10th - Several Mission Friends, parents and leaders took part in the County Store project at Ocean Trail Rest Home.

February 18th - The book *How to Guide Preschoolers* was taught.

Mission Friends work in many of our churches has been renewed and there are new organizations at Ocean View, Farmer's Chapel, Bolivia, Oak Island FBC and Gospel Center Baptist Churches.

YOUTH

The youth of the Brunswick Baptist Association held four meetings during the 1983-84 church year. One was the annual Youth Banquet held at Antioch Baptist Church, which featured "Crossroads," a quartet from Campbell University. Other groups from Wake Forest University and a youth choir from Virginia were present.

The Youth Leaders of the association met to discuss youth needs within Brunswick County. The general concensus was that we need to strengthen and build up our youth ministry through such existing organizations as the Sunday School and the Church Training groups. Our policy is to encourage anyone who wishes to stage a youth rally as long as this does not become overwhelming - that is too many meetings too close together.

Lindsay F. Miller, III, Associational Director

LEBANON BAPTIST CHURCH - 1873

Records state that Lebanon Baptist Church was constituted in 1873. However, it is known that regular worship services were held early as 1869 in the Funston Area of Brunswick County. This same group of individuals later founded Lebanon. Tradition says the church was formed as the result of disunity within the nearby churches.

Older church members have stated that the present building was in use at the time of the Charleston earthquake of 1886. The original deed for Lebanon Baptist Church can be found in Brunswick County Deed Book V, page 248-249, Bolivia, North Carolina.

The present day structure, with the additions made in recent years, is believed to be the original church building. A WPA survey made in the 1940's states there was another church house prior to 1905. This is believed to be a reference to a mission that the church sponsored or helped at one time and is in error.

This WPA survey states:

"Lebanon Baptist Church, 1873, Winnabow, Brunswick County. Constituted 1873. A member of Cape Fear Association, 1873-98; of Cape Fear-Columbus Association, 1899; received into Brunswick Association, 1900. First building, 1873-1905, a one-room frame structure located 2 miles from present site.

Present building, 1905--, a rectangular frame structure with bell, plain-glass windows, and seating capacity of 150: dedicated 1905, rebuilt 1935. First resident clergyman, Rev. A.A. Edwards, 1873-79. The church has reported a Sunday School since 1884. Church membership in 1873, 11; in 1878, 41; in 1883, 61; in 1898, 104; in 1910, 133; in 1920, 130; in 1930, 129; and in 1938, 94." Membership was in 1950, 129; and in 1984, 83.

Over the years the population within the church field has slowly dwindled as the Naval Stores industry was closed down. During the peak population days, a school "Dawes Creek Academy" flourished in the community. Severl of the pastors taught at the Academy.

Lebanon Baptist Church promotes a Sunday School, Church Training, WMU, and Brotherhood organization.

Pastors include: A.A. Edwards, Lorenzo Sellers, W.S. Ballard, J.H. Hildreth, B.G. Early, L.A. Brown, J.C. Mizell, J.A. Bryson, P.T. Britt, W.E. Guy, Braxton Craig, H.M. Hocutt, B.R. Page, L.R. Jorden, M.L. Mintz, Woodrow W. Robbins, Carl Tally, H.M. Baker, T.W. Hewett, F. Elwood Gore, H. Ellis Lanier, Donald Farrow, Charles D. Murry, Charles E. Stines, James K. Johnson, Raymond W. Hall, George W. White, William F. Deitz, Kenneth D. Benton and L.D. Smith, Jr.

PROSPECT BAPTIST CHURCH - 1891

On Sunday, March 3, 1891, Prospect Baptist Church, Supply, North Carolina, was constituted with A.A. Edwards, Moderator and S.J. Stanley, Clerk. The church membership was composed of 13 males and 13 females. The Philadelphia Confession of Faith of 1742 was adopted. A.A. Edwards was called as the pastor. The deacons were B.L. Holden and Asbury Simmons. Jefferson Sellers was elected Sunday School Superintendent on April 6, 1891.

The first notation concerning the church buiding states that during November of 1885, donations were received toward the purchase of a lamp for the church. The ceiling was applied in 1899. In 1914, it was refloored and the building enlarged during 1918. A bell was acquired in 1922.

In December of 1935, a Building Committee with H.L. Clemmons, Chairman, R.D. Clemmons and R.L. Phelps were appointed. The new church building, a frame structure with plain-glass windows, bell, belfry, and a seating capacity of 150, was constructed beside the present building. The dedication was held on Thanksgiving Day, 1938.

By 1953, plans were underway for new Sunday School rooms. From this date until into the 1960's, the money collected from the various church activities was placed in the Building Fund.

Donations were received during the year of 1900 from sisters B.V. Holden and Ella Simmons to purchase the Pulpit Bible. The site on which the church stands was given by Badger L. Holden. The deed was recorded in 1901. Then, in December of 1905, a branch Sunday School, Sabbeth Home, was organized. Available records point to the fact that within a few years all members returned to Prospect Baptist Church.

Clifton Clemmons in August of 1941, was licensed by the church to preach the gospel. He was ordained shortly after the new year began. In April of 1943, Thurston Little was also licensed to preach the gospel. William Reynolds, while serving as pastor, was ordained on February 10, 1963.

The church building burned on December 21, 1962, due to the furnace malfunctioning. The congregation met the following night "to make plans for the future." Many of the sister churches of the Brunswick Baptist Association gave financial help. This help along with the efforts of the congregation made possible the ground breaking for a new church building on March 24,1963. The dedication service was delivered by J. Bryan Dosher on November 22, 1964.

There was a period of time, when due to the loss of older members and young people leaving the community, the church functioned at a low ebb. Today, the church is experiencing a growth of renewed interest by median-aged adults and increased Sunday School attendance in all age groups.

Prospect Baptist Church was probably a member of the old Brunswick Baptist Association, 1891-94; a member of the Cape Fear Baptist Association, 1895-98; of the Cape Fear-Columbus Baptist Association, 1899; and the present day Brunswick Baptist Association since 1898. The church has reported a Sunday School since 1885. Church membership was in 1895, 36; 1910, 50; 1938, 56; 1960, 76; and in 1984, 28. The first Training Union was organized in July of 1954.

Charter members on Sunday, March 3, 1891 were: Anthony B. Clemmons, Rufus B. Clemmons, Beauregard Clemmons, George Clemmons, E.L. Clemmons, O.D. Clemmons, Davis Clemmons, H.J. Clemmons, F.T. Clemmons, T.A. Clemmons, J.T. Clemmons, F.R. Woodard, Lydia Simmons, Henrietta Long, A.H. Holden, Lydia A. Holden, Catharine Clemmons, Orena Clemmons, A.H. Clemmons, M.E. Clemmons, Catherine A. Introduction

All minutes of the Brunswick Baptist Association for the years 1985 and 1986 are missing and no Annuals were published for those years. Realizing the importance of those years to the history of this Association, the Executive Board, in regular session on October 10, 1988, authorized E.J. Prevatte, Parliamentarian, and Susan Carson, Clerk, to gather any information that might be available on those two years and to prepare and publish a combined Annual for the two years. This publication is the result of that action taken by the Executive Board.

For the sake of clarity, we have divided the information into two separate sections which are so labeled. It is our hope and prayer that the information assembled here will be of value to the churches and helpful in continuing the written history of the Brunswick Baptist Association throughout its ninety years of existence.

ARTHUR R. WAISNER

By vote of the Brunswick Baptist Association in Annual Session at the Sunset Harbor Baptist Church on October 25, 1985, these Minutes of the Association's Eighty-seventh Session are dedicated to the Rev. Arthur R. Waisner, our devoted Director of Missions from the time of his call by the Association on January 1, 1969, until his retirement on December 31, 1985.

Arthur R. Waisner, a native of Stanly County, North Carolina, was born August 20, 1920, the son of Thomas and Emma Waisner. He became a Christian in 1940. In 1941 he married the former Gracie Blalock and their marriage has been blessed by a son and two daughters, and now two grandchildren.

Following his active duty in World War II, Mr. Waisner was employed by Wiscassett Hosiery Mill in Albemarle, North Carolina, but feeling a strong call to the ministry and being willing to serve where God would have him, he attended Wingate College and Catawba College and also took seminary courses.

In the course of his ministry, the Rev. Mr. Waisner pastored Antioch, Richfield and Red Cross Baptist churches in the Stanly Association, and Supply Baptist Church in the Brunswick Association. It was from Supply Church that he was called to serve as the Brunswick Association's Director of Missions.

Mr. and Mrs. Waisner are now living in retirement in Salisbury, North Carolina.

Guidelines for Director of Missions

BRUNSWICK BAPTIST ASSOCIATION

May 26, 1969

Revised July 12, 1976; October 25, 1979

1. Seek to promote the Kingdom of our Lord in all Churches and Missions and other mission areas within the bounds of the Association as opportunity arises and need warrants.

2. Work in close cooperation with the Missions Committee of the Association in carrying out the activities and purposes of the Association.

3. Seek the cooperation of the pastors of the churches and other leaders in the Association and churches in promoting the work of the Association and denomination through the several organizations and committees.

4. Accept invitations from pastors and churches on a first come first served basis, unless mutually worked out otherwise with parties involved.

5. Assist in denominational activity outside the Brunswick Baptist Association as time will allow and as mutually agreed upon by the Missions Committee and the Director of Missions.

6. Make a monthly report to the Chairman of the Missions Committee and place a copy of the report on file in the Associational Office.

7. Turn all monies collected from the churches into the Associational Treasury, except as herein stated:

(1) From Revivals (two outside Association annually).

(2) He shall be privileged to retain any monies received while supplying for a Brunswick Association pastor, when that pastor is deliberately away from his pulpit and for which said pastor receives an honorarium (such as revivals). Any pulpit supply remuneration granted by a church in the Brunswick Association shall be placed in the Association Treasury. (No Director of Missions would desire to jeopardize the goodwill of a pastor or church by accepting an unwarranted remuneration.) This is intended as protection for the Association and Director of Missions.

8. Shall not accept the pastorate of any church within the bounds of the Brunswick Baptist Association while serving as Director of Missions; shall not serve as interim pastor of any church for a period of more than three consecutive preaching Sundays. He shall assist the churches in securing interim pastors or permanent pastors, as requested.

9. Shall be granted annual vacation as follows: One through five years of service-two weeks; six years and up-three weeks. Vacations are not cumulative from year to year; however, one week of vacation may be carried over to the following year. It is strongly recommended that all vacation time be utilized to ensure the Director of Missions and his family the proper rest and relaxation.

10. He may attend the State Baptist Convention and Southern Baptist Convention, or any other Assembly or Conference helpful in his work as time and expense allowance will permit.

11. Shall be provided office space with basic equipment at a place convenient and suitable to the Director of Missions and Missions Committee. A telephone shall be included in the office.

12. His annual salary and other allowances are subject to be reviewed and adjusted each year at the Annual Meeting of the Association upon the recommendation of the Missions Committee and Finance Committee and upon approval of the Executive Committee of the Association.

13. These guidelines are subject to be changed or amended from time to time as the need arises. This shall be the duty of the Missions Committee after conference with the Director of Missions and shall be consistent with the policies and objectives of the Association.

Respectfully submitted,
Missions Committee:
A.G. Ferris, Chairman
J.D. Hewett
James J. Hawes
John W. Butler
Joseph C. Stanley

Church Training is scriptural. We in our association must realize that Church Training is at the heart of the Gospel. "M" Night was held at First Baptist Church, Shallotte. Supply Baptist Church won the banner for attendance with 38. First Baptist Church, Shallotte won the banner for percentage with 81 percent. The total present was 142.

I was elected to serve as Church Training Director when Bruce Cole moved to another church field. I am looking forward to serving you any way I can. Please keep me in your prayers.

The attendance was low for our Key Leadership Conference held at Goshen and Shell Point Baptist Churches. We really need your support at these conferences.

Pray for your Church Training Associational Team. Let's make Church Training in our association the best ever for 1985-86. With the prayers of God's people and the power of God's Word, we can make an impact for Jesus Christ in Brunswick County.

Your fellowlaborer in Christ,
Stephen Burrow
Associational Director

Director of Missions Report
1985

Dear Christian Friends:

The year 1985 has been filled with good things for the Brunswick Baptist Association. I shall not go into detail and bore you with the number of meetings and conferences that I have attended or how many times I have preached or how many miles that I have traveled. Looking in retrospect our churches, during the past years, have built new facilities and renovated present buildings.

In order to keep pace with the population growth, we must continue to provide space to accommodate the growth each year. If we do not take advantage of these opportunities other groups will. We had the smallest number of new pastors coming to us that we have had in a long time, this speaks well of our people.

Our new pastors are as follows: Rev. Jerry Darnell, Community Chapel; Rev. Donald Hardwick, Shell Point; Rev. Russell Hewitt, Oak Grove; Rev. W.A. Barnhill was licensed and ordained and is serving as pastor of South Brunswick Mission. Rev. Henry Thompson was ordained and is serving as pastor of the Service by the Sea Mission at Holden Beach.

Our Beach Road Mission is moving forward with Rev. Bobby Norton as pastor. Rev. Robert Bogart, comes to Antioch as the new pastor. We have new leadership at Caswell. Mr. Richard Holbrook, replaces Mr. Tom McKey. We also have new house parents at the Jennifer Brown Home, Mr. and Mrs. Zobie Garner. The long-range planning committee has been very busy seeking property to locate a new office building and other facilities. I want to thank every Associational officer for your assistance during the year; the fellowship among our pastors and laypeople will surpass that of many associations.

These 17 years serving as your Director of Missions has been a challenge, a demanding and fulfilling experience. The people of Brunswick Association have a way of touching the very interbeing of a person. My roots have grown very deep during these years, but, the time comes to all of us when adjustments must be made. I shall always have a heart filled with love and gratitude for the people in the Brunswick Baptist Association.

I come now to the difficult part of my report. I offer my resignation as Director of Missions for the Brunswick Baptist Association to become effective December 31, 1985.

I shall continue to follow with deep interest the progress of our beloved Association. My prayers shall be for God's blessings to be upon all that you do in the name of our Lord and Saviour.

I love you with all of my heart and will not say good-bye but, so-long for now.

Respectfully submitted,
A.R. Waisner

Evangelism Report 1985

We are told that only three percent of all the lost people come to our churches on their own. This means that 97 percent are out there lost without help, without hope, without strength. These people will die and go to hell unless we go to where they are and share Jesus with them. It is absolutely imperative that our church people come out of the beautiful church buildings into the market place and share with lost humanity the "Good News" of Jesus.

All Baptists are urged to participate in the "Good News America. God Loves You" revival in March and April 1986. The revival dates for the areas are: Eastern, March 9-16; Piedmont, March 23-30; and Western, April 6-13, 1986. Every church is encouraged to plan a revival meeting during one of these suggested dates. Let us pray daily that every unsaved person in North Carolina will have the opportunity to hear the gospel of Christ by the end of 1986.

Churches are urged to have a CWT or Lay Evangelism School training in preparation for the "Good News America" revivals. Bible distribution and a people search will be emphasized during October 1985.

Many of our churches have already scheduled revival training seminars, Growing Evangelistic Churches in North Carolina seminars, and Spiritual Awakening seminars for 1985-1986.

In February, in the midst of an ice storm, the Statewide Evangelism Conference was held at War Memorial Auditorium and Coliseum, Greensboro. Jo Ann Shelton and Loeen Bushman led the music and Dr. John Sullivan, Dr. John Bisagno, Dr. Bill Jones, Dr. James Pleitz, Dr. William Tanner, and Dr. Charles Page preached to the 2,500 in attendance. On February 3-4, 1986, the 40th Conference will be held in Greensboro Coliseum with Dr. George Harris, Dr. Frank Crumpler, Dr. Leonard Sanderson, Dr. Frederick Sampson, and Dr. Jim Henry bringing the messages.

Super Summer '85 was held in July this year at Wake Forest University, July 10-12, with the Crusade on Friday night in Greensboro with almost 10,000 young people in attendance.

The Evangelism Division sponsored 15 regional meetings in October designed for pastors and staff. These meetings will be held each year to inform and educate the staff on coming evangelism events and programs. The meetings begin at 10:00 a.m. and last until noon with lunch being served. This year the emphasis will be on the "Good News America" revivals.

Again, one of the hits of the year was the Single Adult Evangelism Retreat. This is the third year for this retreat and it, along with the Vocational Evangelists' Retreat, is always well attended.

The second Mountain Pastors' Evangelism Conference was held at Ridgecrest and was such a success the 1985 conference is already on the agenda. Designed for the mountain pastor and his wife, the conference begins on Friday afternoon and concludes Saturday at 2:00 p.m.

With baptisms down this year, let's pray God will use each of us to win one in 1985-86.

Remember in March and April of 1986, "Good News America. God Loves You" Revival services. Our association dates are March 9-16. Pray much.

S.L. Doty, Jr., Chairman

Jennifer Brown Emergency Care Home

This has been a busy and productive year for the Jennifer Brown Emergency Care Home Committee. We have sought to discharge our responsibility to the Association by caring for and maintaining the physical property. This has included such things as minor repairs to equipment and major things, as in reroofing the buildings. Our objective has been to preserve the physical plant as well as making it safe and comfortable.

In September, we experienced a change of house parents. Bobby and Clara Goodman asked to be transferred to Charlotte in order to be nearer their families. They go to their new assignment with our love and gratitude. The Lord sent Zobie and Glenna Garner to minister in our midst as the new house parents, that the home could continue to function without interruption is something for which we must all praise the Lord. You will want to meet Mr. and Mrs. Garner and assure them of your love and support.

One of the highlights of the year was the celebration of 100 years of ministry by the Baptist Children's Homes. This committee rejoiced to be a part of this event. It was observed locally on June 20, 1985, at Supply Baptist Church with a dinner and recognition of a team of runners and representatives from the Baptist Children's Home. The focus was on the redemptive love of our child care ministry.

Consider three factors that will govern the future success of the Home:

1. This association must give serious consideration to upgrading our facility. We cannot now provide care for both boys and girls and this limits our effectiveness. In addition, we need to increase our capacity and provide more suitable accommodations for the house parents.
2. The churches must undergird this ministry with their money. Continuing and adequate support will be assured if the Jennifer Brown Emergency Care Home is included in the budgets of the churches.
3. Highest priority must be given to securing relief house parents of the home. Somewhere, in our splendid Baptist family, there is someone who can provide assistance. The license for the Home is placed in jeopardy when we cannot give the house parents adequate rest and relaxation.

Respectfully submitted,
Rev. Avery Lumsden
Chairman, Jennifer Brown Emergency Care Home

Long Range Planning Committee Report

The committee chairman, Rev. John W. Elder, Jr., resigned in July 1985, after two years as chairman. At the closing of the Executive Committee meeting, July 15, 1985, he reported to the committee that four and one half acres were found and available in the Supply, Bolivia, corridor on Highway 17, for an associational complex, as recommended October 25-26, 1984.

Rev. James A. Whitworth was asked and agreed to serve as chairman of this

committee, to fulfill the 1984-1985 year. The Committee on Committees asked him to serve as Chairman for 1985-1986, upon your approval.

In the last three months the committee has met three times, toured the proposed and other property.

There is a great spirit of cooperation, Christian love and respect among the members as we prayed, met many hours, divided into subcommittees for work to be done and plan to have some recommendations ready for our Annual meeting, October 24-25, 1985. We request your earnest prayers and firmly believe the Holy Spirit is leading this work.

Respectfully submitted,
Rev. James A. Whitworth, Chairman

The Media-Library Report
1984-1985

Media-Library (TACMO) met in October 1984 to plan the meetings for the year.

April 1985 saw TACMO having its annual meeting and banquet at the Supply Church. The theme was "The Past, Present, and the Future of Media-Library Work." Rev. James Whitworth set up the past with an outstanding display of old books, quarterlies, and equipment. Margaret Clemmons had many posters and displays of the present. Then to finish up the evening Rev. Jack Robinson brought in some computers and explained about the future.

The State Library Conference was held in Ashboro at the Camp Caraway complex and three of our churches, Faith, Southport and Shell Point, sent representatives. They earned credits toward diplomas.

July meeting cancelled but we plan a Great New Year and hope to upgrade many of our media-libraries and help those churches that do not have one to start one.

Your Media President was asked by St. John's Missionary Baptist Church, our sister Black Church, to come and give a talk to them about starting a Media Library. This was done in the summer and we are looking forward to working more with them this coming year.

The Key Leadership Conference did not have many to attend but was able to work on a one to one basis with the person from Elah.

Respectfully submitted,
Margaret J. Clemmons
TACMO President

Missions Committee Report

With the adoption of a new Constitution at the annual meeting in 1984, the Missions Committee of the Brunswick Baptist Association was restructured. It now includes the key officers and leaders of the Association. That was providential, for never has our Association faced greater challenges in its long history. Our County is changing rapidly, and this committee is committed to the task of strengthening our Baptist witness to face this new day.

Our efforts have been focused on these areas:

1. We are charged with the responsibility of securing a Director of Missions to guide the Association. This has entailed preparing a new set of *Guidelines for the Director of Missions*, determining the direction in which we wish to move in the future, and reviewing the needs of the churches and the area. We have moved carefully in all of this, seeking the leadership of God at each new step. This task is complicated by the fact that we do not have an office, we are losing our Secretary when we lose our Director of Missions and we have no housing for the new Director of Missions. We ended with all our eggs in one basket!

   Our goal is to be prepared to recommend for your consideration a prospective Director of Missions near the end of this calendar year. It is our hope that we can move quickly and smoothly into this new relationship. It is almost certain that additional called Executive Committee meetings will be required.
2. One of the most rewarding parts of our task has been the work with new or existing missions.

   Beach Road Baptist Mission, sponsored by Southport Baptist Church, is making steady progress under the leadership of Rev. Bobby Norton. They have secured land upon which to build.

   Grace Baptist Mission, under the leadership of Rev. Howard Carrigan, is under the watchcare of the Association, and will be considered for membership in the Association at this annual meeting.

   Service-By-the-Sea, sponsored as a campground ministry by Boone's Neck Baptist Church, is now constituted as a church and will ask to come under the watchcare of the Association at this annual meeting. They are, under the leadership of Rev. Henry Thompson, seeking land for the location of the church.

   South Brunswick Baptist Mission at Sunset Beach was launched in May of 1985 as a mission of the Association. Rev. W.A. Barnhill is Mission Pastor. They too, are seeking land upon which to build.

   Each of these is growing and showing evidence of becoming a vital part of our Association. You must be reminded that they will need our fullest support for years to come.
3. Our concern is extended to weaker churches. For a variety of reasons, some of our churches are struggling. In our zeal to launch new work, we must not overlook the necessity of nurturing our existing churches.

In conclusion, I am convinced that God has "brought us to the kingdom for such a day as this." If we work as one under the Lordship of Christ, we can do whatever is asked of us. We must pool our love and energy and resources to reach our area with the gospel and to disciple these who have believed.

Respectfully submitted,
Rev. Avery Lumsden, Chairman
Missions Committee

Senior Adult-Citizen Annual Report

Our dreams of having a Senior Adult-Citizen Council has become a reality. We now have one that can speak for all of you. Clubs, churches and groups of Seniors are all represented throughout our wonderful Brunswick County. Our Seniors are well represented and can express their desires as well as needs to help make this a better place to live for all of us.

We traveled throughout the land with our Seniors this year. To Nova Scotia, to Florida, to Tennessee and many parts of our wonderful state of North Carolina. We enjoyed the scenery, the fellowship and love for one another and the sharing of all this and God's Love taking with us memories to always be cherished.

We now have 18 churches that have active groups. We need all our Baptists to participate. We need to reach out to the hurting, the lonely, regardless who they are and love each one of them. This is just one of our goals.

We had many of our Seniors honored on or during Valentine's Day Week. . . and on Senior Adult Day, always the first Sunday in May. Many of the Mission Groups held special activities during other days for our Seniors. To them we are ever grateful.

I challenge each church in our Brunswick Baptist Association to meet the needs of our aging persons, to encourage these persons to develop and use their skills and gifts, to promote opportunities for fellowship and training for our aging and to provide the means for coordination of planning of work with the aging.

There are needs. . . in Brunswick County. . . let's find them. Let's meet them. . . Let's LOVE our Senior Citizens.

Love is to be given, not measured. Lord, help me keep my eyes on the planting instead of on the harvest.

I heard the voice of the Lord saying, "Whom shall I send and who will go for us?" Then I said, "Here am I! Send me." Isaiah 6:8.

Respectfully submitted,
Ouida H. Hewett
Senior Adult Coordinator

Music Report

Greetings in the name of our Lord. This past year has been a rather slow one with regard to Associational Music Activities. This year, Lord willing, we hope to put forth some Associational Activities that will pool the combined talents of our many fine churches.

Your music director is always available for suggestions as to format and types of programs.

Yours for a brightly new year in music,
Rev. Bill Greer
Music Director

Seminary Extension Report

The Seminary Extension Department stands ready to serve the churches of our association in any way possible. We have a variety of studies ranging from Church History to Music. We have been able to train some of our young men for the ministry in the past, and we are well equipped to aid in the present.

Feel free to call upon us whenever, and wherever you so desire.

Yours in Christ,
Rev. Bill Greer
Director of Seminary Extension

Vacation Bible School Report

Although all the churches have not reported their Vacation Bible School to the Association, it is still safe to predict that there has been stable growth. It is apparent that we are more determined than ever to make this summertime ministry meaningful.

Through Vacation Bible School, an opportunity is given to win boys and girls to faith in Jesus Christ. The church can focus on its task of making disciples and its goal of "Teaching them (those who have become disciples) to observe all things." Vacation Bible School is an excellent tool for discovering and enlisting the unenlisted. Leadership can be unearthed and trained and challenged and utilized. Money can be made available for missions and, at the same time, our children and young people can be taught unselfishness and the necessity of involvement. Through Vacation Bible School we can promote Mission Schools and Bible Clubs and extend the witness of our churches.

Year after year, you have made Vacation Bible School a significant part of the work of your church. I challenge you to greater effort and dedication. Set your goals high. Begin now to make thorough preparation for the school next summer. Challenge your fellow church members to give their very best. Allow God to guide and bless and empower and use you. May history record that 1986 was the best year ever for Vacation Bible School in Brunswick Baptist Association.

I wish to pay tribute to an enthusiastic and capable team of workers whose names and labors are recorded in Heaven. The success of our Vacation Bible School organization is to be attributed to them.

Respectfully submitted,
Rev. Avery Lumsden, Director

Sunday School Report

In October 1984, eight churches participated in a Sunday School Enlargement Campaign. The results of this Campaign should show well on into the future. The reason for this Campaign was to help the churches of the Brunswick Association see how they could improve their overall work of Sunday School. Great emphasis was placed on how to improve the quality of teaching and how to reach the lost and get them involved in Bible study.

The Campaign was part of 8.5 by '85 that we have heard so much about since 1980. All churches were asked to set an enrollment goal for the year and be part of this great evangelistic thrust. Then September 29 saw us reporting our total Sunday School enrollment to our State Convention. We should know shortly the results of this great effort to reach 8.5 in Bible study.

During the year we held one Sunday School workshop meeting in the Association. This meeting was at Bolivia Baptist Church. This was a workshop on better teaching, how to secure teachers, and how to start a Sunday School workers meeting.

In January we had our Sunday School night at Supply Baptist Church. This was a time of worship and challenge with Rev. Johnny Hunt, from Long Leaf Baptist in Wilmington, bringing the message. Supply and Ocean View won the plaques for attendance.

Our Sunday School enrollment has grown over the year and I hope to see it grow even more in 1986. 10/90 is coming into being and I would ask that all our churches sit down with their leadership and make plans to participate in this thrust. 10/90 is to reach 10 million people for Bible study by 1990. Set an enrollment goal this year and participate in this program when it gets into full swing.

Please call on your Sunday School ASSISTeam if we can be of service to your Sunday School and Church. Help us to help you!

Macon M. Wood
Sunday School ASSISTeam Director

Brotherhood Report 1985

I would like to thank you for allowing me to serve as your Brotherhood Director.

It has been a good year and God has blessed us with several opportunities to serve:

The pastor and his men at Sunset Harbor Baptist Church invited our RA Director and me to meet with them and help them get started in Brotherhood and RA work.

The pastor and his men at Bethel Baptist Church invited our RA Director and me down in July to help them get started in Brotherhood and RA work.

We have enjoyed several training opportunities through the year: Brother Jimmy Bordeaux, David Norris and Doug Flynn were involved in the RA Conference at Caraway on July 26 and 27.

Your Brotherhood Director attended two Baptist Men's meetings and a Directors' Conference at Caraway.

We would like to express our thanks to Supply Baptist Church for being host to the Baptist Men and RA Rally. About 45 people were present. Our thanks to Rev. and Mrs. Alton Bridges for a delicious meal and good fellowship.

Pray for our Brotherhood that we might be receptive to the leadership of the Holy Spirit.

WMU Report

Christ commissioned us to go into all the world and preach the Gospel to all people. He promised us that He would be with us always.

WMU members work together to fulfill this commission through four tasks. They are:

1. Teach Missions
2. Engage in Mission Action
3. Support Missions
4. Interpret and undergird the work of the churches and denomination.

It has been the prayer of the WMU Council that each activity promoted has emphasized one or more of the four tasks.

We would like to express our appreciation to all who helped with our WMU Associational Meetings. Also, a "thank you" to the churches who hosted our meetings during the year.

We pray that the missionary vision of each WMU member has multiplied since the beginnng of our 1984-85 WMU Year. We thank God for the opportunity to be involved in WMU Workshops, Week of Prayer, Mission Studies, Prison Ministry and ministry to the convalescent homes.

We are truly blessed to be "Laborers together for God."

Report of Centennial Committee

1984-85

Our Committee has grown to 17 members, but many of our church WMUs are not represented. We still want at least one member from each WMU. If your church has not been represented on this committee, please see me and tell me someone who will serve - maybe it could be you!

We have had several meetings during the year and great plans have been made to celebrate the coming year in a way worthy of those who went before us and gave to us the great organization of Woman's Missionary Union as we know it today. We have a great heritage and we want to express in a tangible way our thanks to God for what it has been, is and will be in the future.

We now invite you to join us in a true celebration of what God has done through committed Baptist Women and youth in North Carolina throughout the past 100 years. To introduce you to the events planned for this celebration, I have asked some of your Centennial Committee members to tell you about those events:

(Pianist plays the woman's hymn and committee members enter with placards telling of the events to come.)

1. Woman's Missionary Union of North Carolina, 1886-1986.
2. Birthday Parties, in local churches and in Association, January 8 and 10.
3. 100 Days of Prayer in local churches, January 8-April 18.
4. WMU History to be gathered and written - deadline is January.
5. Prayer Retreat, April 4. You are also encouraged to have one in your church.

6. Growth in membership and in number of organizations - set a worthy goal.
7. STATE ANNUAL WMU SESSION in Raleigh. "See You at the Celebration" April 17, 18, and 19.
8. WMU Awareness - make your church aware of WMU.
9. PRAISE AND CELEBRATION - ANNUAL SESSION OF BRUNSWICK WMU - ANTIOCH - September 12, 1986.
   Historical Display
   Anniversary Booklet and Updated History
   WMU Banners on Display
   Historical Parade (Costumes and Narration)
10. We also encourage you to be creative in ways you celebrate in your own church during this special year.

Mission Action/Personal Witnessing Report

Using the theme, "The Start of Something Big," MA/PW Workshops were held at Elah and Old Shallotte.

Christmas 1984 brought with it a great way to share through Mission Action. In November, 600 pairs of pantyhose were collected throughout the association and sent to the Woman's Prison in Raleigh.

On December 8 the Third Annual Country Store was held at the Ocean Trail Rest Home. The first Country Store was held at the Brunswick Village in Shallotte on December 15.

In March, a Mission Action Workshop was held at Supply Baptist Church for the Associational Acteens.

I also had the opportunity to share Mission Action ideas in August with Peace Memorial VBS and with the GA Camp in Caswell through mission crafts.

By Love Compelled

He calls,
He compels.

He not only calls,
He compels me -
and I watch as the power of His love
exposes my weak excuses,
reveals apathy.
By love compelled

To walk everyday paths
with eyes that see needs
with hands that bind wounds
with voice that speaks of wholeness
with heart that is
By love compelled.

-Susan Ingouf

Acteens are by love compelled. It is exciting to realize that there are so many young active Christians in our Association today.

During the 1984-85 church year, new Acteens' groups were formed in the following churches: Boiling Spring Lakes, Ocean View, Farmers' Chapel, Sabbath Home, and Oak Island.

With the addition of these churches there are now 21 active Acteens' organizations in the Brunswick Association.

We began the year with our Training Workshop for both old and new leaders, and during the year the following events were held: Question and Answer Session for leaders at Town Creek; Enlistment Workshop at Town Creek; Enlistment for Girls at Ocean View; the teaching of the book *Winners* at Town Creek; *Teaching Youth to Witness* at Soldier Bay; Acteens helped with Country Store at Ocean Trail Rest Home; *Winners* taught at Supply; Acteens Lifestyle Workshop at Supply; and Studiact Mother/Daughter Banquet was held at Shallotte, First. Theme for the banquet was "Over the Rainbow." Special music was presented by Amanda and Kathy Formyduval, Anita Graham, Carolyn Young and the Town Creek Acteens. A total of 70 Acteens, leaders and mothers were in attendance for this final event of the year.

Special recognition and appreciation certificates were presented to Town Creek, Boiling Spring Lakes and Friendship Acteens for their active participation in Acteens' activities during the year.

Please commit yourselves to love and support Acteens in your church in the coming year. Be "By Love Compelled."

GA Report
1984-1985

It's exciting to be a part of the wonderful world of Girls in Action.

Reviewing the tasks of our associational WMU has encouraged me to continue striving for the best for Brunswick GAs.

Although we've not had any new organizations to form, we've had more participation in our leader training workshops and member events this year.

We've provided training for personal witnessing, enlistment, mission adventures, and conducting a GA meeting.

Miss Hattie Gardner, retired missionary with 28 years in Nigeria, blessed our hearts at our picnic in April. Approximately 125 GAs and leaders came to hear of her adventures and how she shared the gospel with the Nigerians.

Debbie Lytle, US-2 resort ministries missionary, and Jody Block, summer missionary, provided our mission emphasis at GA Camp at Fort Caswell this year.

Let us continue praying for each other and that God will stir the hearts of women everywhere to a deeper commitment of service to our Lord.

Mission Friends Report

1984-1985

SEPTEMBER-OCTOBER

We started this year with two wonderful Leadership Training Workshops, at Elah and Old Shallotte Churches. These meetings were well attended and much interest was shown by our ladies in having a very active Mission Friends Organization.

NOVEMBER

In November, Mission Friends' Leaders met at Town Creek for "How To Make It for Almost Nothing" Workshop. Leaders experimented making playdoh, paint, blocks, cookies and we all had great fellowship.

MARCH

In March Mission Friends' Leaders and Baptist Young Women were treated to a covered dish dinner and inspirational message from our state Coordinator Pat Ritchie.

Mission Friends themselves have fun, too! During GA Camp at Caswell in August, nine Mission Friends enjoyed classes and recreational time while their mothers worked with the GAs' activities.

Five new Mission Friends Organizations were started in our churches this year. Sadly some of our established groups have become inactive. The children are there. We need to pray that God will touch the hearts of our church people that we may have dedicated leaders for our Mission Friends.

In His Service,
Carolyn W. Yarbrough

Resolutions Committee Report

Your Committee on Resolutions recommends that this 87th Session of our Association enter into our records the following expressions of appreciation:

(1) To Mount Olive and Sunset Harbor churches for their loving and bountiful hospitality to the messengers and visitors.

(2) To our beloved Associational Missionary, the Rev. A.R. Waisner, as he leaves us for his well-deserved retirement, we express our appreciation for his 17 years of devoted service to the Brunswick Baptist Association. We would not overlook the contribution of gracious service of his wife, Grace, as she has been his helpmate in everything involving the Association. We shall miss them greatly.

(3) To Ruth Galloway, Treasurer; John Butler, Clerk; and E.J. Prevatte, Parliamentarian, who have served as officers of this Association for so many years. As others have come and gone these three have lent continued stability to the work. They are to be commended for their faithfulness and devotion.

(4) To our Moderator for his unfailing courtesy and ability in dealing with the affairs of the Association in business sessions.

(5) To Richard Holbrook, Director of the North Carolina Baptist Assembly at Caswell, and Mrs. Rebecca Carmody, representing the North Carolina Baptist Children's Homes, for their presentations of the work of these two State Convention agencies with institutions located within the bounds of the Brunswick Baptist Association. God has blessed us greatly with these two facilities.

(6) To all who have participated in any way in the conduct of this Annual Session.

(7) But most especially do we express our deep gratitude to our Lord for the spiritual and material blessings which he has so generously given us, and for the spirit of love and fellowship we have felt among us these past two days.

Respectfully submitted,
Mrs. Ruby Pressnell, Mrs. Susan Carson,

NOTE

The foregoing is an attempted summation of the proceedings of the 87th Annual Session of the Brunswick Baptist Association. Since the minutes of the Executive Committee meetings held during the church year 1984-85, and the minutes of the 87th Annual Session were not preserved by the then Clerk, the foregoing information has been made available from several sources and is for information and historical purposes only. It is not binding on the Association in any way.

It is to be noted that the Rev. Arthur R. Waisner, Director of Missions, previously submitted his resignation to the Executive Committee of the Association to be effective at the next succeeding Annual Session. The official resignation of Mr. Waisner was accepted with great regret at the 87th Annual Session, and the Association at that session adopted a resolution that the minutes of the session be dedicated to Mr. Waisner in appreciation of his many years of service to the Association and as pastor of the Supply Baptist Church. On November 17, 1985, a reception and special service honoring Rev. and Mrs. Waisner was hosted by the Association at Supply Baptist Church.

Director of Missions' Report

In so many ways this has been a great year in the Brunswick Association. I have had the privilege of being in 36 churches to supply the pulpit. For me personally, this has been a great experience since I have "A Preacher's Heart." The revival preached and the classes taught and the conference led have been rich experiences. Please let me thank you for giving me the opportunity to serve in your church this year.

Again I want to thank you for the many kind words that have been expressed by pastors, church members, churches and other groups. You have been so very kind to me in so many ways. Thank you!

Allow me a moment to bring you several recommendations that you might want to act upon during this Annual Session. They are as follows:

1. Bobby Stafford, Associational Development Director of the Baptist State Convention writes:

> "For the year 1987, I am proposing to the General Board that your association receive $3,500.00. Listed below is what these mission dollars are to help you do and the division or department that will be responsible for the funding."

Ministry Resort - Assoc./Devel. Resort	$1,100.00 or 2 students
Strategy Planning - Assoc. Devel. Dept.	1,000.00
Music Training Sessions - Music Dept.	200.00
4 Areas, People Search - Church Extn.	1,200.00
Bivocational Conf. Coop. Min. Dept.	Help provide staff asst.
Pastors Educ. Conf. - Ch. Prog. Dep.	Help provide staff asst.
Scholarship - Church Program Dept.	Help provide staff asst.
People Search - Sunday School Dept.	Help provide staff asst.

Recommendation: Your DOM recommends that we accept this offer by Bobby Stafford and begin immediately an effort to implement these challenging opportunities.

(Since Bobby's letter the above amount has been approved by the General Board.)

2. Robert Stewart, Sunday School Director of the Baptist State Convention of NC, has offered to send Charles Wagnor, a Sunday School Consultant, for a period of several weeks to live on the field and assist any church requesting help with their Sunday School.

Recommendation: Your DOM recommends that we accept this great opportunity offered to us by Robert Stewart and the Sunday School Department.

3. James Lambert of the Director of Church and Pastor Relations has offered to help us fund a "Conflict Management Conference" led by Speed B. Leas in the Brunswick Association on February 23-24, 1987. The Brunswick Pastors' Conference has voted to ask him to come and he has accepted. Mr. Lambert has agreed to help us finance this program to the point necessary to make it possible in the Brunswick Association. The estimated cost of this conference is $2,000.

Recommendation: Your DOM recommends that we accept this offer to help us finance this great opportunity for the Brunswick Association and surrounding areas.

4. Bobby Stafford has agreed to assist us personally in a "Strategy Planning" in the Brunswick Association and assist with the cost of necessary materials in the amount of $1,000.00. This amount should be very adequate to cover the cost of such a "Strategy Planning."

Recommendation: Your DOM recommends that we accept both of Bobby Stafford's offers and that we begin immediately an implementation of this "Strategy Planning."

Study Commission
Brunswick Baptist Association
Committee on Church Program Needs

FINDINGS AND SUGGESTIONS

I) CHURCH LEADERSHIP TRAINING

According to the 1984 Associational Minutes, the latest available, there is a great need for training sessions for our leaders. Only 15 of our 38 churches have Church Training.

We must encourage church leaders to attend special training sessions under the capable leadership of State and Southern Baptist Workers. Some type of financial assistance may be in order to create interest and encourage participation. Robert Stewart will furnish two workers for one to three weeks, to assist our churches in Sunday School training when requested through our Director of Missions. This system of updating works in the business world. Why shouldn't it work in the greatest business in the world?

II) RESORT MINISTRY

We are the second fastest growing among our state's 100 counties. A tremendous influx of people from surrounding states are our summer guests. In addition to their physical belongings they bring various religious ideas. Ours should be an unparalleled Christian witness among them.

There is a great need for trained workers on both state and local levels to help us to determine the direction in which we need to go and assist us in meeting these pressing needs as we go.

Bobby Stafford, of the Associational Development Department of Baptist State Convention, has agreed to assist us with a Strategy Planning session if we desire his assistance. He has also approved two Resort Ministry helpers for us on a Cooperative Agreement if we desire to use them.

III) DRUG ABUSE

The drug abuse problem in our schools, homes, and on our beaches is becoming more complex daily. Law enforcement is limited as to the amount of time, materials and manpower available in handling the problems of surveillance, seizure, arrest, counseling, orientation and educating our youth and adults.

Our churches dare not shirk our duty in meeting these needs. Law enforcement must not carry this responsibility all alone.

Dr. Tim Pennell of Baptist Hospital, a specialist in this field, the Christian Life Committee, and the Christian Action League assist us in whatever way they can.

A well organized Christian Clown or Puppet Ministry may well be of great value in reaching our youth who are so susceptible to the exciting sales pitches of the drug pushers.

IV) PEOPLE SEARCH

A well organized and trained association-wide effort to survey and evaluate several areas of our association, with the full cooperation of pastors in the areas to be surveyed, will be of value both now and in the future.

Some areas in mind are as follows: Old Town, South Brunswick Area, Boiling Spring Lakes to Southport, Calabash with its condominiums and Sunset Beach.

Bob Watson of the State Convention will furnish workers on a cooperative financial basis. We might furnish room and board in our homes during the survey and evaluation period.

V) BUDGET

Article II of our Brunswick Baptist Association Constitution states the prime purpose of the association as follows:

"The prime purpose of the association shall be to counsel together for the enlargement and strengthening of God's Kingdom and promoting unity and growth among the churches composing it, and by cooperating with the Baptist State Convention of North Carolina and the Southern Baptist Convention and their agencies in the work of the purpose of Missions, Christian Education, and Social Services, and the means of accomplishing the purpose of this association shall be in strict conformity with the New Testament and the guidance of the Holy Spirit."

Such a mandate demands ACTION of our behalf.

We call attention to the fact that item No. 100 in our 1986-87 Brunswick Bap-

tist Association Proposed Budget is entitled ACTION MINISTRIES but has absolutely nothing whatsoever allocated for ACTION MINISTRIES! We would like to assume that this omission was an oversight and will command special consideration if our association is to become involved in the PRIME PURPOSE of our constitution.

Bobby Stafford is Director of Associational Development of the Baptist State Convention. It is his decided opinion that in order for us to increase greatly in our work, we must become more creative in financing our ministries. We must learn how to market the ministry of the association better in our community and in our churches. This may well mean growth in the starting of new churches.

In the years 1970-1983, we needed 516 churches in North Carolina just to keep up with the population. We started 35. We are now 600 behind. The fact that 73 percent of churches are in rural situations ministering to only 47 percent of our population, shows us that 27 percent of our churches have the task of reaching 53 percent of our population. No wonder we are having financial problems. We haven't ministered to the people. Think what 600 churches could do for foreign, home and associational missions!

In the year 1987 Bobby Stafford is proposing that our association receive $3,500 to assist us in our program of ACTION MISSIONS.

We encourage that this problem be properly addressed in the forseeable future.

VI) JENNIFER BROWN HOME

Mr. Adkins and Mr. Morrow of the Baptist Children's Homes of North Carolina, approached a subsection of the Study Commission concerning the home. After a lengthy discussion, these two gentlemen then reported their findings to Dr. Michael Blackwell who, in turn, gave serious thought to their report and then wrote a letter of recommendation to our association. He indicated some things our association must consider if the home continues to operate under their auspices. Their requests are as follows:

1. If the home is to continue operating under the joint efforts of the Children's Homes of North Carolina, we must make preparation to double the size of the home.
2. Our association must then continue to participate financially up to $22,500 per year to the operating expenses of the home.
3. We must maintain the building, furnishings and equipment, and also grounds upkeep.

We suggest that this matter be referred to the Jennifer Brown Committee of the Brunswick Baptist Association for proper disposal in keeping with the wishes and action of the association.

No one in the association has, to our knowledge, made any suggestions that the home be closed.

VII) MUSIC MINISTRY

We feel that a need exists for trained workers of our State Convention to come to our association and/or churches in special workshops.

VIII) BIVOCATIONAL SUPPORT

Some of our churches are not financially strong enough to fully support a pastor and also assist in missions support. Their bivocational pastors are deprived of valuable time which could be spent in prayer, Bible study, visita-

tion and various other activities so necessary to a full and proficient ministry. We would like to see their hands free to do the total work to which God and the church have called them. A program of pastoral assistance would be in order for those who work under such handicaps.

A program of continuing education could be initated. Some form of scholarship for both salary and travel expenses would be in order.

Bobby Stafford has agreed to assist us, if we desire, with scholarships for bivocational pastors and others who desire to engage in further studies.

IX) ASSOCIATIONAL COMMUNICATIONS

Our associational office is a beehive of church related activity. Slack moments are rare. People constantly come and go. Mail piles up. The telephone is seldom idle.

Two of our three telephone areas are long distance, Southport, Long Beach and Wilmington.

Our churches could profit from a county-wide watts line. More time on the telephone, minus long distance calls, would help in discussing problems and needs with our Director of Missions.

X) DIRECTOR OF MISSIONS - A MAN SENT FROM GOD

We believe that these, and other findings by the Study Commission, are by no means all that could be said about our assignment.

Present and potential needs are so great that they stagger the mind. We are among the first to admit our past failures. We also recognize the challenges for the future. We have prayed often and fervently for God to send forth a worker to lead us in reaping His harvest. We prayed in faith. We believed. God heard. God answered our prayers by sending Marvin Chapman as our Director of Missions.

United we can hold up his hands. United we can do whatever God wants done. United we can regain the respect of our county for Brunswick Baptist Association, our great churches and our Lord and Saviour Jesus Christ.

We can do it. Let us do it, NOW!

Long Range Planning Committee Report

This committee has been very active this past year. We met on eight occasions during the year to pray, plan, and present different plans to the Associational Executive Committee for their action. All members of our committee were kept informed if they were absent.

"Miracle Sunday", held July 27, 1986, involved us with many hours of planning, praying and carrying out this program for the Association. We would like to thank each church and individual that took part and gave the offering of over $6,000.00.

On October 13, 1986, two recommendations were presented and approved by the Executive Committee, one was to use the term RESOURCE CENTER when referring to the associational property on Highway No. 17. The other was

to ask for $100.00 or less to purchase fertilizer and rye grass seed to be planted at the property on No. 17. These were approved and plans are almost completed on carrying this out.

Many meetings were held to pray, share ideas, but most of all, seek the Holy Spirit's leadership as we come to this Annual Meeting of the Brunswick Baptist Association to present to you plans for our future as an association that we believe God has been leading us to present to you.

Our suggested recommendations are as follows:

1. The Long Range Planning Committee recommends to the Brunswick Baptist Association that the Association proceed with the planning, Fund Raising and the erection of the Association Resource Center as soon as possible.
2. The Long Range Planning Committee recommends that the Association constitute a Planning and Building Committee as follows: Richard Holbrook, Chairman; Wayne Hunnicut; James Whitworth; Don Stephenson; Hayden Cartner; Randy Gruber; Rebecca Chapman; Lorene Buchanan; Wayne Trexler; Marvin Chapman, Ex officio.
3. The Long Range Planning Committee further recommends that this Planning and Building Committee study the needs of the association as it relates to the Resource Center and report its findings to the Executive Committee for action.
4. The Long Range Planning Committee further recommends that the Association constitute a Fund Raising Committee for the Resource Center as follows: Vic Potter, Chairman; Bill Sue; Jimmy Prevatte, Hugh Price; Jackie Smith; Ouida Hewett; Marvin Chapman, Ex officio.
5. The Long Range Planning Committee recommends to the Association that the Fund Raising Committee give study to possible ways and methods of raising the necessary funds for the Resource Center and report their suggestions to the Executive Committee for action.

Rev. James A. Whitworth, Chairman
Long Range Planning Committee

Evangelism Committee Report

"GOOD NEWS AMERICA" was more than a success. The State Evangelism Conference, held February 3-4, 1986, in Greensboro, followed the theme, "Good News America. God Loves You" emphasizing the simultaneous revivals. Over 7,000 pastor, staff, and laity attended. The 1987 State Evangelism Conference will be held in Greensboro, February 2-3, 1987.

Key Leadership for evangelism participants emphasized "Target Group Evangelism," with special emphasis on ethnics, singles/divorcees, and children, major target groups during 1987. Your Evangelism Director attended this conference at Ridgecrest Bible Conference Center and also the one week Evangelism Up-Date School at the request of Ken Carter, Director of Evangelism with the Home Mission Board.

During the year we have experienced many great services such as our training session for the Good News America simultaneous revivals held at Supply

Baptist Church with more than 140 people in attendance. Guest speaker Rev. Johnny Hunt, pastor of Long Leaf Baptist Church, Wilmington brought a dynamic charge to the Association.

The record shows that 23 churches participated with an average nightly attendance of 1,690 persons. There were 103 first time decisions (professions of faith). The pastors and evangelists met at the Antioch Baptist Church on Wednesday for a time of sharing and thanksgiving.

At the Associational Key Leadership Conferences, we held Evangelism Conferences with several in attendance at each conference. We stand ready to assist you in any evangelistic endeavor, such as: Specialized Evangelism Planning, Tent Ministry, Revival Preparation, Personal Evangelism, Spiritual Awakening, Continuing Witness Training, or other areas.

Great things are happening in our Association every day. Baptisms are increasing. Won't you join me in prayer that our lives will be such that God might continue adding many to the Brunswick Baptist Association. Acts 2:47.

Yours in Christ,
S.L. Doty, Jr.

WMU Report 1985-86

A "Come Grow With Us" emphasis was launched by the WMU of the Southern Baptist Convention in October 1984. Woman's Missionary Union has a vision of two million women, girls and preschoolers enrolled in quality missions education by September 1988. As a part of Vision 1988, the Brunswick Associational WMU set a goal of 25 percent increase each year for a four-year period. The ultimate long range goal is to involve more women, girls and preschoolers (and, through them, their churches) in missions praying, giving, learning, doing and telling.

Included in this report is an overview of the 1985-86 WMU associational activities which emphasize the theme "Multiply the Vision."

1. The WMU Contennial Year began in January with a birthday party and the launching of 100 days of prayer.
2. Manual Study, all age-level manuals were taught for church study course credit on Saturday, February 1, at Supply.
3. WMU Focus Week was observed February 9-13.
4. Home Mission Study, "Christ's Love Works" was observed.
5. Personal Witnessing Training Workshop, as preparation was made for the "Good News, America, God Loves You" revivals, WMU members were involved in a soul-winning workshop. The "Witnessing Woman" kit was used for this study.
6. A Prayer Chain was formed, praying for each visiting minister and each church involved in the "Good News" revivals.
7. A Prayer Retreat was held in April.
8. Acteens Emphasis:
    (a) Acteens Banquet in February
    (b) Acteens Picnic in August
9. GA Emphasis:
    (a) Mother/Daughter Banquet in May
    (b) Overnight Camp and Christmas in August at Caswell Assembly

10. Baptist Young Women and Mission Friends Leaders' dinner in May.

11. Togo Partnership Project: We are praying that God will lead someone in the Brunswick Association to go to Togo as a part of the "Partnership Emphasis."

The 1985-86 WMU Associational officers were: Rebecca B. Chapman, Director; Susan S. Carson, Assistant Director and Centennial Chairman; Jacqueline B. Smith, Baptist Women Director; Monica Price, Baptist Young Women Director; Orbie M. Smith, Acteens Director; Carol U. Hardee, GA Director; Annette C. Kye, Assistant GA Director; and Sue Creech Mission Friends Director.

1986 Associational GA Report

The GA year ended with the real spirit of Christmas. One hundred five people participated in the GA Overnight Christmas-in-August celebration at Fort Caswell. GAs from eight churches brought a total of five boxes of gifts for the Seaman's Service Center in Wilmington. Mr. Woodrow Lennon, a volunteer at the center for 13 years, shared his experiences with us.

Approximately 100 GAs and mothers enjoyed the Mother-Daughter Banquet at Antioch Baptist Church in May. Debbie Adams, MK and our new associational GA Director, shared her testimony and life as a missionary kid in Taiwan.

In the spring we taught the GA Home Mission study at Elah and Town Creek. Only a handful of GA leaders took advantage of the mannual study in January. Twelve leaders, representing eight churches, attended the GA conferences for leader training in October.

Please support Debbie and Annette with your prayers and attendance at every opportunity this year.

It is up to each of us to enlist and encourage GAs and leaders. This year the number of organizations dropped with only one new one started. Please pray with us that we can reverse this trend.

In Christs' love,
Carol Hardee
Annette Kye

1986 Associational Mission Friends Report

This past year my life has really been blessed and enriched in sharing Christ with Mission Friends and their leaders. Our little ones are so honest and tell everything. Remember, Jesus said, "A little child shall lead them."

Our year began with our annual workshop, which was well attended. There was good participation in discussions and lots of sharing. Several "Mission Friends" organizations have been renewed this year and to see a Mission Friends started in my own church was real rewarding. It is my desire to help Mission Friends work in our churches. Please call me if I can be of help to you.

Mission Friends Director

Centennial Chairman Report

September 12, 1986

Woman's Missionary Union of North Carolina began its Centennial year preparation by asking each Association to elect a Chairman to serve for two years. Your Centennial Chairman took office on October 1, 1984, and has now completed the two-year term. Twice she attended special training sessions at Caraway Conference Center. Mrs. Bernice Cross led as State Centennial Chairman.

On the Associational level, each church WMU Director was asked to appoint a member from that WMU (or to serve herself) to be a member of the Associational Committee which was formed. Many of the churches responded, but others did not. Finally a team of 22 members was assembled. This team was an inspiration and joy to work with and its members were faithful and enthusiastic. All meetings were held at Bolivia Church with Mrs. Hazel Willetts as hostess. The Centennial Committee has been a very special committee in every way.

The Baptist Women of the Association, under the leadership of Jackie Smith, director and also a member of the Centennial Committee, put on a wonderful "Happy Birthday" Party at Supply Church on January 10, 1986. Attendance was good and we had a fascinating Parade of Costumes! As a result of having a "Money Tree" at the Party, eventually more than $1,200.00 was raised by the churches and given to the North Carolina-Togo Project Fund. The money is in an interest-bearing account awaiting the time when our prayers are answered for a volunteer from our Association to go to Togo. We ask that you pray with us about this important task.

Each member of the Centennial Committee encouraged her own WMU to have a Birthday Party at the church and many of them did. We heard from several churches who went all out in a worthy celebration.

However, we feel the the biggest accomplishment of our Committee was the focusing of special attention on the history of WMU in the local church. Seventeen of the local churches have given the committee a written history of the church's WMU. Others are still working on this and even though the Centennial Committee will no longer be serving as such a Committee, each member still encourages you to furnish us with a history if you have not done so. Our dream is to have a history from each church long before our Association's 85th Annual Session on September 11, 1987. We hope to have these printed into a booklet for that occasion. However, plenty of time must be allowed for the printing.

Susan S. Carson
Centennial Chairman

Media Library Report 1985-1986

TACMO met in January 1986 to make plans for the year.

They met again in April at Southport Church to hear reports of those who went to the State Media Library Convention.

In August 1986 we had a workshop taught by Peggy Thompson, state worker. She taught "The Church Media Library at Work."

All those who attended received credit toward diplomas.

On September 28, Mill Creek Church dedicated their library to Miss Pauline Lewis.

October 21, 1986, we met at Faith to start the new year off.

Respectfully submitted,

Senior Adult Department Annual Report

We give all the credit to our Lord Jesus for our Senior Adult Department and their success during the past year.

We organized a county-wide Senior Council and they are working for all Seniors throughout Brunswick County. We have added more church organizations to our own Brunswick Association and hopefully we will have all in Senior Clubs/Organizations/Departments during the coming year.

We held Senior Day in May and September. We plan to do the same for 1987. We have enjoyed the fellowship among our Seniors. The trips/tours and dinners along with the wonderful fellowship have been great.

The Leadership Conference at Southport and Jennie's Branch along with the one in Ridgecrest was very informative and educational. We hope to gain enthusiasm, momentum and the love of MISSIONS among our Senior groups/clubs/orgnaizations to get more SENIORS involved in doing for themselves and others in our Lord's work.

Pray for me...for all our Seniors...especially those that have not accepted Jesus as their Saviour...our Senior Adult Department that we might even do more than we ever have before. 2 Timothy 2:15...Let's take this as our Scripture for the coming year. I have...on my knees. Will you?

Respectfully submitted,
Ouida H. Hewett, Coordinator

Ordination Advisory Council

The Ordination Advisory Council, on request, examined the following candidates:

Brother Mac Caton	Leland Baptist Church
Brother Lemuel Halbrooks	Community Chapel Baptist Church

After examination on their religious experience, conversion, call to the ministry, doctrinal belief, willingness to cooperate with the local association, state convention, south-wide causes, total world program, and etc., it was the recommendation of this council that the churches proceed with the requested ordinations.

Respectfully submitted,
V.C. Potter, Jr., Chairman

Church Training Report

An exciting year has been planned for Church Training in the Brunswick Baptist Association. There will be two major emphases in 1986-87. One will be an encouragement towards daily and family Bible reading, the other will be an introduction to the "YOUTH and CHILDREN'S" Bible drill for all Brunswick Baptist Churches. These two emphases will be presented in detail during the "M" Night ceremony on November 24, 1986.

"M" Night 1986 will be at Leland Church. Our guest speaker will be Rev. Dale Sloan, the minister of education at Friendly Avenue Baptist Church in Greensboro, North Carolina. Dale will bring a unique musical comedy with the challenging main address. Also, you will be allowed to see and hear a sneak-preview of the Brunswick Baptist Associational Choral presentation of *Behold He Cometh*. Don't forget - "M" Night, Leland Baptist, 7:30 pm on November 24, 1986.

There are several State and Associational scheduled Church Training meetings identified on the calendar of activities for 1986-87. Your Church Training Director and ASSISTeam will be on call to serve your church needs in any way.

Progress Report by the Interim DOM to the Executive Committee of the Brunswick Baptist Association

Rev. M.W. Chapman, April 14, 1986

The purpose of this "Progress Report" is to fulfill a Constitutional requirement; help us look at ourselves, the Baptists of the Brunswick Association; weigh our unique characteristics both in terms of strengths and weaknesses; survey our needs and suggest a course of action.

I. Fulfilling the Constitutional Requirement

The Constitution requires regular reports from the DOM and this one is shared with us all.

1. ACTIVITIES: Since assuming the office 90 days ago your Interim DOM has:

1) traveled 3,600 miles; 2) visited 29 churches; 3) supplied 7 pulpits; 4) fellowshipped with most Pastors; 5) taught in 1 church the January Bible Study; 6) led 2 WMU Mission Studies; 7) met 2 times with the WMU Executive Committee; 8) attended the Pastors Conferences; 9) participated in all meetings of the Association; 10) met with all committee meetings except 2; 11) participated in the VBS Clinic for Pastors and Directors; 12) conducted "Orientation Meetings" for Pastors and DOM Cabinet; 13) set up an office in the Bolivia Plaza; 14) planned the Pastors Good News America, God Loves You Revival Sharing Meeting; 15) led the Sunday School Enlargement Campaign Evaluation Meetings of the Columbus and Central Associations; 16) attended the Convention's Area VBS Clinic at Clinton; and 17) preached for the Immanuel Baptist Church of Concord in their Good News America, God Loves You Revival.

2. "TOGETHERNESS": Many evidences indicate that our "togetherness" in this Interim/Association relationship is of the Lord.

Together we believe it to be a God called, God placed, God directed ministry.

3. THANKS! You have been extremely kind, helpful and good to your Interim DOM. These past 90 days have been a great blessing in his life and a highlight in his ministerial career. He has discovered that we have in the Brunswick Association some of the finest Pastors and Churchmen that can be found in North Carolina. Sisters and Brothers, thank you for being so good to me.

4. PROBLEMS ENCOUNTERED: During this period of time some problems have been encountered.

1) All of us shall continue to be appreciative of the spirit of both the Boiling Spring Lakes Church and the Pastor in allowing us to use the office building as our office for a period of time. It was difficult at times for the Church and both staffs to work out of the same room at the same time.

2) Increased Postal rates; twice changed box numbers and mail routes by the Postal System; working from an out-dated mailing list of over 700 names, some of whom no longer live in Brunswick County; incorrect mailing addresses; lists with names of associational and church officers without addresses; and other unnamed reasons caused us concern in mailing the Newsletter.

3) Degrees of diversity caused by differences of opinions as to what ought to be done at this time in the Association caused considerable concern.

However, all concerns and difficulties were looked upon as being more of a challenge and opportunity than of being problems.

II. Looking At Ourselves Reveals the Fact That the Brunswick Association Has a Colossal Potential.

Of North Carolina's 81 District Associations two stand out as having the greatest current potential - the Brunswick and the Chowan. Of these two the Brunswick stands first.

1. GROWTH CRISIS: Statistical studies affirm the fact that the Brunswick is faced with a growth crisis.

- In 1960 there were 31 churches; 3,379 resident members and $145,434 in receipts.
- In 1970 there were 38 churches; 3,910 resident members and $354,764 in receipts.
- In 1980 there were 39 churches; 5,416 resident members and $1,707,438 in receipts.
- In 1984 there were 38 churches; 6,373 resident members and $1,647,151 in receipts.

Percentage of population increase between 1970-1980 was 47.7 percent and it continues to rise. Resident membership growth among Southern Baptists in Brunswick was 22.5 percent - indicating population increases exceed our church member increases.

2. BAPTIST MAJORITY: It is popular to be a Baptist in Brunswick County. Southern Baptists are the majority people. It is estimated that one half of the people who attend church on a given Sunday in North Carolina go to Southern Baptist Churches. The number increases in the Brunswick Association.

III. Faced With A Growth Crisis, It Is Important That We Understand What Kind Of Churches We Have Become.

1. HOW WE SEE OURSELVES AS CHURCHES IS IMPORTANT. It is important that we understand the sizes, ages and membership make-up of our chur-

ches. It is important to KNOW WHO WE ARE REACHING. Equally important is to KNOW WHO WE ARE NOT REACHING, to understand how each church relates to its community in regard to people served.

Do we have white-collar churches trying to appeal to blue-collar people? Do we have churches that are Southern Baptist in name but articulate doctrines contrary to that most Southern Baptists accept as being Bible centered? Do we have churches that claim to be cooperative, supportive and active in the Association but in reality are much removed and independent of the association of churches? How we see ourselves is important.

2. HOW THE PEOPLE OF THE COMMUNITY SEE OUR CHURCH IS EQUALLY IMPORTANT. Is there a portion of the community to whom our buildings, our style of worship are simply too forbidding and uninviting?

How many hear our songs as if we sing in a foreign language? How many of the people around us speak a "culture language" greatly different from ours? Every person has the right to hear the "Good News" in his or her own language.

3. SOUL-SEARCHING QUESTIONS ARE IMPORTANT. Most of us will agree to the extent that we need to ask some soul-searching questions - such as "How well does our church profile harmonize with the profile of the communities we serve?"

A haunting question for every serious churchman is, "If our churches do not witness, minister, and serve the spiritual needs of the people, who will?"

Churches are like families and associations are like families in the fact that each goes through cycles at variable times. It is important for us to give an answer to this question - "Have we come to a place in the ministerial life-style of the Brunswick that we need not only look at populated areas in our evaluation of a need to birth a new church in greatly populated areas but, also, evaluate all areas to discover places where a specific type church needs to be birthed?"

IV. Serious And Honest Evaluation Of the Pertinent Facts Reveals Some Specific Needs in the Brunswick Association.

1. REACHING PEOPLE. The number one priority of every church and the Association is "Making Disciples." This is the command of our Lord in the "Great Commission." Everything we do should center in this one major first priority.

2. UNITY AND SOLIDARITY. Degrees of diversity are to be expected among strong and opinionated leaders who are serious and honest about seeking the Lord's will in all matters. Diversified opinions discussed openly and frankly can serve as a system of check and counter-checks in decision making.

To have the ability to disagree without becoming disagreeable is a trait of Christian character and the Democratic way of doing things. Once the decision is made all decision makers need to continue to love each other, work together, cooperate and support the work of the Lord.

During the past 90 days we have achieved a high degree of solidarity and unity of spirit and purpose. This achievement has come because of the kinds of character we have among our fine Pastors and Churchmen.

Unity of spirit, purpose and solidarity is the Brunswick Association's most important and greatest asset.

3. LEADERSHIP NEEDS. Maintenance-Leadership and Ministry-Leadership are two of our greatest associational needs. Maintenance-Leadership is defined as "keeping the churches and association in existence and functioning capacity." Ministry-Leadership refers to "acts and skills of extending the Christian message and witness beyond simple church and associational survival."

We need to understand how the association can provide maintenance and beyond maintenance leadership to include this needed Ministry-Leadership and do both well.

4. MEETING THE CHURCH NEEDS. It is important that we realize the association exists for the churches and not the churches for the association; that churches have needs and the association should be programmed to meet the needs of the churches; and that the Pastor's needs and the Church's needs are to be the first concern of the DOM and all other Associational leaders.

5. WELL PLANNED, WELL PROGRAMMED, WELL PRESENTED MEETINGS. It is important that all leaders be on time, well prepared and give the people information they need when they attend associational meetings.

It is less than being fair to ask people to come to associational opportunities and when they do come be totally unprepared, not there at all or be late and delay the program.

Equally unfair is for anyone to take an office without being willing to carry forward the job description outlined for that office.

6. NEW EVALUATION OF OUR FINANCIAL PROGRAM. For the most part our financial program has been developed around raising money on a percentage basis or by promoting special projects. As a result of this approach to our financial needs, projects that have the "loudest drummers" get most of the money and needs like office equipment, light bills, and other requirements go lacking of financial support.

The serious question that ought to be answered by us all is - "Have we reached a stage in our associational ministerial life-style in which a complete evaluation of our financial status is important? Have we reached a stage at which time we ought to give consideration to leading our people to give the Biblical way which is an act of worship? Should we give strong consideration to operating on a unified budget so all projects will receive equal needs?"

V. A Specific Course of Action.

Your Interim Director of Missions now suggests to you a specific course of action.

It is wise and logical that the Brunswick Assocation give complete and detailed study to and evaluation of each and every phase and facet of its projects, activities and ministry at this time.

1. Currently there is none among us who can tell us exactly what the cost will be for: 1) the proposed new office complex; 2) the financial packet necessary for us to get the type of person who is qualified to be the kind of Director of Missions we really need; 3) what the future holds for Jennifer Brown Home in light of specific changes being made by the Children's Home Administration; 4) what South Brunswick Mission is to cost the association; 5) what other areas we need to survey in light of birthing new churches in needed areas and 6) how to best serve our church needs in the area of programming.

2. Because we need to know and must know the answers to some questions, your Interim Director of Missions suggests to you strongly that a Study Commission be appointed to give study to these matters and make suggestions to the Association regarding the facts, evaluation and findings.

The Interim Director of Missions Report to the Brunswick Association in Executive Session

July 14, 1986

As required by the Constitution your Interim Director of Missions brings to you his report as follows:

1. THIS LAST QUARTER: Your servant has: 1) traveled 6,150 miles; 2) preached in 12 churches; 3) visited 20 churches; 4) had fellowship and conferences with many pastors; 5) helped "Search Committees" of seven churches; 6) led three churches in special emphasis and 7) met with most all Associational Committees that have met.

2. AREAS OF CONCERN: Your Interim Director of Missions suggests to you that the Brunswick Association take a strong look at the following:

1) Suggest that each church give study to the question of Incorporating your church.
2) Suggest that the Brunswick Association give consideration to updating its organizational structure in keeping with SBC and BSC suggestions.
3) Suggest that as soon as possible the Association adopt and live by a Unified Financial Budget.
4) Suggest that we begin now forming our annual budget according to program needs.
5) Suggest that you authorize your Moderator or Director of Missions or both to request help through what is called the Cooperative Agreement of the BSC of North Carolina. This does not obligate the Association in anyway to doing the projects requested but opens doors to help should we decide to attempt the projects.
6) Suggest that we realize the new Department Leaders had no opportunity for input into next years budget.

M.W. Chapman, Interim DOM

The Committee wishes to bring to this executive session only a partial study at this time as it continues to study the associational needs.

A. JENNIFER BROWN HOME

1. There are no House Parents currently at the Home. This presents a problem for us because most insurance policies do not cover a house when no one lives in it. This ought to be investigated and some person assigned responsibility of daily contact with the house.

2. The North Carolina Baptist Children's Home has informed us that they are unable to get suitable House Parents for most of their homes similiar to our Jennifer Brown Home.

3. The deed to the Jennifer Brown Home property has been located and is currently in the Association's bank lock box.

4. Subcommittee Chairperson, Richard Holbrook, reports: 1) The structure appears to be in excellent condition; the HVAC is operating well as are the plumbing and electrical facilities. All appliances seem to be in good working order. 2) The only items needing attention are cosmetic in nature. The following items are noted: a. One screen is missing; b. One bedroom door has a hole in it; c. One bedroom wall has a hole in the sheetrock; d. Approximately six foundation vents need replacing; e. Gutters should be cleaned of pine needles to prevent damage to boxing; and f. Until someone moves into the house the food should be removed from the refrigerator.

Considering the use of this facility, it is in excellent condition. However, it is important that the Association look into the possibility of having some person to be daily responsible for the property when there are no assigned House Parents.

5. One area of concern of your Study Commission is the fact that as of this date there has not been found any positive action the Association has taken regarding financing the Jennifer Brown Home beyond making the facilities available and maintaining the upkeep of the house, facilities and grounds. However, the Committee has found a signed agreement with the Children's Homes that obligates the Association up to 50 percent of the operating expenses, also. This commitment is found in the last paragraph of a documented agreement made by a representative of the Association and the Children's Home.

Your Study Commission is currently consulting the Children's Homes Director regarding this agreement to see exactly what it means. As it looks now, we are obligated for 50 percent of the operating expenses regardless of the amount of the budget as set by the Children's Homes.

Your Study Commission feels this should be an area of concern since there is no limit to the amount of money we may be expected to put into the operating expenses of the Jennifer Brown Home.

B. ASSOCIATIONAL ORGANIZATION

Limited study has been given to our organizational structure in the Association and the Study Commission feels there ought to be an effort put forth to upgrade our organizational structure so it will be more in keeping with the Baptist State Convention and Southern Baptist Convention suggested organization.

C. FINANCIAL FORMAT

A study reveals that we need to look for the possibility of moving toward a totally Unified Budget and that we allow the program needs to help us determine our budget requirements instead of the budgeted items determining the programs.

Director of Missions Report to the Executive Committee

October 13, 1986

Several interesting things have taken place in and through the Brunswick Association since our last Executive Committee meeting of July 14, 1986, as follows:

1) Your DOM has: (1) Traveled 4,270 miles on the field; (2) Visited in 22 churches; (3) Supplied 10 pulpits; (4) Met with Pastors in all Pastors' Conferences; (5) Met with 4 Church Search Committees; (6) Participated in "Miracle Sunday"; (7) Attended the Summer DOM Session sponsored by the BSC of North Carolina; (8) Attended the DOM Meeting at Wingate College; (9) Attended the Region 1 DOM Meeting at Clarkton; (10) Preached in Sabbath Homes Church Revival; (11) Met with all but one Associational Committee Meetings; (12) Met with Bob Watson three times, with Jim Lamberet twice, with Bobby Stafford three times, with Phil Morrow and Bruce Atkins of Children's Homes, Tom Womble Assembly's Expansion Committee, with Robert Stewart, with several Pastors in personal conferences, and with several laymen in personal conferences; (13) Conducted a Sunday School Workers Meeting in the Oakmont Baptist Church of Greenville, North Carolina; (14) Participated in a BSC Sunday School "Think Tank"; (15) Assisted the GA Camp as Cottage Cook; (16) Participated in the Church Training Conference; (17) Participated in the Key Leadership Conferences; (18) Met with the Ordination Committee's examination of a candidate; (19) Met with a special Annuity Board Meeting of the SBC and BSC; (20) Met with one Pastor/Deacon meeting; and (21) Managed the Associational Office.

2. The Key Leadership Conferences were a thrill to us all in many ways. An excellent staff of conference leaders was brought together with nearly every conference led by a BSC leader. Head counts revealed that more than 529 attended the two conferences. BSC leaders are telling us this was the best prepared and best attended Key Leadership Conference in the state.

3. The increasing spirit of unity and purpose along with increasing interest in our Association among both individuals and the churches greatly encourages us.

4. Our Pastors' Conferences are growing monthly and the newly organized Pastors' Wives' meetings are becoming an inspiration to us all with large numbers attending the meetings.

In interest of time let me stop here for this report since the Director of Missions will prepare a more detailed report to the Association in Annual Session.

In closing let me say we hope the Baptist Men of the Association will have our counseling room ready very soon at the office. It is difficult to deal with counseling of Pastors, Laymen, Search Committees in the crowded surroundings of our office.

One final word is that it is the desire of the Associational Office for the Association to tell us who should receive the Newsletter since it costs about 3½ cents a page to produce it and we are receiving requests daily from many large church groups wanting the Newsletter.

Sincerely yours,
M.W. Chapman
Director of Missions

TO: EXECUTIVE COMMITTEE
BRUNSWICK BAPTIST ASSOCIATION
OCTOBER 13, 1986

FROM: STUDY COMMISSION, BRUNSWICK BAPTIST ASSOCIATION

SUBCOMMITTEE: ASSOCIATIONAL LEADERSHIP NEEDS

MEMBERS: REV. ROBERT E. BOGART, CHAIRPERSON
REV. HAYDEN CARTNER
Mr. E.J. PREVATTE

FINDINGS: HAVING MADE FULL AND COMPLETE EXAMINATION OF THE BRUNSWICK BAPTIST ASSOCIATIONAL LEADERSHIP AND LEADERSHIP NEEDS, WE MAKE THE FOLLOWING RECOMMENDATIONS:

I. MOVE TOWARD REINVOLVEMENT OF LAITY IN ASSOCIATIONAL LEADERSHIP POSITIONS: We have become a "Preacher" associaiton, meaning that most of our pivotal leadership are presently and for many years have been area pastors. This commission discovers a high turnover in the Pastor/Associational leaders in the Brunswick Association. We feel that because of this high turnover many pastors are missing the pulsebeat of our associational needs. There needs to be a continuity and balance among our

key leadership, thus, we suggest a prompt move to place responsible laity in these positions, even to include Moderator. The last layperson to serve as Moderator was 1965, Mr. Kirby Sullivan. Furthermore, a reinvolvement of laity will certainly decrease the amount of strife and tension among pastors serving of sensitive committee issues.

II. OUR FINAL PROPOSAL: That the Association initiate as soon as possible an office building on the associational property. It is further recommended that there is a need for a temporary office to be established on the property. We feel that growth and stability can only be accomplished for all leadership in such a move. Future visions for a permanent office should be multipurposed with room for expansion.

NOTE

The foregoing is an attempted summation of the proceedings of the Eighty-eighth Annual Session of the Brunswick Baptist Association, together with a few reports that were made to several of the Executive Committee meetings during the year. As mentioned in Section A, the minutes of these meetings were not preserved by the then Clerk. The foregoing information has been assembled from several sources and is for information and historical purposes only. It is not binding on the Brunswick Baptist Association in any way.

The compiling committee was not able to determine if the Association dedicated the Minutes of the Eighty-eighth Session to anyone. If such action was taken it is much regretted that we have not been able to pay tribute to that person.
